

Memo

To: City Council & Peter Brixius, City Manager
From: Trevor Campbell, R & B Director
Date: February 9, 2021
Subject: Award of Refuse Dept Cab & Chassis and Front Load Refuse Collection Body

Bids were opened on January 27, 2021 for a Refuse Department Cab & Chassis and a Front Load Refuse Collection body. We received 6 Cab & Chassis bids and 4 bids for the Body. Please see enclosed bid tab sheet for details.

We bid this vehicle in two parts to be able to get the body from one vendor and the chassis from a truck dealer. We have found this saves us money as compared to bidding a complete unit from one vendor.

We would like to recommend that we award the bid for the Cab & Chassis to Grand Junction Peterbilt in the amount of \$151,196.00.

We would like to recommend awarding the bid for the Body to Faris Machinery in the amount of \$143,395.00 the complete unit total is \$294,591.00.

These recommendations are not low bid. These recommendations are based on the existing two front loads in our fleet are Peterbilts with Witke bodies which provides consistency with operation, mechanical knowledge, diagnostic software and we have experienced limited issues with these trucks.

If you have any questions or concerns, please feel free to contact me at 824-4463.
