Date: August 1, 2023

To: City of Craig, City Council, and Craig City Manager

From: Moffat County Junior Livestock Sale Foundation

---

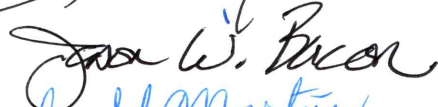

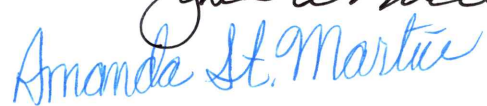

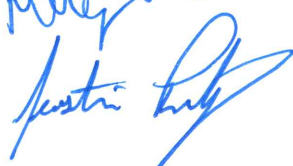

Moffat County Junior Livestock Sale committee would like to take this time to express our gratitude to all of you for your generous support during the Moffat County Junior Livestock Sale.

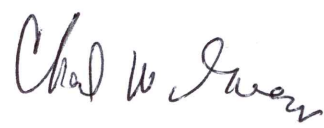

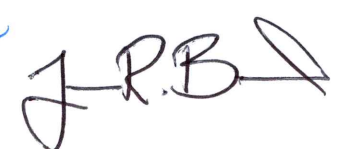

Over the past several years your generous add-on gift of \$5000, divided among all of the 4H and FFA youth selling an animal at the Junior Livestock Sale, has been instrumental in helping to defray some of the costs these hard-working youth face throughout their livestock project. Costs such as insurance, brand inspections, check-off fees, and sale commissions, not to mention the increase in upfront costs associated with the purchase of a project animal and the increase in feed costs. Yes, our youth face the difficult reality of inflation throughout their project.

Our nation's future relies on agriculture and our local 4H and FFA youth serve as a reminder that our future is bright. They understand that hard work and dedication goes a long way toward achieving a goal. With your continued support, our compassionate youth in agriculture are able to care for the well-being of their project animals, while learning many other valuable life skills such as: Leadership, critical thinking, decision-making, and effective communication.

The lifelong benefits of the 4H and FFA programs are only possible with the continued support of caring individuals like you. We are truly grateful for you!

Thank you,

Moffat County Jr. Livestock Sale Foundation
