Seller shall not be liable for any failure to undertake or complete the work for causes beyond its control, and Seller may suspend the work for causes beyond its control, including but not limited to fire, flood or other casualty; the presence on or beneath the work site of utilities, facilities, substances, or objects, including but not limited to any substance that in Seller's opinion is hazardous or toxic or the reporting, remediation, or clean-up of which is required by any law or regulation; labor disputes or other disagreements; and accidents or other mishaps, whether affecting this work or other operations in which Seller is involved, directly or indirectly. If for causes beyond Seller's control, Seller's work is not completed within twelve (12) months after the date of Buyer's acceptance of the Contract, Seller may cancel this Contract. In such event: (i) Seller shall be relieved of any further obligation with respect to the balance of the work; and (ii) Seller shall be entitled to receive final and complete payment for all work performed by us to the date of cancellation within fifteen (15) days thereafter.
