To: The City of Craig Development Dept

I am the homeowner at 445 Apple St.
I am not in favor of building additional
storage units on lots 444 + 455 Mack
Lane.

These additions would affect the
value of my property. More storage units
would not appeal to a prospective home
buyer.

We have had to contend with homeless
in the past seeking shelter in the units.
That raises a safety concern also.

The relocation of the Court house and
other business open on Mack Lane
will have additional traffic issues to
contend with.

I appreciate the opportunity to express
my concerns. I hope these will be
helpful in the decision making.

Sincerely
Karen Bunk
