HIGH DESERT

POLICE K-9 ASSOCIATION

Welcome to High Desert Police K-9 Association! We are a non-profit association offering training and certification for law enforcement K-9 teams, search and rescue teams, hospital security teams, and K-9 cadaver teams for smaller agencies/ organizations in Colorado, Wyoming, and Utah.

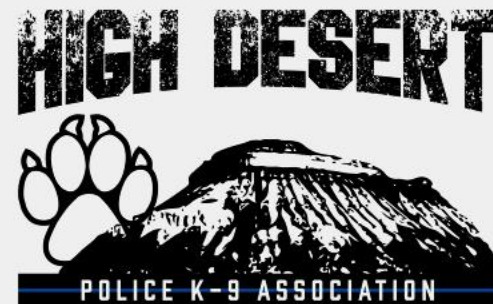

HDPK9A has trainers, instructors, a standards committee, and board of directors each with vast experience in all aspects of canine. Our certifications are based on real-life deployments and training aspects meeting standards of acceptable performance for all K-9 teams working in the industry. We offer certifications in all fields with one annual membership fee designed to fit your K-9 category. HDPK9A is proud to offer certifications and we strive to better the industry!

Through donations we are able to offer training to the members they may not be able to attend otherwise due to costs. Some of these trainings include case law, decoy seminars, narcotics detection, HRD, patrol training, tracking, and first aid.

The association also collects donations to help pay for medical care for the retired police dogs. When the dogs retire their expenses become that of the handler. The departments they worked for no longer pay any of the expenses. These dogs work hard throughout their careers. This can cause injuries or illnesses that last through retirement.

For more information or to donate go to highdesertk9.com, or scan the QR code above.

May 18th, 2024 at 9:00 am
Moffat County High School
Craig, CO
