

COVID-19 BUSINESS RESOURCE INFORMATION

There are resources available in the Northwest Colorado Region that can help businesses experiencing economic distress and/or disruption with SBDC consulting, technical assistance services and loan fund assistance. Businesses seeking technical assistance or consulting regarding how to prepare and/or recover during an economic disruption should contact Erin McCuskey, erin@northwestsbdc.org, and/or [register for SBDC consulting here](#). Further assistance can be found in The Disaster Recovery and Continuity Guide for Colorado Businesses. [Download the guide here](#).

AGNC is also working with other local and state partners for business assistance and will send more information as it becomes available. Below please find resources that may be helpful at the state and federal level.

The U.S. Small Business Administration

Economic Injury Disaster Loan Program

The SBA will work directly with state Governors to provide targeted, low-interest loans to small businesses and non-profits that have been severely impacted by the Coronavirus (COVID-19). The SBA's Economic Injury Disaster Loan program provides small businesses with working capital loans of up to \$2 million that can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing. Small Business Development Center

The Disaster Recovery and Continuity Guide for Colorado Businesses was developed while working with Colorado businesses after the various fires, flooding and mudslides occurred around the state. It is designed as a working guide that will direct business owners and managers through the steps as you consider how to proceed post-disaster, as well as how to prepare for a possible threat or natural disaster.
