MEMO

February 28, 2023

To: City Council

From: Marlin Eckhoff, Building Official 

Subject: Rezoning of Lots 1-13 Block 14, Lot 1A & 2A MRH Replat #2 of the Old Craig Townsite.

BACKGROUND / DISCUSSION

The City of Craig is proposing to rezone the properties listed below to Mixed Use-2 (MU-2).

1. Lots 1-13 Block 14, of the Old Craig Townsite

Reasoning: These lots are used as the parking lot for the Yampa Building located at 775 Yampa Ave. They are currently zoned Residential High Density (RHD), while the Yampa Building is zoned MU-2. Rezoning lots 1-13 will make the entire property fall into the same zone district.

2. Lot 1A MRH Replat #2

Reasoning: This is the lot where the old hospital was located at 785 Russell Street. It is currently zoned Commercial Downtown (CD). Now that the hospital has been removed, CD is no longer an appropriate zone for this area. Zoning this part of the block to MU-2 will allow for most types of residential dwellings, and be an appropriate zone for the Visiting Nurse Association which is adjacent to the old hospital property.

3. Lot 2A MRH Replat #2

Reasoning: This property is home to the Northwest Colorado Visiting Nurse Association located at 745 Russell Street. It is also currently zoned CD, rezoning it to MU-2 will allow the VNA clinic to be a principal use within the zone.

I have included the following:

1. A zone map showing the existing zones.
2. A zone map showing the proposed change to MU-2.
3. A satellite image labeling all the adjacent properties uses.
4. A copy of our rezoning regulations highlighting the process for "General revisions" and acceptable criteria for rezoning.

The rezoning of these properties will prevent the spot zoning that currently exist, be more appropriate for the adjacent properties, and is consistent with the City's master plan.

RECOMMENDATION

The Planning & Zoning Commission held a meeting on February 20, 2023. The Commission unanimously (Ayes: 5, Nays: 0) recommended that City Council approve the rezoning of Lots 1-13 Block 14, Lot 1A & 2A MRH Replat #2 of the Old Craig Townsite to Mixed Use-2.

CRAIG PLANNING & ZONING COMMISSION MINUTES

February 20, 2023

The Craig Planning and Zoning Commission of the City of Craig, County of Moffat, State of Colorado, met in the City Council Chambers, 300 West 4th Street, Craig Colorado, 81625, at the hour of 6:00 p.m. There being present the following Commissioners: Randy Kloos, Mike Tucci, Tom Gilchrist, Justin Jenison, and Andrea Camp. City Staff present were City Manager Peter Brixius, Building Official Marlin Eckhoff, and Assistant Sierra Arellano. City Councilmen Derek Duran and Chris Nichols were present.

Chairman Kloos called the meeting to order at 6:00 PM and began with Commission roll call. Those present were Commission members Randy Kloos, Mike Tucci, Tom Gilchrist, Justin Jenison, and Andrea Camp.

Commissioner Gilchrist made a motion, seconded by Commissioner Camp, to approve the minutes from December 19, 2022. Ayes: 5. Nays: 0. Motion carried.

Building Official Eckhoff discussed with the Commission rezoning Lots 1-13 Block 14, and Lot 1A & 2A MRH Replat #2 of the Old Craig Townsite to Mixed Use-2 (MU-2). The City always intended on rezoning this area once the hospital was removed, due to the fact that the existing Commercial Downtown (CD) district was not appropriate for the area. Eckhoff explained to the Commission various reasons why MU-2 would be the best zoning option:

1. The VNA becomes a permitted use.
2. Spot zoning would not be necessary.
3. The parking lot for the old Administration Building is currently zoned residential high density (RHD) and MU-2 would clean up zoning and match the Administration Building.
4. If a potential housing project does not pan out, there is leeway for a commercial option.

The Commission had minimal concerns with this rezoning. Eckhoff did explain to the Commission that there are different regulations about sending letters to notify surrounding property owners if the City is initiating the re-zoning. Past rezones initiated by the City were posted in the newspaper as a legal notice but letters were not sent. Eckhoff notes this was completed by the City. Chairman Kloos commended Eckhoff on his due diligence.

Commissioner Tucci made a motion, seconded by Commissioner Gilchrist to recommend City Council to approve rezoning Lots 1-13 Block 14, and Lot 1A & 2A MRH Replat #2 of the Old Craig Townsite to Mixed Use-2. Ayes: 5. Nays: 0. Motion carried.

For Commission Reports, Commissioner Gilchrist noted he read in the Craig Press about the Moffat County Planning & Zoning Commission having discussions regarding a property maintenance code. Eckhoff discussed with the Commission that the City adopted the 2018 International Property Maintenance Code (IPMC) and it has been utilized to condemn problematic properties with legal issues and structural damage or lack of utilities causing the property to be inhabitable.

For staff reports, Eckhoff wanted to discuss the recently obtained plans from Tanya Hurtado regarding her project at 430 W Victory Way that were requested by the Commission as the

original plans were very plain in nature. Multiple Commissioners noted that the plans are lacking changes that were requested and there was still concern regarding snow falling off the roof without any safety precautions. The Commission came to a consensus that the following will be required:

1. Esthetic break up on solid white walls to add curb appeal.
2. All lower windows must have awnings.
3. 4 ft minimum wainscoting (bottom of lower windows) on all sides.
4. Keep stone on corners and all flower boxes.

Chairman Kloos is going to create a checklist of requirements for Hurtado. When the requirements have been met, the Commission will review the plans again prior to moving to City Council.

There being no further business, Commissioner Tucci made a motion, seconded by Commissioner Jenison to adjourn the meeting. Ayes: 5. Nays: 0. Motion carried.
