SUBJECT: Activity Report – December 2020

Crime and Patrol Summary

See Attachments. The department responded to 1282 requests for service during the month of December. Community Service responded to 83 requests for service.

Theft from vehicles picked up near the end of the month. There were items taken in some of the car prowls. Some of the vehicles were just entered and nothing was taken. The Majority of these vehicles were unlocked at the time of the crime.

On the same note, we investigated several retail thefts (shoplifting) from our local businesses. In most of the incidents an individual was charged with the theft. Surveillance systems in the businesses are a great aid in helping identify the individuals and their vehicles.

Community Service

CSOs Wacie Laabs and Hannah Wood handled the following calls during the month of December:

“Courthouse Cat” stuck in a tree, eventually came down on its own and got a trip to warmth and food at the shelter

A different cat also stuck in a tree, removed courtesy of Yampa Valley Electric Association

- 14 vehicles were red tagged, only 1 of which later had to be towed
- 12 code violations
