The monthly amount of Sales Tax received will reflect prior months collections due to delinquenct filings, and also don't reflect those that have not yet filed. Therefore, the amount and percentage change between current and prior year totals, only represents the amount and percentage collected. It is not a reflection of an increase or decease in sales activities.

Performance results are shown net of all fees and expenses and reflect the reinvestment of dividends and other earnings. Many factors affect performance including changes in market conditions and interest rates and in response to other economic, political, or financial developments. Investment involves risk including the possible loss of principal. No assurance can be given that the performance objectives of a given strategy will be achieved. Past performance is no guarantee of future results. Any financial and/or investment decision may incur losses.
