General Mental Health/Substance Use Disorder
(anxiety, depression, burnout, relationships, stress, work issues)

Provider ¹	Alma	brightline [™]	Brightside	growtherapy	Headway
	secure.helloalma.com/providers-landing All ages	hellobrightline.com/benefits Ages 18mos-17	brightside.com/insurance Ages 18+	growtherapy.com All ages	headway.co All ages
Description	Alma connects you with a diverse national network of therapists and psychiatrists who fit your budget, schedule and needs. Search Alma’s directory by age, gender, race, ethnicity, sexual orientation, specialty, therapeutic style, specific concerns and more. In-person and virtual sessions are available.	Brightline is a pediatric and family mental/behavioral health company that delivers experienced, evidence-based support to kids and teens up to age 18, as well as to parents. Families can book convenient sessions with their licensed providers. They also have 24/7 access to a robust library with searchable articles, and other digital tools.	Brightside offers personalized anxiety and depression care from the comfort of home, with evidence-based therapy, medication and support of expert providers at every step.	Grow’s mission is to get more people into therapy by bridging the gap between therapists and people seeking mental health care. Customers can search for and choose a unique, qualified therapist who accepts their insurance, identifies with them and specializes in the areas of their life that they would like to focus on. In-person and virtual sessions are available.	Headway is an online virtual and in-person therapy and medication management service that matches licensed mental health practitioners with patients based on their unique needs. Customers are able to book appointments in real time.

Behavioral Virtual Providers

General Mental Health/Substance Use Disorder
(anxiety, depression, burnout, relationships, stress, work issues)

Provider ¹	MDLIVE[®] An Evernorth Company mdlive.com/EvernorthBehavioralCare Ages 10+	 meru health meruhealth.com/cehealth Ages 18+	 Rula www.rula.com/partner Ages 5+
Description	MDLIVE allows users to talk to a therapist or psychiatrist via video only (for behavioral services). These providers can provide therapy, diagnose, treat and prescribe medications for many common mental health conditions during non-emergency situations. Users do not gain direct access to a provider; they need to schedule a day/time for their appointment.	Meru Health is an app-based treatment program for depression, burnout and anxiety that combines technology, evidence-based therapy and daily support from licensed clinicians to help people improve their mental health.	Rula matches you with a high-quality licensed therapist who’s right for you based on what you’re looking for (e.g., gender, race, specialty). Video appointment availability includes evening and weekend appointments. Sessions are available for individuals, couples and families.
