SUBJECT: *Activity Report – April 2020*

1. *Crime and Patrol Summary*

See attachments. The department responded to 1,182 requests for service during the month of April. Community Service responded to 160 requests for service.

This month, we saw an increase in calls for service. We also continued doing COVID 19 business checks on a regular basis.

We received a citizen complaint about the high rate of speed on vehicles traveling on north Yampa in both directions. We were able to address this problem by running radar in this area. Several traffic stops were made for speeding violations. In one case, a driver was cited for traveling 59 mph in a 40 mph zone.

Along with speed enforcement throughout the month, we had numerous traffic stops for different traffic violations. Several of these stops resulted in DUIs and driving under restraints citations.
