Hayden, CO 81639

*Re: Nomination to fill Seat Three - General Business*

Dear Yampa Valley Airport Commission:

Chris Nichols' term in Seat Three - General Business will expire on June 30th, 2023. Per the Yampa Valley Airport Commission IGA approved on August 13, 2020, the City of Craig nominates Randy Looper for appointment to Seat Three - General Business, a four-year term and Chris Nichols as the alternate.

The City of Craig was notified of the upcoming opening and during their June 13th, 2023 council meeting solicited recommendations to fill the upcoming openings.

Mr. Looper engages in various board and committees within the City of Craig and Moffat County and is recognized for his work supporting local business owners to both retain and expand their businesses in Craig and Moffat County. We know that Randy will be an engaged and valuable member of the YVAC and will be a thoughtful voice sharing the business community's perspective, as well as serving as an ambassador of the YVAC within our county's business community.

Please contact me via email at [pbrixius@ci.craig.co.us](mailto:pbrixius@ci.craig.co.us) if you have any questions.

Sincerely,

Peter Brixius  
City Manager  
City of Craig
