Re: Award Recommendation for Tilt Deck Trailer

Replacement of (1) tilt deck trailer used by the Wastewater Department was proposed and accepted into the 2024 budget. In 2024 the current Wastewater trailer is not adequately rated for the department's new skid-steer loader. The total budget was \$19,000.00 with the City of Craig portion being \$19,000.00. Bid specifications were prepared, the bid was advertised, and bids were opened on February 28th, 2024. The bid included a tilt deck trailer with 14,000 GVWR.

We received three bid packets from the following: Western Slop Trailer Sales, Auto Parts of Craig, and West-Mark.

The attached bid tab was prepared. I recommend awarding the bid for the tilt deck trailer from Auto Parts of Craig in the amount of \$13,800.00.
