Dear Ms. Zelaya,

You are hereby advised that an investigation has been made with regard to your application for a Fermented Malt Beverage and Wine Liquor license. Based on the results thereof, the following has been determined:

1. The location of the premises for which the license is sought is 750 West Victory Way in Craig, Colorado. Completed application was received on March 19, 2024.
2. In the two years preceding the date of the application, there has not been a denial of any liquor license application for the reason that the reasonable requirements of the neighborhood were satisfied by the existing outlets.
3. It appears from the application documents that you are entitled to possession of the premises where you propose to exercise the license applied for, and that the possession will continue throughout the initial term of the license, if granted.
4. The sale of liquor on the proposed premises is not a violation of the City of Craig zoning, building and fire laws or regulations.
5. The proposed location does not appear to be within 500 feet from any public or private school or the principal campus of any college, university or seminary.
6. The City of Craig has designated the Neighborhood to be the city limits plus a six-hundred-foot radius. You, as the applicant, may accept that designation or present alternative evidence. You have satisfactorily presented adequate signatures on your petition to meet the needs of the Neighborhood and the desires of the adult inhabitants of the Neighborhood.
7. The background investigation results from CBI and FBI has produced no results which would cause character of the applicant to be part of this hearing.

Re: Family Dollar Stores of Colorado, LLC - Store #33924 Application for sale of beer and wine for off-premises consumption only ("Application")

Dear Mayor and City Council:

This firm represents Family Dollar Stores, LLC and its subsidiaries including Family Dollar Stores of Colorado, LLC, and we handle licensing matters for all Family Dollar locations and related entities nationally (collectively "Family Dollar").

This letter is being submitted for consideration in support of our pending application for a license for the retail sale of beer and wine for off-premise consumption only at the Craig Store located at 750 West Victory Way, Craig, CO 81625. As the license is being considered at the April 23, 2024 Council meeting, this information is being provided in support of Family Dollar's application.

Family Dollar is a family-oriented store that provides a wide range of food and other retail items to its' customers. Family Dollar locations that sell alcohol do not sell "discounted alcohol" and the beer and wine our customers have the option of purchasing for off-premises consumption is equivalent in price and quality to what one would find at any local grocery store. For additional information, please see the [linked weekly advertisement \(https://www.familydollar.com/weekly-ads\)](https://www.familydollar.com/weekly-ads) which provides a sampling of the wide range of products that Family Dollar offers to its' customers. Also, I wanted to provide some additional information relating to how serious Family Dollar takes its obligation to be a responsible seller, complying with all applicable statutes, ordinances, rules, and regulations.

First, in addition to any requirements imposed by the State or Local jurisdiction, Family Dollar has a vigorous internal training and auditing program to ensure strict compliance and zero tolerance for violations. These internal procedures include, but are not limited to, training on the following:

(a) Minimum age requirements and how those requirements apply. This includes the mandatory **use of hand-held scanners to verify birthdates** are within the range required to make the purchase.

(b) How to recognize and differentiate between authentic forms of identification, typically a driver's license, and counterfeit identifications.

(c) How to confirm the person presenting the identification is the person on the identification card.

(d) Sales Associates' rights to refuse to sell any alcoholic beverage to a person who appears to be intoxicated and how to communicate that refusal respectfully.

(e) Understanding the role and personal liability to guarantee compliance with all applicable rules and regulations with emphasis on Family Dollar's zero tolerance policy is strictly enforced.

(f) How to cooperate with Law Enforcement as a partner to ensure compliance with the law.

With specific attention to the City of Craig's local alcohol ordinances, Family Dollar will also train all associates on the local rules and regulations pertaining to off-premises selling including, but not limited to, (1) the duty to maintain a copy of the local ordinances on the premises; (2) duty to secure inventory when not legal to sale; (3) the limited hours for legal sales and any no sales days; (4) duty to maintain the premises and allow zero loitering or drinking in the parking lots, which is absolutely prohibited by Family Dollar, and (5) the duty to confirm proper legal identification and age (as noted above, Family Dollar uses handheld scanners as well). In sum, and as complimentary to other small business in the area, Family Dollar simply wishes to provide a safe, family-oriented option to those families who wish to purchase beer and wine for consumption with their meals at home, just like many other grocery stores.

In addition, Family Dollar uses internal auditing programs and proprietary software to assess abnormal activities which detect, deter, and prohibit any violations of rules and regulations. Further, Family Dollar locations licensed to sell off-premises are all equipped with surveillance cameras that monitor the cash registers, front doors, receiving, and stockroom areas. Based on these vigorous internal compliance matters and a culture of zero tolerance, Family Dollar is proud to say that from 2019 to 2022, the percentage of licensed locations cited for alcohol sales violations nationally averaged ***less than one and a half percent (1.5%) per year*** of all licensed locations. During that period, the highest percentage of cited licensed locations as less than two and a half percent (2.5%).

In conclusion, Family Dollar greatly appreciates the opportunity to conduct business in the State of Colorado and, specifically, in the City of Craig. Family Dollar respectfully requests that you approve the resolution to allow beer and wine sales for

Re: State Master File for FAMILY DOLLAR STORES OF COLORADO LLC  
Account # 03-13543

Dear Sir or Madam:

This is to advise you that the Colorado Liquor Enforcement Division ("Division") has, at your request, revised your "master file" for the above-listed Licensee.

As of the date of this letter, our master file includes the following items which you have submitted:

1. Individual History Records (Form DR 8404-I) for the following persons:

BARNETT, PETER A  
SPENCER, HARRY R  
ELDER, JONATHAN L

2. Fingerprint cards bearing the names and birth dates of the persons listed in paragraph 1, above. All the fingerprint cards have been submitted to the Colorado Bureau of Investigation. The CBI and FBI have checked the prints and reportedly found no record of any criminal history for those listed above.
3. Certificate of Authority or a Certificate of Good Corporate Standing from the Colorado Secretary of State which indicates that FAMILY DOLLAR STORES OF COLORADO LLC is a limited liability company authorized to do business in Colorado.

When filing a new application for additional licensed locations, you must check with the local licensing authority to determine what documents they may require to process your application. Please feel free to provide them with this letter, as many local authorities will not require you again to submit fingerprint cards to them if you have already submitted such documents to the Division. This letter will serve to inform the local authorities exactly which documents you have already submitted to the State Enforcement Division.

Finally, once the local authority has approved your new license or transfer of ownership application, it must be sent to the Division.

The local authority need not send change of corporate structure information previously reported to the Division, as listed in and approved by this letter.

The only documents which are needed for a new or transfer of ownership application by the Division are:

1. The approved application signed by the local authority;
2. The appropriate fees;
3. A copy of this letter;
4. Proof of possession of the premises;
5. A diagram of the licensed premises;
6. Completed form DR 8442, and an Individual History Record (DR-8404-I) if manager's registration is required.

Sincerely,

Michelle Stone-Principato
