Memo

Date: January 10, 2023

To: City Manager/Mayor and City Council

From: Michael Cochran, Chief of Police

SUBJECT: Award of Bid on Mobile Computers for Vehicles

In December of 2022, I solicited bids for our mobile computer project. The request was for “rugged” computers for each officer, to be mounted in the vehicles with docking stations.

The approved budget for the computer project is \$128,380.00. I did receive three (3) quotes for the project. Here is the summary of the returns. Please see attached for actual quotes.

1. Midwest Public Safety – for (17) computers and mounts - \$122,167.00
2. Dell Technologies – for (17) computers (semi-rugged), docking stations, but no installation and no mounting brackets - \$45,252.30
3. Brite – for (17) rugged Getac computers, vehicle mounts, docking stations, installation, and a five (5) year bumper-to-bumper warranty, \$122,167.00.

Brite is the company that Moffat County Sheriff's Office awarded the bid to, and has been very responsive during this process. The organization has the computers in-stock and will have their own technician come to Craig for complete installation and to ensure that all units are functioning properly.

I am respectfully requesting that the bid be awarded to Brite for the complete package price of \$122,167.00. This is \$6,123.00 under our budgeted amount.

Thank you for your consideration,

Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.
