1. Introduction and Background

This report summarizes the tax forecast and impact on Moffat County (hereafter, the "County") of the proposed redevelopment of the Craig URA #1 Urban Renewal Area (hereafter, the "Urban Renewal Area" or "URA #1") in the City of Craig ("City"), as described in the Craig URA #1 Urban Renewal Plan (hereafter, the "Urban Renewal Plan" or "Plan") and other materials provided to the City about potential development with the proposed Urban Renewal Area.

The Craig URA #1 Urban Renewal Area Tax Forecast and County Impact Report (hereafter, "Tax Forecast and County Impact Report") was prepared by DGC Consulting (hereafter, "DGC") for the City of Craig on behalf of the to-be-formed Craig Urban Renewal Authority (hereafter, "CURA" or "Authority") under a contract dated October 26, 2020.

This Tax Forecast and County Impact Report includes a summary of forecasted property and sales tax revenues for all taxing entities in the proposed Craig URA #1 Urban Renewal Area, as well as Moffat County fiscal and service impacts associated with development in accordance with the Urban Renewal Plan. Specifically, this report is intended to:

 Provide a detailed property and sales tax projection for all taxing entities over a 25-year period.
 Respond to the requirements outlined in the State of Colorado Statutes for Urban Renewal Authorities (Colo. Rev. Stat. § 31-25-101, et seq.) specifically related to the requirements of a County Impact Report (Colo. Rev. Stat. § 31-25-107 (3.5)). These requirements are excerpted as follows:

(3.5) (a) At least thirty days prior to the hearing on an urban renewal plan or a substantial modification to such plan, the governing body or the authority shall submit such plan or modification to the board of county commissioners, and, if property taxes collected as a result of the county levy will be utilized, the governing body or the authority shall also submit an urban renewal impact report, which shall include, at a minimum, the following information concerning the impact of the plan:

- I. The estimated duration of time to complete the urban renewal project;
- II. The estimated annual property tax increment to be generated by the urban renewal project and the portion of such property tax increment to be allocated during this period to fund the urban renewal project;
- III. An estimate of the impact of the urban renewal project on county revenues and on the cost and extent of additional county infrastructure and services required to serve development within the proposed urban renewal area, and the benefit of improvements within the urban renewal area to existing county infrastructure;
- IV. A statement setting forth the method under which the authority or the municipality will finance, or that agreements are in place to finance, any additional county infrastructure and services required to serve development in the urban renewal area for the period in which all or any portion of the property taxes described in subparagraph (II) of paragraph (a) of subsection (9) of this section and levied by a county are paid to the authority; and
- V. Any other estimated impacts of the urban renewal project on county services or revenues.

2. Urban Renewal Plan

The Craig URA #1 Urban Renewal Area Plan, dated *(insert month)* 2021, by DGC Consulting, is provided separately.

3. Development Timing

Development character, magnitude, and timing within the Craig URA #1 Urban Renewal Area will be determined by market conditions. Development is anticipated to be commercial, retail, and commercial office uses. The development program used in the analysis was extrapolated from three "catalyst" projects being planned in cooperation with the City: (1) reuse/redevelopment by a private developer of the nearly vacant 90,000 SF mall, (2) reuse/redevelopment by a private developer of a former 35,000 SF Safeway building, and (3) development or redevelopment of 30,000 SF of commercial space around the new County Building, which will occupy a former K-Mart retail building in the near future. Together, these projects are considered to be representative of what might occur in the area.

The development program was used to forecast tax revenues over a 25-year timeframe for the County and other taxing bodies in the Craig URA #1 Urban Renewal Area. In addition, other impacts to the County are presented in this report.

The development program is summarized in Table 1. Construction is projected to occur in phases over several years as follows: 2023 (25,000 SF), 2024 (25,000 SF), 2025 (45,000 SF), 2026 (15,000 SF), and stabilizing in 2027 (15,000 SF) for a total of 125,000 SF. Redeveloped mall space will include retail and other commercial uses. Site development of utilities, parking, sidewalks, driveways, landscaping, and open space are also anticipated.

Catalyst Project	2023	2024	2025	2026	2027	Total
Mall building reuse (Phase 1)	15,000	15,000				30,000

About 2/3 of redeveloped mall space will be retail. This will be phased over several years as follows: between 2023 (10,000 SF), 2024 (10,000 SF), 2025 (35,000 SF), 2026 (10,000 SF), and stabilizing in 2027 (10,000 SF) for a total of 75,000 SF.

4. Property, Sales and Other Tax Revenue

This section presents a forecast for property and sales taxes generated within the proposed Urban Renewal Area. An annual inflation rate of 1% was used for the property tax forecast. Property tax districts, taxing authorities, and existing property taxes paid are also summarized. The forecast shows all future property and sales tax revenues anticipated to be generated within the proposed Urban Renewal Area. However, this is the "maximum case", meaning that this analysis projects the maximum capacity of incremental new revenues which could be generated by the anticipated new development.

In compliance with Colorado law, based on this information, the City and/or Authority will seek to negotiate incremental tax revenue sharing arrangements with all or some of the Taxing Authorities listed on Tables 3 - 4. Taxing Authorities are defined as those entities which levy a mill levy within the proposed Urban Renewal Area, according to the records of the Moffat County Assessor. Taxing Authorities are also referred to as Taxing Entities and Taxing Districts.

4.1 Current PropertyTaxes and PropertyTax Districts

Each of the 19 parcels in the proposed Urban Renewal Area is classified as 08 (ICFG) or 09 (ICFJ) property Tax District, which are summarized in Tables 3 and 4. The 2020 mill levy (adopted December 2020) for both is 81.736.

Table 5 summarizes tax data for the 19 private parcels within proposed URA #2. The list includes two tax exempt parcels which are assumed to become taxable if they are sold to private owners. Property taxes total \$217,746 for the 2020 levy year (payable in 2021).

Moffat County Assessor's data summarized on the table includes:

- Tax Account
- Parcel Number
- Tax Area
- Property Code
- Actual (Market) Value
- Taxable (Assessed) Value
- Estimated Taxes Paid
- Parcel Area

Definitions of each of these data fields can be obtained from Assessor records. At the bottom of the table is a summary of each column. Note that the third column for Tax Area uses numeric (08, 09) designations. These correspond directly to the Assessor lettered Tax Area designations summarized in Tables 5.

Table 6 summarizes current sales taxes paid in the proposed Urban Renewal Area, based on sales tax rates imposed by the three entities which collect sales taxes. The largest recipient of sales tax is the City of Craig, followed by the State of Colorado and Moffat County. According to the City, in 2020 sales taxes in the proposed URA #1 were: City \$485,000, Moffat County \$242,500, and State of Colorado \$351,525, for a total of \$1,079,025 (referred to as the sales tax Base.)

4.2 Property and Sales Tax Revenue Forecast

Table 7 summarizes assumptions about construction costs, phasing, and retail sales for the four catalyst projects.

Catalyst Project	Description	Phasing	Costs and Retail Sales (\$/SF)
1 - Mall phase 1	 Phase 2 only - 1/3 Mall reused (30k/60k), multi-tenant, phase occupancy by 2023, 20k SF new retail 	Phase 1 reoccupy Mall space w/minimal tenant improvements, phased 2023 - 2024	\$50/SF construction value, \$100/SF retail sales
2 - Mall phase 2	2. Phase 2 only - 1/3 Mall reused (30k/60k), multi-tenant, phase occupancy by 2023, 20k SF new retail	Phase 2 reuse Mall space w/minimal tenant improvements, phased 2026 - 2027	\$50/SF construction value, \$100/SF sales
3 - Safeway Building	3. 100% Reuse Safeway (big box tenant), occupy by 2025	Reuse existing building, minimal tenant improvements, w/big box retailer, complete 2025	\$50/SF construction value, \$200/SF sales
4 - County Building ancillary development	 Redevelop three buildings or parcels near reused County Building (former Kmart) 	30,000 SF commercial in three buildings, phased 2023 - 2025	\$100/SF construction value, no retail sales

Table 7: Development Phasing and Cost Assumptions

Source: City of Craig and "Yampa Valley Adventure Center" developer

Property Tax Assumptions:

- 1) -
- 2) Uses will be retail/commercial and retail office.
- 3) Understanding that the reuse/redevelopment of the former Mall and former Safeway building will be limited to tenant finish, it is assumed that this construction will cost \$50/SF. Ancillary development of commercial space around the new County Building will cost \$100/SF. These figures are low compared with new commercial development.
- 4) Parcels in the Urban Renewal Area will retain their current Tax District status and mill levy rates.
- 5) All real property will be taxable, if developed (including parcels that are currently tax-exempt).
- 6) 2020 property tax information and mill levies provided by Moffat County Assessor and GIS.
- 7) Residential rate is 7.15% and commercial rate is 29%.

- 8) Personal Property taxes are not included in this analysis.
- 9) Analysis includes 1% annual inflation in property value.

Sales Tax Assumptions:

- According the City of Craig, the most recent sales tax collected within the proposed Urban Renewal Area: City \$485,000, Moffat County \$242,500, and State of Colorado \$351,525, for a total of \$1,079,025 (referred to as the sales tax Base.)
- Total redeveloped retail space is 75,000 SF. 2/3 of redeveloped mall space will be retail (40,000 SF).
 100% of redeveloped Safeway building space will be retail (35,000 SF).
- 3) All future retail sales will be considered taxable.
- 4) Sales tax analysis does not include an annual inflation adjustment.

4.3 Moffat County Property Tax Revenue Forecast

The forecast of future property tax revenues was calculated using a spreadsheet. For purposes of clarity, information from the spreadsheet has been excerpted and is presented in the more concise tables and narrative included in this report.

Tables 8 and 9 summarize total property taxes collected, existing property taxes (referred to as the "Base"), and projected future property taxes due to urban renewal activity (referred to as the "Increment"). Table 8 summarizes the short-term period (eight years) of the project (2021-2028), which covers the period of construction through project stabilization. The complete spreadsheet for the property tax analysis is included as Exhibit A.

If all of the County portion of the incremental property taxes were allocated to the Authority during this period, the County would experience a fiscal impact of \$12,752/year in 2024 (the first year of development-

induced revenues), growing to approximately \$69,595/year in 2045 (the end of the 25-year tax increment financing period), resulting from the inclusion of the developed parcels in the proposed Urban Renewal Area and after accounting for the Base. The total property tax allocated to the Authority by the County during this period would be approximately \$1,278,859.

4.4 Moffat County Sales Tax Revenue Forecast

The County collects 2% on taxable sales in the taxing district which applies to the proposed Urban Renewal Area. This is included in the overall 8.9% sales tax levy within the proposed Urban Renewal Area. Tables 10 and 11 show total County sales taxes collected, existing sales taxes (referred to as the "Base") which are estimated to be \$242,500 (2020), and future net sales taxes from new development (referred to as the "Increment").¹

Table 10 summarizes the short-term (2021-2028) incremental County sales tax revenue. Table 11 summarizes cumulative incremental County sales tax revenue in five-year increments 2020-2045 (25-year analysis period). The complete spreadsheet used for the sales tax analysis is included as Exhibit B.

Source: DGC using information provided by the City of Craig

If all of the County portion of incremental sales taxes were allocated to the Authority during this period, the County would experience a fiscal impact of \$20,606/year in 2023 (the first year of development-induced revenues), growing to approximately \$282,135/year in 2045 (the end of the 25-year tax increment financing period). The total sales tax allocated to the Authority by the County during the 25-year period would be approximately \$5,414,628.

¹ It should be noted, however, that County sales tax revenues are not considered increment under the Statute, and their allocation to the Authority is subject to annual appropriation.

5. Impact on Moffat County Services

Municipal and public service providers for the subject property are summarized on Table 12. The proposed Urban Renewal Area is located within the City of Craig boundaries, in Moffat County. Municipal government services and municipal services (streets, environmental, potable water, sanitary sewer, storm sewer/drainage, public safety, and parks) are provided by the City. Some water services are provided by +the Craig Rural Water (CRW) District.

All permitting, plan review, inspections, and planning and zoning services for the City of Craig are provided by the Craig/Moffatt County Regional Building Department. Fire and emergency services are provided by the City of Craig, Craig Fire District, and Moffat County. The proposed Urban Renewal Area is within the Moffat County School District RE-1 and the Colorado Northwest Community College District.

Moffat County provides General Government Services which include: County Attorney, County Sheriff, County Courts, Social Services, Assessor's Office, Coroner's Office, and the Clerk and Recorder's Office. The County also provides the public library in Craig. It is likely that County General Governmental Services will be required during and after construction in the proposed Urban Renewal Area.

6. Impact on Moffat County Infrastructure

Construction of new infrastructure, such as roads and utilities within the Urban Renewal Area will be the responsibility of the developing party, although partial funding may be contributed by the City or financing structures such as metropolitan districts, special improvement districts or the Authority. It is our opinion, based on information provided by City staff, that the development of the proposed Urban Renewal Area will

not impact County infrastructure.

7. Financing of NewInfrastructure

It is anticipated that new infrastructure serving the Urban Renewal Area will be provided by property developers, the City, metropolitan districts, or other special districts. Infrastructure will be financed by property developers, tax increment revenue and/or a combination of tax increment revenue, general fund revenue, and special district revenue (assuming the creation of a special district). Maintenance of infrastructure will be provided primarily by the City and/or existing and future special districts.

8. County Impact Report Conclusions

The anticipated uses within the proposed Urban Renewal Area are consistent with uses in the City of Craig Zoning and Subdivision Regulations and Comprehensive Plan. If necessary, properties may be rezoned, as appropriate, to allow redevelopment that is in conformance with these regulations.

- Development program Development may include new construction or tenant improvements to existing buildings. It is planned for three areas (existing shopping mall, existing Safeway Building, and around the relocated County Building). Development and reuse of existing buildings is anticipated to occur in phases (2023 – 2027) for a total of 125,000 SF. Retail development totals 75,000 SF and includes 40,000 SF in the mall and 35,000 SF in the former Safeway building. Development of utilities, parking, sidewalks, driveways, landscaping, and open space is also anticipated.
- 2. If all of the County portion of the incremental property taxes were allocated to the Authority during this period, the County would experience a fiscal impact of \$12,752/year in 2024 (the first year of development-induced revenues), growing to approximately \$69,595/year in 2045 (the end of the 25-year tax increment financing period), resulting from the inclusion of the developed parcels in the proposed Urban Renewal Area and after accounting for the Base. The total property tax allocated to the Authority by the County during this period would be approximately \$1,278,859.
- 3. The amount of County incremental property tax revenue to be allocated to the Authority for Urban Renewal Area #1 amounts to less than 1/1000th (.00045) of the Moffat County budget. This is based on a 2021 County adopted budget of \$102.5 million and estimated incremental County property taxes of \$46,457 in 2026 (year of project stabilization). Even though county budgets are expected to drop significantly in the future, the fiscal impact will remain very small, as a percentage of budget.
- 4. The impact on the Moffat County School District RE-1 of allocating incremental property taxes to the Authority would also be minimal, as a percentage of total school district budget. Estimated incremental School District property taxes are \$61,846 in 2026 and the 2020 2021 budget is \$23.152 million. This represents less than 3/1000th (.00267) of the total budget.
- 5. After the 25-year period is completed, the County's share of net new property tax revenues (after subtracting the Base) will increase gradually from \$69,595/year, which is forecast in 2045.

- 6. If all of the County portion of incremental sales taxes were allocated to the Authority during this period, the County would experience a fiscal impact of \$20,606/year in 2023 (the first year of development-induced revenues), growing to approximately \$282,135/year in 2045 (the end of the 25-year tax increment financing period). The total sales tax allocated to the Authority by the County during the 25-year period would be approximately \$5,414,628.
- 7. After the 25-year period is completed, the County's share of net new sales tax revenues (after subtracting the Base) will increase gradually from \$282,135/year, which is forecast in 2045.
- Moffat County governmental services Current County services will be continued and it is not expected that Moffat County will need to provide significant additional services to the proposed Urban Renewal Area.
- 9. The City of Craig will continue to provide municipal services, including public safety, to parcels within the proposed URA.
- 10. Special districts such as the Craig Fire Protection District will continue to provide services to the proposed URA.
- 11. Moffat County infrastructure Based on the economic impact analysis, it is not expected that development of the proposed Urban Renewal Area will negatively impact existing County infrastructure. Further, the County will not need to provide additional infrastructure to serve future development. The City of Craig, Craig Urban Renewal Authority, property developers, and/or special districts (including metropolitan districts) will plan, finance, construct, and maintain any required new infrastructure for the Urban Renewal Area. On a commercial basis, private utilities mentioned previously will continue to provide services, and if required, new infrastructure to serve the Urban Renewal Area.

9. Property Taxes for Taxing Authorities

11. Use Taxes

Use taxes resulting from development within the proposed Urban Renewal Area were also estimated. Collection of use taxes is a one-time event coinciding with the issuance of a building permit by the Craig/Moffatt County Regional Building Department. See Table 17 below for information on the use tax calculation.

Costs used to estimate construction value were summarized in the development program and exclude land and soft costs. Materials were estimated to be 50% of construction value (the remainder being labor, fees, and other "soft" costs). The current City sales tax (4.0%) is also assumed to be the use tax rate. Based on these assumptions, the City of Craig would receive approximately \$155,000 in use taxes for building materials used for taxable construction within the proposed Urban Renewal Area.
