Reading, PA

Re: Clubhouse Renovation

Dear Supervisors:

The owner of the property, Bella Development LLC, is requesting an extension to the plan for an additional 3 months, to extend the plan to August 16, 2023. The owner needs to upgrade the existing service for a sprinkler system the Fire Marshal is requesting or provide calculation that the existing 2" service is adequate to provide the required fire flows. Please see the attached E&S approval for the project

Thank you for your consideration,

Daniel H. Laudenslayer PLS
