<u>County Sales Tax –</u> 61% received YTD. 10% or \$95,490 increase from prior year. This accounts for collections through July because the state collects county sales tax and remits to us, but it is 2 months behind reporting period. Tax is running 10% above last year and budget.

<u>City Sales Tax –</u> 72% received YTD. 16% or \$720,078 increase from prior year. YTD, City Sales Tax is running about 15% over budget and 16% over prior year. This time last year, we had waived penalties and interest because of COVID and state mandates. <u>Parks and Recreation Charges for services</u>- these are primarily summer activities, so it is expected that they will not be evenly distributed throughout the year when compared to budget. Variances of most note will be year to year comparison variances.

<u>Pool Admissions – 95%</u> received YTD. 24% or \$8,654 increase over prior year.

Pool Swim Lessons – 65% received YTD. 215% or \$7,087 increase over prior year.

Pool Passes – 148% received YTD. 100% or \$19,280 increase over prior year.

Pool Concessions – 100% received YTD. 34% or \$6,354 increase over prior year.

All variances in pool related revenues can be attributed to COVID and change in operations for 2020 for the swimming complex.

<u>Recreation Youth Sports –</u> 80% received YTD. 99% or \$17,221 increase over prior year. Again, this is both seasonal related and a direct result of COVID. Youth sports growth continues with strength after the cancellation of many activities in 2020.

<u>Recreation Special Events</u> – 102% received YTD. \$81,860 increase over last year. Whittle the Wood did not happen in 2020.

To this point in the year, revenues for 2021 are up by 18%, or \$1,469,301 over 2020 (\$8,320,907) and expenditures are up 13%, or \$975,940 over 2020. There are some major projects happening in 2021, so it is expected that the expenditures are going to continue to be up when compared to prior year.

At the end of August, having 69% of the budgeted revenues received and 46% of the budgeted expenditures spent is expected and a normal pattern for the City's financials on an annual basis. Fund Balance for the general fund started the year with \$9.8 million, \$6.7 of which was unreserved. Current fund balance is \$11.2 million of which \$6.9 is unreserved.

As we near closer to the end of the year, the monthly focus will shift from comparing year over year to analysis of year to date compared to budget variances.
