### **Refuse Customer Information:**

Your can will be delivered and positioned as it needs to be for collection. Collection can handles and the wheels on the can must face away from the street, so that can opens facing the truck. There needs to be at least a 3-4' clearance around the can for our automated truck to empty the can. Please be sure to have your can in this location by 6:00 a.m. on your day of service. Be sure to keep the lid closed. Your can may be used for normal bagged household waste, cut up or broke down boxes, and bagged yard clippings.

*Beginning January 1st, 2024 additional trash left outside the city provided wheel cart will no longer be picked up at no charge. To request an additional pick-up, call (970) 826-2005. Additional pick-up cost is \$5 for can only. Please give 24-hour notice.*

Please **DO NOT** use your can for the following: *Ashes, Rocks, Construction Debris, Dirt, Concrete, Oil, Paint, Chemicals, Auto Parts, or Dead Animals*. Be sure that you do not overfill your can, as the truck will be unable to empty the can completely.
