

# Memo

**To:** City Council

**From:** Ryan Dennison, Parks & Recreation Director

**cc:** Peter Brixius, City Manager

**Date:** 2/3/21

**Re:** Design & Build Playground – Woodbury Park

---

Parks & Recreation received five bids for a design & build playground at Woodbury Park. The current play structure is 20+ years old and repair parts have become obsolete. This project was an action item from the recently adopted Parks & Recreation Master Plan. The total project budget amount for the design & build playground is **\$336,000**.

The five bids received were very close in pricing to the total project budget of \$336,000. Parks & Recreation staff along with the Parks & Recreation Advisory Board have went through the bids in depth to incorporate the best playground design for the park.

Both **A to Z Recreation** and **Churchich Recreation** really stood out for their design and amenities they proposed. They also provided a detailed bid along with meeting the scope of work requested by the City. Both companies are revered as one of the top manufactures in the playground industry.

Through this process it was a unanimous decision by staff along with the Parks & Recreation Advisory Board in recommending **A to Z Recreation** the bid for the Design & Build Playground at Woodbury Park in the amount of \$336,000 based on their creative play features, discounted playground equipment and entire pour in place safety surface.

## Woodbury Playground - Design & Build

### TOTAL PROJECT BUDGET - \$336,000

Vendor	Option #1	Option #2	Option #3	Option #4
PlayWell	\$327,149.99	\$334,844.43	\$336,000	\$323,499.91
