Re: Award Bid for Woodbury Park Improvement Project

Bids were recently received for the Woodbury Park Improvement Projects on March 15. Two competitive bids were received. Duran & Pearce Contractors and Integrated Site Services Inc. Both contractors were actively engaged throughout the bid process.

Last year, a design of the core area around the new restroom/pavilion at Woodbury Park was implemented to increase user functionality and provide an increased area for patrons to have a more enjoyable park experience. Concrete pathways will be inserted along with multiple landscaping hatches throughout the area.

I would recommend City Council awarding the bid for the Woodbury Park Improvement Project to Duran & Pearce Contractors in the amount of \$423,097, as they were low bid on the project. A bid tabulation has been provided for your convenience.
