### **About Jesse Jackson**

I am a long-time resident, since 1988. I graduated from MCHS in 1993. I met my wife Marla here. I've raised my two children, Leah, and Catcher, here. I feel family is important. I enjoy all sports, coaching local youth when I can. I enjoy golfing at the YVGC. I like having BBQ's with friends and family, enjoying the great summer weather we have. I feel honesty and transparency are important. Both of which are values that I try to live by.
