## Stormwater Management Incentive Program Reimbursement Request

The City of Elmhurst provides a one-time only reimbursement, not to exceed \$5,000, at the rates established in the Elmhurst Municipal Code, to homeowners who choose to install stormwater management systems. Homeowners are required to hire their own contractor and obtain applicable permits. Stormwater management systems that are a required element of another permit are not eligible for reimbursement. Likewise, stormwater management systems that have received a reimbursement cannot be used to meet the stormwater management requirements of a future permit.

**All invoices to be considered for reimbursement must include the following details pertinent to the construction of the stormwater management system.**
