Re: Award Bid for Tree Pruning Services

Bids were received for Tree Pruning Services on February 8, 2023. Gonzales Tree Service and N & D Tree Service submitted bids for the project.

The Parks & Recreation Department has worked with Gonzales Tree Service in the past. They have extensive knowledge in the field of arboriculture and pruning. They are extremely dedicated to their craft and have done great work on City projects.

N & D Tree Service are from the front range and have worked on numerous large and small scale projects. Their team consists of a certified crane/grapplesaw operator, technical climbers and as well as the foreman who is an International Society Arboriculture (ISA) certified arborist.

Both companies are extremely qualified and meet the specific requirements for these pruning projects. I would recommend City Council award the bid for Tree Pruning Services to N & D Tree Service in the amount of \$29,900, as they are the low bid.

Feel free to reach out with any questions.
