SUBJECT: Tandem Axle Dump Truck Cab and Chassis

We opened bids for the Road and Bridge Departments Tandem Axle Dump Truck Cab and Chassis on August 1st. Our budget for the cab and chassis is **\$180,000.00**.

We received 4 bid packets back, from Transwest Truck, Peterbilt of Wyoming and 2 from McCandless with different engines.

This truck will be replacing unit 1-41 (2013 Int'l Dump Truck), that is going to the Water Department, and we will be trading in unit 4-44 (2004 Mack Dump Truck).

The low bid was from Transwest Truck at **\$114,7275.00** for a 2025 Freightliner 114SD.

We recommend the award goes to Transwest Truck for the 2025 Freightliner 114SD for **\$114,275.00** they have met all specifications and are low bid.
