

# Memo

**To:** City Council  
Peter Brixius, City Manager  
**From:** Randy Call, Public Works Director  
**Date:** February 25, 2020  
**Subject:** Award of Bid for a Solid Waste Dept. Cab & Chassis for Hook Lift Truck

---

Bids were opened on February 18, 2020 for a Cab & Chassis for a Hook Lift Truck for the Solid Waste Department. It will replace a 2002 International Hook Lift Truck (2-02).

We sent out 9 bid packets and we received 6 back. Please see the enclosed Tab sheet for detailed information on the bid proposal's.

We would like to recommend that the City of Craig purchase the Cab & Chassis for Hook Lift Truck for the amount of \$87,410.00 from McCandless Truck. McCandless was not the low bidder but we chose to upgrade to the Cummins engine for two reasons:

1. We have the computer software for the Cummins engine.
2. There are Cummins techs in Craig at least 3-4 times per week.

The Cab & Chassis and Hook Lift System still came in under budget by \$8,000.00.

If you have any questions or concerns, please feel free to contact me at 824-4463
