Craig City Council

Re: Victory Motors Cancer Drive/Casino night

To Craig City Council:

I would like to take this opportunity to thank the council members for considering our application for a permit.

The permit is for the event to be held at Victory Motors on Aug. 14th, 2021. Profits from the event go to the Cancer Society of Moffat County and stay in Moffat County.

The Victory Motors Cancer Drive was started in 2013 by me, my brothers Steve and Tony Maneotis and Denver Bronco Hall of Famer Rick Upchurch. I was diagnosed with stage 3 colon cancer in 2013 and it eventually went to stage 4. Due to the distance I traveled for treatment and expenses I incurred we felt there was a need to help other cancer patients in Moffat County with assistance to receive treatment. I know many in this room have been touched by someone they care about having cancer and the struggles. It is important that we relieve as much stress as possible off these patients so they can concentrate on recovery. I am fortunate and happy to say I am in remission. I want to give all cancer patients the opportunity to say the same and by assisting with expenses hopefully we can hear these same words from more cancer victims.

We have grown the past 8 years and that is due to all the great sponsors and community support. We are asking for a permit for the Casino Night to be held at Victory Motors on Aug. 14th. There is not any cash exchange for winnings. The purchase of a ticket gets you in the event and chips are given to play the games.

Winnings are given in raffle tickets and are used for door prizes. It is the same concept as the federation dinners and their games.

I hope I have answered questions about what and why the Victory Motors Cancer Drive exists. The Cancer Society of Moffat County and Victory Motors Cancer Drive thank you for the time and hope you grant the permit.

The invitation to Casino Night and the Rick Upchurch Golf Tournament on Aug. 15th is extended out to everyone here. Help us win this fight against Cancer.

Thank You
