The COUNTY OF DAUPHIN, Pennsylvania (the "County"), a municipality existing under laws of the Commonwealth of Pennsylvania (the "Commonwealth"), for value received, acknowledges itself to be indebted to and promises to pay to the COMMONWEALTH OF PENNSYLVANIA, DEPARTMENT OF TRANSPORTATION, or registered assigns, the principal sum of FOUR MILLION TWO HUNDRED SEVENTY-TWO THOUSAND SEVEN HUNDRED TWENTY-THREE AND 00/100 Dollars ($4,272,723), and to pay interest on the unpaid principal balance at the rate of One and Six Hundred Twenty-Five thousandths percent (1.625%) per annum (calculated on the basis of actual days elapsed over a 365 or 366-day year, as applicable) payable on, and with interest calculated, as follows:

(a) from the date of execution hereof to and including _______, 2023, annual installments of $_______, on the ______ day of each year, beginning December ____, 2014 (interest due on any payment date shall be calculated on the balance of the principal sum hereof which remained unpaid immediately following the preceding payment upon the principal sum hereof and then to principal); and

(b) on December ____, 2023, the balance of the outstanding principal sum hereof, if any, together with accrued interest thereon.

Payments of principal hereof, in whole or in part, and of interest hereon shall be made in any coin or currency of the United States of America which, at time of payment, shall be legal tender for payment of public and private debts, at the office of the First National Bank (the "Paying Agent" which term shall include any duly appointed alternate or successor paying agent), in Harrisburg, Pennsylvania. So long as the Commonwealth of Pennsylvania, Department of Transportation shall be the registered owner hereof, payment of any part of the principal of and interest on this Note by or in behalf of the County shall be valid and effective to satisfy and discharge fully the obligations of the County or its Paying Agent, with respect to such payments of principal and interest, without surrender hereof to the Paying Agent for appropriate notation upon the Payment Record attached hereto and made part hereof. So long as the registered owner hereof shall not be the Commonwealth of Pennsylvania, Department of Transportation, payment of any part of the principal of and interest on this Note shall be made only upon surrender hereof by the registered owner at the office of the Paying Agent (or the office of any successor paying agent) for appropriate notations with respect to such payments and any unrecorded prior payments upon such Payment Record. Notations upon such Payment Record with respect to payments of principal and interest shall satisfy and discharge fully the obligations of the County with respect to such payments of principal and interest, and such notations upon such Payment Record shall be conclusive and binding upon the registered owner hereof. Final payment of principal and interest appertaining hereto shall be made only upon complete surrender hereof to the Paying Agent.
This Note is a revenue note of the County, known generally as “Liquid Fuels Revenue Note, Series of 2013 (Dauphin County Infrastructure Bank)” (the “Note”), in the principal amount of $4,272,723.

This Note is issued in accordance with provisions of the Local Government Unit Debt Act, 53 Pa. C.S. § 8001 et seq., as amended and supplemented (the “Debt Act”), and by virtue of a duly enacted Ordinance (the “Ordinance”) of the Board of Commissioners of the County. The Debt Act, as such shall have been in effect when this Note was authorized, and the Ordinance shall constitute a contract between the County and the registered owner, from time to time, of this Note.

This Note is issuable only in the form of a fully registered Note, without coupons. This Note, immediately upon execution and delivery hereof by the County, shall be registered, both as to principal and interest, in the name of the owner, on records of the County to be kept for that purpose by the Paying Agent, such registration to be noted hereon by a duly authorized representative of the Paying Agent. After such registration, no transfer hereof shall be valid unless made by the registered owner hereof in person or by his duly authorized agent or legal representative and similarly noted upon said records and hereon. Rights of any registered owner hereof, subsequent to the initial registered owner hereof, shall not exceed rights of the predecessor registered owner hereof.

The principal hereof is subject to prepayment, at the option of the County, as a whole, or, from time to time, in part, on any date, in any amount, in each case upon payment of the principal amount thereof, together with accrued interest to the date fixed for prepayment. The registered owner hereof, by acceptance hereof, agrees that any such prepayment may be made by the County without any prior notice, of any nature whatsoever, to the registered owner hereof.

If less than all of the outstanding principal amount of this Note is prepaid, such prepayment shall be applied to the installment of principal last to become due and shall not affect the obligation of the County to pay the remaining installments of principal and interest as scheduled under this Note; provided, however, if the County makes any prepayment of $25,000 or more of principal, the County shall have the option to have this Note reamortized based on the outstanding principal remaining at that time.

No recourse shall be had for the payment of the principal of or interest on this Note, or for any claim based hereon or on the Ordinance against any member, officer or employee, past, present or future, of the County or of any successor body, as such, either directly or through the County or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise and all such liability of such members, officers or employees is released as a condition of and as consideration for the issuance of this Note.

It hereby is certified that: (i) all acts, conditions and things required to be done, to happen or to be performed as conditions precedent to and in issuance of this Note or in creation of the debt of which this Note is evidence have been done, have happened or have been performed in due and regular form and manner, as required by law; and (ii) the debt represented by this Note, together with any other indebtedness of the County, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by the County.

The principal of and interest on this Note shall be payable only from certain receipts, revenues and moneys of the County deposited in the County Liquid Fuels Tax Fund, and from any other receipts, revenues and moneys available therefor, as provided in the Ordinance.

The County, in the Ordinance, has established a sinking fund with the Paying Agent, as the sinking fund depository, into which funds for the payment of the principal of and the interest on this Note

shall be deposited not later than the date fixed for disbursement thereof. The County has covenanted in the Ordinance to make payments out of such sinking fund or out of any other of its revenues or funds, at such times and in such annual amounts, as shall be sufficient for prompt and full payment of all obligations of this Note.

Capitalized terms used in this 2013 Note but not defined herein shall have the meanings assigned to them in the Ordinance.
