PUBLIC OPEN HOUSE NOTICE:

City of Elmhurst Neighborhood Traffic Study

The City of Elmhurst conducted a traffic study in your neighborhood this past Fall. The study reviewed traffic safety on local streets in your neighborhood. Specifically, the area bounded by Madison Street, Spring Road, St. Charles Road, and York Street were studied (*see map on backside of this notice*). A consultant traffic engineering firm, KLOA, collected data on streets traveled, flow of vehicles, traffic control signs, and speeds. Historical traffic accident data were also analyzed.

Please join us for a Public Open House on **Wednesday, February 28th** where the preliminary findings from this study will be available for public review and comment. With the Public Open House format, you can come at any time between **5pm – 7pm** to see exhibits and talk with City and KLOA staff.

Where: **Elmhurst City Hall
