The Craig Police Department, through budget work sessions, was able submit a Capital Project for the purchase of twenty-two (22) Patrol Rifles and twenty-two (22) handguns. The specifications are as follows:

- Sig-Sauer MCX 5.56 Rifle - WRMCX-11B-TAP-SBR
- Sig-Sauer 9mm LE P320CA 17 RD with Romeo sites – W320AC-9-BXR3-PRO-RXP
- Sig-Sauer 9mm LE P320C 15RD with Romeo site – W320C-9BXR3-PRO-RXP

These weapons will be issued to all sworn personnel for a primary duty weapon and a patrol rifle. The weapons are “sole-sourced” from ProForce Law Enforcement Inc. located in Prescott AZ. These weapons are not sold by local dealers and have to be obtained from a dealer specific to Law Enforcement purchases as they cannot be purchased from Sig directly. This distributor handles all ATF required paperwork to transfer the weapons from Sig to our agency.

The total capital project requested was for \$71,677.54. The total cost of the weapons and magazines is \$45,781.58. The remaining funds will be used to purchase lights for both rifles and handguns, holsters, slings and ammo pouches.

We are requesting to go ahead with our order to get in the que as there is currently a 4–6-month backlog. The weapons will not be billed for until delivery which is estimated to be April to June of 2022. ProForce has advised our staff, that the sooner the order is placed the closer to the top of the line we will be. They have also advised that the order locks-in our price as the current pricing changes constantly.
