

# FAMILY SNOWSHOWING

## AT ELKHEAD STATE PARK

### PROGRAM OVERVIEW:

Craig Parks & Recreation and Colorado Parks & Wildlife are excited to offer snowshoeing opportunities to family members within the community. We strive to spotlight the beneficial opportunities that outdoor recreation provides to enhance overall health and well-being for children of all ages.

On February 22nd and March 1st, we will meet up at the chosen location at Elkhead State Park to snowshoe from 10AM to 1PM. Each location will have accessible bathrooms and adequate room for vehicles to park.

We plan on having a minimum of 2 separate trips. Elkhead offers a variety of easy to moderate trails that interconnect, so if a family has the desire to keep going past the planned trail, that freedom is there. The family snowshoeing program is designed to be fun, enjoyable, and approachable so that anyone feels they can do it without hesitation. Seize the snow!

### HOW TO PARTICIPATE:

Interested participants must contact Travis Sanford with City of Craig Parks & Recreation to reserve a spot. All reservations are on a first come, first serve entry until the program is filled. Please note that this program is limited to a maximum of 8 participants per trip.
