As legal parent or guardian or patient (18 years of age and older) I consent to the following statements:

- The above named may receive services at The Center for Youth Health & Wellness (CYHW) for one year following the date of the signature below.
- Any changes to this consent, including ending the consent, must be submitted in writing to The CYHW staff.
- The Center for Youth Health & Wellness and my child's primary care provider may exchange health information for continuity of care according to State and Federal laws.
- The Center for Youth Health & Wellness may obtain information from area school districts regarding child's grades, disciplinary action, and/or school attendance for program evaluation purposes.
- For the safety of my child, The Center for Youth Health & Wellness staff may share with school staff your child's check-in and check-out times at the school linked clinic.
- My child's medical and/or mental health records may be chosen, at random, as part of the clinical review process. This is required under the Center for Youth Health & Wellness's Continued Quality Improvement Plan. Records may be reviewed for quality assurance purposes. Records are only reviewed by the Directing Physician or peer clinician. All reviewers are bound by the same strict confidentiality and HIPAA regulations as our staff.
- I am under no obligation to have my child use the clinical services.
- The Center for Youth Health & Wellness may disclose protected health information regarding all visits to other entities for continuation of treatment, payment, and health care operations. If required by law, separate release forms will be used at the time of service. Billing information will be shared to the providers of care.
- I have been provided a copy of the Notice of Privacy Practices and Patient Bill of Rights.
- I understand that no patient will be turned away for lack of insurance.

Services provided at Center for Youth Health & Wellness include:

- Wellness exams & sports physicals
- Immunizations
- Concussion baseline & post-accident testing
- Nutrition Counseling
- Asthma, diabetes & weight management
- Pregnancy & STI counseling and testing
- Reproductive health services
- Acute care for sore throat, ear pain, non-emergent injuries, etc.
