Re: Award Bid for Ledford to Finley Pathway Fencing

Bids were received for the Ledford to Finley Pathway Fencing on February 8, 2023. Taylor Fence, All Fence and Ivory Tip Fencing all submitted bids for the project.

The current fencing in place is dilapidated and degraded in many areas. It has become aesthetically unpleasing as well. This project aims to replace the current fence system with 4' black vinyl coating mesh chain link fence and install two entry gates along the pathway. In doing so, should be a considerable upgrade and allow for a proper aesthetically pleasing barrier between pathway and private residence.

All three vendors met specifications and have many years of experience in the fencing industry. I would recommend City Council award the bid for Ledford to Finley Pathway Fencing to Ivory Tip Fencing in the amount of \$27,263.80. Approved budget amount for the project is \$42,000.
