### **E. Public Hearing**

1. Conduct a public hearing to discuss and consider a recommendation of demolition for 600 and 604 Peggs Dr. DeSoto, Texas pursuant to Art. 3.700 of the City of DeSoto Code of Ordinances
2. On 06/01/2023 the Building Official was notified by a concerned citizen that the property Located at 600 and 604 Peggs Dr. in DeSoto Texas has been sitting idle with no construction work being performed to complete the project. Upon an investigation by the Building Official, it was determined that the property is not suitable for occupation, and the building permits had expired. A placard was placed on the property notifying the property owner and public of the unsafe structure. A certified letter was mailed to the property owner of record per the Dallas County Appraisal District. This letter alerted the property owner of the concern of an unsafe/sub-standard structure. The owner contacted building to renew the permits for both properties. A new permit was established on 7/10/2023. A building permit is valid for 180 days and becomes expired upon no work or inspections being performed. The property is currently at a stage that has become a nuisance and detriment to the neighborhood. Code Enforcement has sent numerous Notice of Violation letters for high grass and trash and debris. Citations have been issued to the owner of record. Both permits are currently expired.

Building Official Douglas Key gave staff report  
Property owner was not present
