**Subject:** Award of Bid for Cab & Chassis for Street Flusher

---

Bids were opened on February 18, 2020 for Cab & Chassis for Street Flusher for the R & B Department. It will replace a 1995 GMC Etnyre Street Flusher (1-62)

We sent out 9 bid packets and we received 6 back. Please see the enclosed Tab sheet for detailed information on the bid proposal's.

We would like to recommend that the City of Craig purchase the Cab & Chassis for the Street Flusher from Transwest Truck for the amount of \$105,325.00. Once again McCandless was low bidder but we do not have the computer software for the International Engine.

If you have any questions or concerns, please feel free to contact me at 824-4463.
