To: City Council

From: Peter Brixius, City Manager

Date: 11/14/2023

Re: Award of Bid – EDA Award # 05-79-06111 Yampa River Corridor Project Construction

Dear Council:

Please find the Yampa River Corridor Project bid tabulation and Riverwise Engineering recommendation letter for the award of work to Diggin' It River Works for the completion of Schedule A which will be contingent upon further EDA approval, and award of work to Anson Excavating for the completion of Schedules B, C, and D. Both contractors plan to commence work as soon as possible.

The comprehensive project cost for all four Schedules totals \$3,275,504.80, falling below the total estimated cost for the project.

In the event that EDA does not approve of the modified Schedule A bid proposal submitted by Diggin' It River Works, we will come back to Council to recommend the next lowest, qualified bidder for award of Schedule A.

Respectfully,

Peter Brixius

RE: Recommendation for award of bids associated with EDA Award Number 05-79-06111 – Yampa River Corridor Project

Dear Mr. Brixius,
Riverwise Engineering, (RWE) reviewed the bids associated with the subject project in coordination with the City's consulting team. We understand the bids were opened on October 30, 2023. We contacted four references for Diggin It River Works and all references confirmed they are competent. We understand the City has worked with Anson Excavating on multiple projects and City staff confirmed their competency. Based on this information RWE recommends the following awards:

- Schedule A – Diggin It River Works (contingent upon EDA approval)
- Schedule B- Anson Excavating
- Schedule C- Anson Excavating
- Schedule D- Anson Excavating

Please feel free to call me with questions or concerns.

Sincerely,

Shane Sigle, PE
Riverwise Engineering, LLC

EDA AWARD # 05-79-06111 YAMPA RIVER CORRIDOR PROJECT
