DRAFT MINUTES

MEMBERS PRESENT: First Selectwoman Brenda L. Kupchick, Selectman Thomas M. Flynn, Selectwoman Nancy E. Lefkowitz OTHERS PRESENT: Attorney Steven Mednick, Town Attorney James Baldwin, CRC Commissioner John Wynne, CRC Commissioner Pamela Iacono, FairTV

1. CALL TO ORDER

First Selectwoman Kupchick called the meeting to order at 2:00 pm.

2. PLEDGE OF ALLEGIANCE

First Selectwoman Kupchick led the Pledge of Allegiance.

3. PUBLIC EXECUTIVE SESSION

TO HEAR, CONSIDER AND ACT UPON BOARD OF SELECTMEN RECOMMENDATIONS FOR FURTHER CONSIDERATION BY THE CHARTER REVISION COMMISSION (SEE ATTACHED RESOLUTION)

First Selectwoman Kupchick said that yesterday the BOS finished identifying items to send back to the CRC. She said today, the BOS will review and discuss the draft list of items and then vote on each item to send back to the CRC.

The BOS went through the resolution article by article, and the votes are below. The full and detailed discussion on these items can be accessed through the link to the meeting recording above.

RECOMMENDATIONS TO THE CHARTER REVISION COMMISSION, PURSUANT TO C.G.S. §7-191(b)

WHEREAS, the Charter Revision Commission (hereinafter, "Commission") submitted its draft report to the Town Clerk on June 20, 2022 ("Draft Report"); and,

WHEREAS, the Board of Selectpersons has engaged in public meetings with members of the Commission and has conducted a Public Hearing on the Draft Report in accordance with C.G.S. §7-191(b) and considered and reviewed said Draft Report; and,

WHEREAS, the Board of Selectpersons generally accepts the substantial content of the Draft Report favorably; and,

WHEREAS, pursuant to C.G.S. §7-191(c) the Board of Selectpersons, as the appointing authority of the Charter revisions is authorized to make recommendations to Commission for modifications of the Draft Report; and,

WHEREAS, the Board of Selectpersons does have a number of issues in the Draft Report that should be added, modified or deleted.

NOW, THEREFORE, BE IT RESOLVED BY BOARD OF SELECTPERSONS OF THE TOWN OF FAIRFIELD: That the Charter Revision Commission consider the following recommendations and alterations to its Draft Report:

Item 1: Article I, §1.4: Review Definitions: Including, but not limited to the definitions of "Board and Commission", "Contract", "Ordinance" and "Regulation" adding a definition for "Vacancy" and "Appointing Authority" (Article VI, §6.4.A) as well as a general review of the definitions necessary to ensure clarity and consistency.

Selectman Flynn made a motion to approve Item 1. Selectwoman Lefkowitz seconded the motion. The motion carried unanimously.

Regarding the WHEREAS clauses listed above, Selectwoman Lefkowitz made a motion to remove the third WHEREAS clause above "(WHEREAS, the Board of Selectpersons generally accepts the substantial content of the Draft Report favorably; and,)".

First Selectwoman Kupchick seconded the motion for discussion purposes.

Attorney Mednick explained the meaning of the third WHEREAS.

Regarding the third WHEREAS clause listed above, Selectwoman Lefkowitz made a motion to strike the word "substantial" from the third WHEREAS.

The motion carried unanimously.

Item 2: Article I, §1.4(8): Elected Town Official. Please consider including the RTM within the definition as an Elected Town Official and making modifications throughout the Charter accordingly.

Selectwoman Lefkowitz made a motion to approve Item 2. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 3: Article I, §1.5. Please review "Standards of Conduct" in order to determine whether these provisions should be Ordinances rather than Charter provisions.

Selectwoman Lefkowitz made a motion to approve Item 3. Selectman Flynn seconded the motion.

Selectwoman Lefkowitz said she would like to add a line to the above sentence giving the CRC the ability to modify the Standards of Conduct language so it's not limited in a binary way and to feel more modern.

First Selectwoman said Standards of Conduct is already in the Charter. Selectwoman Lefkowitz asked if this should be moved from the Charter to ordinance. Town Attorney James Baldwin said the proposed language is verbatim to the existing language in the current Charter. He said it's a question of whether language can be supplemented or improved by ordinance which he said it can. He said it doesn't extinguish RTM's right to add or modify the terms.

Selectman Flynn clarified that this is a vote by the BOS to send back to the CRC to decide if Standards of Conduct should be in the Charter or not and assuming it stays in does the CRC want to change any of the language of the Standards of Conduct in any form.

Selectwoman Lefkowitz feels the Standards of Conduct language can be made more inclusive. Town Attorney Baldwin suggested Selectwoman Lefkowitz give the CRC specifics on what language she would like to see in the Standards of Conduct.

The motion failed unanimously.

Item 4: Article I and Generally. Please review (a) §1.6 "Rules of Order and Civility (general review of provision based on public testimony and comment); (b) §1.7 Open Meetings and Public Records (for redundancy); and (c) Diversity, Equity and Inclusion (whether a standard of Town-wide application can be developed). In furtherance of the discussion on "open meetings" please consider removing the "open meeting" requirement from Article III, §3.4.B. In the alternative establish a public meeting standard that establishes a context under FOIA, including the necessity, from time to time of executive sessions.

Selectwoman Lefkowitz made a motion to approve Item 4. Selectman Flynn seconded the motion.

The motion carried unanimously.

Item 5: Article I, §1.6.C(1). Counsel recommends review order to consider authorizing the RTM to adopt rules which supersede Robert's Rules; in effect utilizing Robert's as a default in the event there is no rule or a rule requiring parliamentary interpretation.

First Selectwoman Kupchick made a motion to approve Item 5. Selectwoman Lefkowitz seconded the motion.

Attorney Mednick said the language is redundant and is already in the current Charter.

The motion failed unanimously.

Item 6: Article II, VII and VIII. Please consider reformatting current charts for readability and consistency.

Selectwoman Lefkowitz made a motion to approve Item 6. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 7: Article II, §2.3.A(1) and (2), §2.3.C(1)(a) and (b) and throughout the Charter. Please review the necessity of separating the First Selectperson from the Board of Selectpersons.

Selectwoman Lefkowitz made a motion to approve Item 7. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 8: Article II, §2.3.B and C.1(c) and Article III, §3.2.A(1)(c). Please review the issue pertaining to the number of RTM members.

Selectman Flynn made a motion to approve Item 8. Selectwoman Lefkowitz seconded the motion.

There was a discussion on keeping the membership at 40, decreasing the number of RTM members and not much supporting documents showing why membership should be decreased.

The motion carried unanimously.

Selectwoman Lefkowitz made a motion to add a recommendation for the CRC to consider allowing the RTM to hire its own outside counsel. There was no second.

Item 9: Article II, §2.6.D. Please review the issue of filling a vacancy on the Board of Selectpersons

First Selectwoman Kupchick made a motion to approve Item 9. Selectwoman Lefkowitz seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to add a recommendation to the CRC to look at the terms of the BOS and the number of members which she thinks should be increased to five. First Selectwoman Kupchick seconded the motion.

The motion failed 1-2-0 (Selectwoman Lefkowitz in favor).

Item 10: Article III, §3.3.G. Please review the issue of defining the role of the Parliamentarian.

Selectwoman Lefkowitz made a motion to approve Item 10. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 11: Article III, §3.6.B. Please review the issue of the time-frame for holding of referenda.

Selectwoman Lefkowitz made a motion to approve Item 11. Selectman Flynn seconded the motion.

Selectwoman Lefkowitz said this is an opportunity to add a line that's more inclusive for the entire community to create longer amount of time for people to get to the polls.

The motion carried unanimously.

Selectwoman Lefkowitz made a motion made a motion to add a review by the CRC of a reapportion of voting districts. Selectman Flynn seconded the motion.

Selectwoman Lefkowitz explained this motion refers to providing clarity to the RTM on that body voting on polling locations and to hear from RTM members on this.

The motion failed 1-2-0 (Selectwoman Lefkowitz in favor).

Item 12: Article IV, §4.2.B(1)(a). Please (a) review the provision pertaining to the approval of Board of Education by the Board of Selectpersons; and (b) consider lowering the threshold from \$100,000 to \$50,000.

Selectwoman Lefkowitz made a motion to approve Item 12. Selectman Flynn seconded the motion.

Selectman Flynn asked if the attorneys and the CRC will make sure any of the language is consistent with State Statute requirements. Attorney Mednick answered yes. Selectwoman Lefkowitz said there is concern around the added level of oversight of the BOE by the executive body on purchasing and contracts and asked that this can be looked at broadly under either Item 12 or Item 13. First Selectwoman Kupchick said that may not be correct and there are two issues here. She clarified there was one issue raised that there is basic language in the existing Charter that states BOE items go through the Town's Purchasing department and another issue regarding additional language relating to State Statutes that were clarified among the attorneys and BOE attorneys. Attorney Baldwin said he will make sure sections pertaining to contracts are consistent with State Statutes.

Selectman Flynn said he respects the separation of the Town and BOE and the Town shouldn't go over the line of the BOE's independence, but at the same time, he stated the Town has a fiduciary responsibility when approving BOE contracts with requested Town funding so nothing falls between the cracks.

The motion carried unanimously.

Item 13: Article IV, §4.3.B(5) and (8). Please review (a) the capital plan issue in sub-par (5) and compare to sub-par (6) for redundancy and coordinate with the budget function in Article IX; and, (b) the staffing issues in sub-par (8).

Selectman Flynn made a motion to approve Item 13. Selectwoman Lefkowitz seconded the motion.

There was a discussion surrounding the timing of reviewing the operating budget and capital planning which led to amendments regarding Items 13 and 24.

Selectwoman Lefkowitz made an amendment to add Item 24 (Item 24: Article IX. Please review the budget timeline) to the discussion on Item 13 and to change the word "staffing" to "reporting" and add sub-par (paragraph) 4 to Item 13. Selectman Flynn seconded the amendment which carried unanimously.

Selectman Flynn made a motion to amend Item 24 to read "Please review the budget and Capital planning timeline". Selectwoman Lefkowitz seconded the amendment which carried unanimously.

The amended motion carried unanimously.

Item 14: Article IV, §4.3.C(3). Please review the "Mediation and Resolution clause in order to achieve clarity of purpose.

Selectwoman Lefkowitz made a motion to approve Item 14. Selectman Flynn seconded the motion and suggested removing the word, "Resolution". The motion carried unanimously.

Item 15: Article IV, §4.3.F: Town Administrator. Please consider: (a) Delineation of duties; (b) Appointment or approval by the Board of Selectpersons; (c) change of title to Chief Administrative Officer. (d) codify reporting obligation to the Board of Selectpersons; or, (d) other ways and means to clarify the role in government.

Selectwoman Lefkowitz made a motion to approve Item 15. Selectman Flynn seconded the motion.

Selectman Flynn made a motion to amend Item 15 by removing "(b) Appointment or approval by the Board of Selectpersons;" and "(d) other ways and means to clarify the role in government."

Selectwoman Lefkowitz said she will support the amended motion, but wants to be sure her position is clear that the CRC should review this recommendation as written in its entirety for the purposes of conversation and evaluation and to look again at the rationale of having this appointment approved by the Board of Selectpersons.

Selectman Flynn said his rationale in removing these two items is because they are redundant.

First Selectwoman Kupchick seconded the motion for the amendment which carried 2-1-0 (Selectwoman Lefkowitz opposed).

The amended motion carried unanimously.

Item 16: Article V, §5.2.F and Article VII, §7.17. Please review the elimination of the Constables as elected Officials.

Selectwoman Lefkowitz made a motion to approve Item 16. First Selectwoman Kupchick seconded the motion.

First Selectwoman Kupchick said she doesn't think this should go back to the CRC. She said the Constables deal with sensitive matters and the Probate Court should have a say in who handles the sensitive issues they deal with daily. She said to leave this the way it is. Selectman Flynn said to continue to have Constables who the Probate Court wants to work with.

The motion failed 0-3-0.

Item 17: Article V, §5.5. Please review whether there is a continued role for the Board of Finance on the issue the assessment system?

Selectman Flynn made a motion to approve Item 19. Selectwoman Lefkowitz seconded the motion.

Selectman Flynn said with the advancement in technology, this system is no longer needed and in conflict with what the State is requiring.

The motion failed 1-2-0 (Selectwoman Lefkowitz in favor).

Item 18: Article V, 5.7.B(1). Is there a difference between a Master Plan and POCD?

Selectwoman Lefkowitz made a motion to approve Item 18. Selectman Flynn seconded the motion.

The motion carried unanimously.

Item 19: Article VI, §6.1.A. Please review whether the Elector requirement should attach to the position of Town Attorney.

Selectman Flynn made a motion to approve Item 19. Selectwoman Lefkowitz seconded the motion.

The BOS discussed the Town Attorney not needing to be an elector of the Town. Selectwoman Lefkowitz would like to change language to say "may be" which she stated for the record but wasn't voted on.

The motion carried unanimously.

Item 20: Article VI, §6.10. Please review whether the Board of Selectperson, by majority vote, may also introduce Ordinances creating Boards and Commissions and clarify the authority of the Board of Selectpersons introduce Ordinances of this nature.

Selectwoman Lefkowitz made a motion to approve Item 20. Selectman Flynn seconded the motion. The motion failed unanimously.

Item 21: Article VII, §7.5. Please review the status of the Town Treasurer.

Selectwoman Lefkowitz made a motion to approve Item 21. Selectman Flynn seconded the motion. The motion failed unanimously.

Selectwoman Lefkowitz made a motion to have the CRC reevaluate the Chief of Staff position as an appointed Town Officer and remove it from the Charter. There was no second.

Selectwoman Lefkowitz made a motion to include as an officer appointed by the Board of Selectpersons a Diversity Equity Inclusion (DEI) Officer. Selectman Flynn said all three of the BOS tried to put this position in this year's budget, but it was not approved by another town body. First Selectwoman Kupchick said she had included this position in her proposed budget this year, but the Board of Finance didn't approve it. She said she will continue to try to institute this position in her budget. Selectwoman Lefkowitz said she doesn't agree with this characterization on how the position not approved was played out. There was no second.

Item 22: Article VIII, §8.16. Please continue to review additional requests from the Board of Library Trustees and CFO.

Selectwoman Lefkowitz made a motion to approve Item 22. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 23: Article IX, §9.1.A. Please consider moving the cooperation provision to Article I.

Selectwoman Lefkowitz made a motion to approve Item 23. Selectman Flynn seconded the motion. The motion carried unanimously.

Item 24: Article IX. Please review the budget timeline.

Item 24 was already discussed along with Item 13.

Item 25: Article IX, §9.3.B. Please re-evaluate the role of the FS as convener of the Joint Meetings.

Selectman Flynn made a motion to approve Item 25. Selectwoman Lefkowitz seconded the motion.

Selectman Flynn made a motion to amend Item 25 to say Joint "Budget" Meetings. Selectwoman Lefkowitz seconded the amendment which carried unanimously. The main motion, as amended, carried unanimously.

Item 26: New. (a) Please consider creating an on-going body to consider government reform measures; (b) Adding a DEI Officer; (c) Addressing Open Space and DEI; (d) DEI Commission.

Selectwoman Lefkowitz made a motion to approve Item 26. First Selectwoman Kupchick seconded the motion.

The motion failed 1-2-0 (Selectwoman Lefkowitz in favor).

Item 27: Generally. Please continue to review and approve (a) all errata, scrivener's corrections [including, but not limited to Article III, \$3.2.A(1)(d) and (e)] and restored language for final approval by the Board of Selectpersons; and, (b) the effective date provisions (Article X, \$10.5) in order to facilitate the implementation of any revisions.

Selectwoman Lefkowitz made a motion to approve Item 27. Selectman Flynn seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to see if there was anything in the Charter that hasn't been discussed, deleted or captured by the deadline. Selectman Flynn seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to review 2.3d and 4.2a. The provisions are consistent. First Selectwoman Kupchick seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to add the term "or the Town" to 4-2,4-c as it was in the old Charter. Selectman Flynn seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to add the term "willing" to the sentence in 4.3b (12). Selectman Flynn seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to add an Item for the CRC to review the role and responsibilities of the Town Attorney. Selectman Flynn seconded the motion. The motion failed 1-2-0 (Selectwoman Lefkowitz in favor).

Selectwoman Lefkowitz made a motion under Town Attorney appointment and qualifications, Section 7.2A, to add "and approved by the Board of Selectmen".

BE IT FURTHER RESOLVED: That the Board of Selectpersons authorizes the Town Attorney and Counsel to the CRC and Board of Selectpersons to continually review the document for errata and other non-substantive editorial revisions, subject to the approval of the Commission and final review and approval by the Board.

BE IT FURTHER RESOLVED: That the Board of Selectpersons ratifies the filing of the Draft Report to the Town Clerk on June 20, 2022, as consistent with the intent of the Board of Selectpersons as specifically addressed in its proceedings on August 30, 2021, clearly articulated to and understood by the Charter Revision Commission and the public during the first phase of the charter revision process; and, by the resolution in compliance with the statutory obligations set forth under C.G.S. §7-190(b).

Selectwoman Lefkowitz asked if the sentence "BE IT FURTHER RESOLVED: That the Board of Selectpersons authorizes the Town Attorney and Counsel to the CRC and Board of Selectpersons" is needed. She asked if this resolution would still work without this sentence.

Selectwoman Lefkowitz made a motion to remove the last two paragraphs (the BE IT FURTHER RESOLVEDs) to be separated out into their own resolutions. She said she'd have to reject the entire resolution if the resolution's last two paragraphs are kept in.

Selectwoman Lefkowitz made a motion to strike the last two paragraphs and move them into their own separate resolution. First Selectwoman Kupchick seconded the motion.

Attorney Mednick suggested separating the sections of the resolution into parts A (votes on each article), B (the first "BE IT FURTHER RESOLVED") & C (the second "BE IT FURTHER RESOLVED").

Selectman Flynn made a motion to say, "be it resolved the BOS are voting to approve the Items that were approved in Part A. First Selectwoman Kupchick seconded the motion. The motion carried unanimously.

Selectman Flynn made a motion to call the first "BE IT FURTHER RESOLVED" Part B. First Selectwoman Kupchick seconded the motion. The motion carried 2-1-0 (Selectwoman Lefkowitz opposed).

Selectwoman Lefkowitz wanted to state for the record that she did support the recommendations in Part A, but is opposed to the language in Part B.

Selectman Flynn made a motion to call the second "BE IT FURTHER RESOLVED" Part C. First Selectwoman Kupchick seconded the motion. The motion carried 2-1-0 (Selectwoman Lefkowitz opposed).

Selectwoman Lefkowitz said for the record that she is not supporting the second "BE IT FURTHER RESOLVED" because she said it's a mischaracterization. She said she has no interest in derailing the work of the CRC. Her full comments are on the recording.

The BOS thanked the CRC and the Attorneys for all their hard work. They also thanked the public.

4. ADJOURN

Selectwoman Lefkowitz made a motion to adjourn the meeting at 5:31 pm. Selectman Flynn seconded the motion which carried unanimously.

Respectfully submitted,

DRAFT MINUTES

MEMBERS PRESENT: First Selectwoman Brenda L. Kupchick, Selectman Thomas M. Flynn, Selectwoman Nancy E. Lefkowitz OTHERS PRESENT: Attorney Steven Mednick, Town Attorney James Baldwin, Members of the Public, Charter Revision Commission Chair Bryan Cafferelli, FairTV

1) CALL TO ORDER

First Selectwoman Brenda Kupchick called the meeting to order at 4:00 pm.

- 2) PLEDGE OF ALLEGIANCE First Selectwoman Kupchick led the Pledge of Allegiance.
- 3) TO HEAR, CONSIDER AND ACT UPON THE CHARTER REVISION COMMISSION'S FINAL REPORT APPROVED ON AUGUST 1, 2022 (SEE FINAL REPORT IN BACKUP)

Selectman Flynn made a motion to approve Item 3. Selectwoman Lefkowitz seconded the motion.

First Selectwoman Kupchick discussed the errata changes which she said were typographical and not substantive. Attorney Mednick also gave a brief summary of the process. He said there were 22 formal meetings and more public hearings than are required. He said the Charter Revision Commission (CRC) listened to the public and changed the course on some items. He said it was a broad-based and comprehensive process. Attorney Mednick then went through the errata that had been corrected in a document he had sent out this afternoon.

After discussion, both Selectpersons Flynn and Lefkowitz withdrew their motions above.

Selectman Flynn made a motion to approve the "WHEREAS" clauses as one item. Selectman Lefkowitz seconded the motion.

Selectman Flynn then read the Resolution of the Fairfield Board of Selectpersons – Recommendations to the Charter Revision Commission, pursuant to C.G.S. §7-191(b).

The motion carried unanimously.

Selectman Flynn made a motion to adopt, "NOW, THEREFORE, BE IT RESOLVED: That the Board of Selectpersons approves the Final Report of the Charter Revision Commission, dated August 3, 2022, in its entirety." First Selectwoman Kupchick seconded the motion.

After some discussion, Selectwoman Lefkowitz made a motion to remove the first "NOW, THEREFORE" from the document. First Selectwoman Kupchick seconded the motion for discussion only.

After a detailed discussion, (which can be accessed in full by using the above link), the motion failed 1-2-0 (Lefkowitz in favor).

Selectwoman Lefkowitz made a motion to strike 4.3E (Staff) from the Charter. There was no second.

Selectwoman Lefkowitz asked as a Point of Information if the intent of the body was to have a single vote on the Charter or have it broken out in different questions. Town Attorney James Baldwin explained that, legally, he could not answer that as it is the next item on the agenda. There was a long discussion regarding the order of the agenda and Robert's Rules regarding a Special Meeting. Town Attorney Baldwin explained that the question Selectwoman Lefkowitz had was not able to be answered until it is addressed on the next agenda item.

Selectman Flynn made a motion to take a five-minute break. Selectwoman Lefkowitz seconded the motion.

The meeting broke at 5:16 pm.

Selectman Flynn made a motion to come back into the meeting. Selectwoman Lefkowitz seconded the motion.

The meeting reconvened at 5:21 pm.

Selectwoman Lefkowitz made a motion to table the discussion of the body of the document. There was no second.

Selectwoman Lefkowitz said for the record that it is a disservice by not allowing the discussion of the body of the document and she stands firm to her decision.

The full discussion before the vote is accessible through the recording link.

The motion carried 2-1-0 (Lefkowitz opposed).

4) TO HEAR, CONSIDER AND ACT UPON THE QUESTION(S) TO APPEAR ON THE NOVEMBER 8, 2022 TOWN OF FAIRFIELD VOTING BALLOT

Selectman Flynn made a motion to approve Item 4. First Selectwoman Kupchick seconded the motion.

Selectman Flynn read the resolution which Selectwoman Lefkowitz stated for the record was the first time she was seeing the language in the document.

After a detailed and lengthy discussion, Selectwoman Lefkowitz made a motion to table the vote to a date certain. There was no second.

The discussion continued.

Selectwoman Lefkowitz made a motion to separate motions under the resolve clause. First Selectwoman Kupchick seconded the motion for discussion.

There was a lengthy discussion.

There was another break from 7:40 pm to 7:47 pm. The discussion resumed and then First Selectwoman Kupchick opened the meeting to public comment.

<u>Noah Hendler, 3115 Redding Road</u> – He said he thinks it is important to separate points in the Charter.

<u>Amy Ruggiero, RTM D1, 329 Greenfield Hill Road</u> – She said one question is appropriate and the transparency is as clear as water. She said the controversial items were addressed and compromises were met. She said people will get informed in time for the vote.

<u>Roger Autuori, 1310 Melville Avenue</u> – He said he has seen nothing to support having the constables be appointed as opposed to elected. He said it should be a separate question.

<u>Sarah Matthews, 230 Penfield Road</u> – She said she has watched all the meetings and they are very transparent. She said controversial issues have been removed. She said people will have 60 days to do their homework as it is their civic duty to vote. She said separating out questions has no purpose.

<u>Kathy Braun, 245 Sunnyridge Avenue</u> – She said to wait until next week. She said the BOS has until September 8^{th} to get it on the ballot. She said Question A is an opinion. Ms. Braun gave her opinions on each item in Question A.

<u>Bill Gerber, RTM D2, 25 Shady Hill Road</u> – He said he agrees with Kathy Braun. He said items are significant and worthy of breaking out as separate questions. He said to give the public a chance to weigh in.

<u>Karen McCormack, RTM D2, 305 Winnepoge Drive</u> – She said she watched or attended all meetings and the process was beyond transparent. She said everyone had a chance to weigh in and determine what the document would look like before they vote. She said one question makes the most sense and this should move forward.

<u>Tom McCarthy, 815 Lover's Lane, WPCA Commissioner</u> – He said he echoes what Karen McCormack just said. He said the information has been comprehensive. He said the information is available. He said the ballot should be limited to a single question. <u>Jill Vergara, RTM D7, 271 Old Post Road</u> – She said the majority of work happened in

June, July and August when people are on vacation. She said she thinks questions should be separate to empower the voters.

<u>Bryan Cafferelli, 129 College Place – Former Chair of the Charter Revision</u> <u>Commission.</u> He said there was a nice article about how the CRC listened and changed controversial items. Mr. Cafferelli said he hoped there would be unity in that passage. He said the CRC didn't start working in June, July or August. Mr. Cafferelli said the Commission was hard at work from day one. He said he would support confining this to one question as better to be concise and not confuse the voter. He said some voters won't turn the ballot over to see the back and many important questions won't get answered.

Selectwoman Lefkowitz said she appreciates the hard work of the CRC, but it makes her sad and disappointed because she wants to be united.

The vote on Selectwoman Lefkowitz's motion to separate questions on the ballot failed 1-2-0 (Lefkowitz in favor).

After a lengthy discussion about the language in the question, Selectwoman Lefkowitz made a motion to table Item 4 until the regular BOS meeting on August 15, 2022. There was no second.

The original motion to approve Item 4 carried 2-1-0 (Lefkowitz opposed).

Selectwoman Lefkowitz made a motion to take the last two "BE IT FURTHER RESOLVEDs" together. Selectman Flynn seconded the motion. The motion carried unanimously.

Selectwoman Lefkowitz made a motion to approve the whole revised Charter document. Selectman Flynn seconded the motion.

Selectwoman Lefkowitz stated for the record that she will not support this document. She has also requested, for the record, copies of the bills for the Charter Counsel.

The motion carried 2-1-0 (Lefkowitz opposed).

Selectwoman Lefkowitz made a motion to add to the last "BE IT FURTHER RESOLVED," "input and consultation of" Town Attorney. Selectman Flynn seconded the motion. The motion carried unanimously.

Selectman Flynn made a motion to approve the entire document as amended. Selectwoman Lefkowitz seconded the motion. The motion carried unanimously.

5) ADJOURN

- CALL TO ORDER First Selectwoman Kupchick called the meeting to order at 4:00 pm.
- PLEDGE OF ALLEGIANCE First Selectwoman Kupchick led the Pledge of Allegiance.

3) PURCHASING AUTHORITY

To hear, consider and authorize the Purchasing Authority to enter into the proposed contract with GZA Geo Environmental, Inc. to provide a benefit cost analysis for climate resiliency [per RFP #2022-200] for a total fee not to exceed \$29,900.00. Funding for this contract is available through a 100% reimbursable Municipal Resilience Grant Program. Account Number: 10005070-53200-80074.

Selectman Flynn made a motion to approve Item 3. First Selectwoman Kupchick seconded the motion.

Engineering Manager Bill Hurley explained that this is a contract with GZA which was selected to perform a benefit cost analysis for an area between Sasco Hill Road and Riverside Drive. He said the analysis will determine the Town's eligibility for a FEMA grant which is 100% reimbursable. Town Attorney James Baldwin said there are some items in the contract that will need to be renegotiated.

Selectman Flynn made an amendment to approve Item 3, subject to Attorney Baldwin's final approval of the contract items. First Selectwoman Kupchick seconded the amendment.

The main motion, as amended, carried unanimously.

4) COMMUNITY AND ECOMONIC DEVELOPMENT DIRECTOR

To hear, consider and authorize the First Selectwoman to enter into the proposed Development Agreement with Habitat for Humanity of Coastal Fairfield County, Inc. for the redevelopment of 244 Greenfield Street to create four units of affordable housing in accordance with the Town's Request for Qualifications #2022-141.

Selectman Flynn made a motion to approve Item 4. First Selectwoman Kupchick seconded the motion.

Community and Economic Development Director Mark Barnhart said Habitat for Humanity of Coastal Fairfield County, Inc. submitted a RFQ to the Town for the redevelopment of 244 Greenfield Street to create four units of affordable housing. Mr. Barnhart recommends the approval of this agreement with Habitat for the redevelopment of the parcel. He said Habitat will lease it from the Town for a nominal fee and will take care of all aspects of this project. He said the project has been discussed with neighbors and there will be continued outreach. Mr. Barnhart said there will be two duplex units which are similar to other properties in the neighborhood and within the local zoning laws.

The motion carried unanimously.

5) CONSERVATION AND ENGINEERING DIRECTORS (requires RTM approval and a report from Town Plan and Zoning Commission)

To hear, consider and act the following resolution as recommended by the Conservation and Engineering Directors:

WHEREAS, the Town of Fairfield wishes to exercise its option to purchase 150 Villa Avenue for the sum of \$400,000 as more particularly set forth in the real estate sales agreement between said parties for passive and/or open space and to serve as a detention area with environmental, water quality and culvert access benefits to the Town and Neighborhood; and

WHEREAS, funds for the purchase of said property may be taken from Accnt # 14501010-59996-81007 – ARPA Rooster River Detention Area, as approved by the Conservation Commission and the Town Administration; and

NOW, THEREFORE BE IT RESOLVED, that Brenda L. Kupchick, First Selectwoman, be and hereby is, authorized to enter into and sign contracts and expend such monies on behalf of the Town of Fairfield for the purpose of purchasing said property in accordance with the above and the attached* agreement. (**attached agreement can be found in the backup*)

Selectman Flynn made a motion to approve Item 5. First Selectwoman Kupchick seconded the motion.

First Selectwoman Kupchick explained that this is part of the overall Rooster River mitigation which has been complex and requires many moving parts.

She said this piece is very important and that this property will be used for open space with Aspetuck Land Trust's involvement.

Planning Director James Wendt described the site and cost and said a study by Milone & MacBroom, Inc. identified this as a site for potential improvements. He said this item was passed unanimously by the Town Plan and Zoning Commission last night to favorably recommend the Town's acquisition of this property. He said while this is not a prime candidate for detention there are some drainage improvements and water quality enhancements to help alleviate flooding in Algonquin neighborhood that will help alleviate flooding and give the Town direct access to the adjacent bridge culvert.

Mr. Hurley said efforts on this site can't hurt, but can only help alleviate flooding and also provide environmental and water quality benefits. First Selectwoman Kupchick said this purchase prevents any further development of this property which would be detrimental.

Mr. Hurley said Aspetuck is also involved with the Conservation Department regarding the open space part of the property. He said the funding is through American Rescue Plan Act (ARPA).

The motion carried unanimously.

6) To consider and act upon tax refunds as recommended by the Tax Collector in the amount of \$21,522.12

Selectman Flynn made a motion to approve Item 6. First Selectwoman Kupchick seconded the motion which carried unanimously.

7) TOWN ATTORNEY

Executive Session – Pending Litigation – 166 Grasmere Avenue Blight vs. Town of Fairfield with Town Attorney Jim Baldwin

Selectman Flynn made a motion to continue this item to a date certain of the next BOS meeting. First Selectwoman Kupchick seconded the motion which carried unanimously.

8) Adjourn

Selectman Flynn made a motion to adjourn the meeting at 4:37 pm. First Selectwoman Kupchick seconded the motion which carried unanimously.

Respectfully submitted,

Pru O'Brien Recording Secretary

RTM: D1: Marty Ann Furey, D2: Bill Gerber, D3: Alex Durrell, Tom Lambert, Sharon Pistilli, D4: Laura Karson, Alice Kelly, Elizabeth Zezima, Marcy Spolyar, D5: Josh Garskof, Lisa Havey, D6: Steve Berecz, D7: John Kuhn, Mark McDermott, Jill Vergara, Karen Wackerman, D8: Jim Meyers, D9: Dru Georgiadis

OTHERS PRESENT: Town Attorney James Baldwin, Town Environmental Attorney Mike Miller, CAO Tom Bremer, DPW Interim Director John Marsilio, Parks and Recreation Director Anthony Calabrese, CFO Jared Schmitt

1) Call to Order

First Selectwoman Kupchick called the meeting to order at 5:30 pm.

2) Pledge of Allegiance

First Selectwoman Kupchick led the Pledge of Allegiance.

First Selectwoman Kupchick acknowledged today as National Overdose Awareness Day and asked for a moment of silence.

To Hear a Presentation From Town Administration and Town's Environmental Attorney on:
 Status on Remediation Efforts

First Selectwoman Kupchick said there will be plenty of time for the public to reach out to these three boards throughout this process with any questions. She said a presentation was provided on the fill pile last January to these three town boards. She said she has committed to our community from day one to clean up this mess that has cost the Town millions of dollars and thousands of hours. First Selectwoman Kupchick said tonight's meeting is to provide an update on progress made since the last meeting in January and to discuss next steps for Penfield I. She then gave a brief background on the fill pile including the berm which she said are part of the criminal investigation.

Referring to a Powerpoint presentation which is found in the backup online, Town Environmental Attorney Mike Miller spoke about the Town working to close out the three Notices of Violations (NOVs) issued to the Town. He discussed remediation plans, "Julian Fill" sites/Background, the Consent Order, and the LEPs.

First Selectwoman Kupchick said two-thirds of the contaminated "Julian Fill" sites have been remediated to the cost of \$3 million to date. She said the remaining sites to be remediated will cost about \$3 million and are more completed than those completed and will require more resources. The full Powerpoint presentation can be accessed on the meeting link above.

• Update on Penfield Pavilion/Next Steps

First Selectwoman said Penfield Pavilion has considerable "Julian Fill" under it and there is also a FEMA NOV because of the improperly built foundation. She said the Town won't know the full extent of the amount of "Julian Fill" under Penfield Pavilion until remediation begins. She said FEMA warned the Town to stop construction as the plans were not in compliance, but the Pavilion was finished regardless. She said FEMA has denied all reimbursements due to the Town ignoring warnings that the foundation was built incorrectly. First Selectwoman Kupchick said her administration has been negotiating with FEMA on options available to address the NOV.

She said some elected officials asked her if the Town has to respond to the NOV and she said that FEMA told the Town that under no uncertain terms the failure for the Town to not respond to the NOV could result in residents living in the flood area zone losing the discount rate for flood insurance and could also jeopardize future federal grants to the Town.

First Selectwoman Kupchick said FEMA wants the Town to make a decision and act quickly. She discussed how the Town needs to be in compliance with DEEP and the Consent Order and costs associated with that. She said to be in compliance with FEMA regulations, there are two different options on how to proceed with Penfield: 1. Demolish the main building and build another new Pavilion which will be time consuming or 2. Keep the current main building intact and replace the foundation to FEMA code which will take much less time.

First Selectwoman reviewed funding and expenditures. She said she wants to be prepared to come before the three bodies to move forward on the next step for Penfield Pavilion. She also pointed out the timeline that is part of the Powerpoint presentation.

First Selectwoman Kupchick opened up the meeting to questions from the elected officials present. Please access the meeting recording at the top of this document for the full questions, answers and discussions among the many elected officials.

4) Adjourn First Selectwoman Kupchick adjourned the meeting at 7:28 pm.

Respectfully submitted,

DRAFT MINUTES

MEMBERS PRESENT: First Selectwoman Brenda L. Kupchick, Selectman Thomas M. Flynn, Selectwoman Nancy E. Lefkowitz OTHERS PRESENT: David Downie, Jennifer Anderson, WPCF Superintendent John Bodie, WPCA Vice-Chair Joe D'Avanzo, HR Director Cathleen Simpson, CFO Jared Schmitt, Attorney Catherine Creager, Town Attorney James Baldwin, FairTV

- CALL TO ORDER First Selectwoman Kupchick called the meeting to order at 4:00 pm.
- 2) PLEDGE OF ALLEGIANCE First Selectwoman Kupchick led the Pledge of Allegiance.
- RESIGNATION
 <u>Economic Development Commission</u> Robert A. Valorie II (R) 50 Oyster Road, term 11/21-11/26 (resigned on July 19, 2022)

The Selectpersons thanked Mr. Valorie for serving the Town.

- 4) FIRST SELECTWOMAN APPOINTMENTS (for information only)
 - a. <u>Conservation Commission</u> (Alternate) David L. Downie (R) 655 Warner Hill Road, term 11/19-11/24 (to fill a vacancy left by a member who moved to full member)
 - b. <u>Economic Development Commission</u> Jennifer L. Anderson (R) 657 Mill Plain Road, term 11/21-11/26 (to fill a vacancy for Robert A. Valorie II (R) who resigned)

Both Mr. Downie and Ms. Anderson were on the call. The Selectpersons thanked them for their willingness to serve the Town.

5) WATER POLLUTION CONTROL AUTHORITY (*requires BOF and RTM approval*) To hear, consider and act upon a request from the WPCA to appropriate \$625,000 from the WPCA Fund Balance to finance the cleaning of the primary digester

Selectwoman Lefkowitz made a motion to approve Item 5.

Selectman Flynn seconded the motion.

WPCF Superintendent John Bodie said 40 - 60 % of the reduction of the solid waste is performed in the digester. He said the digester broke in March 2022. Mr. Bodie said a pipe could have clogged the digester and the pressure inside created pressure on the cover which caused the brackets to break. He said the tank will need to be cleaned prior to repairing the cover.

The motion carried unanimously.

6) HUMAN RESOURCES DIRECTOR To hear, consider and act upon compensation for Town department heads

Selectwoman Lefkowitz made a motion to approve Item 6. Selectman Flynn seconded the motion.

First Selectwoman Kupchick said the increases given to union employees in FY 2023 are: ECC - 2.25%; Nursing and PETA -2.5%; and Police - 2.75%. She said the Police Captains received 2.75% to be in line with the recently negotiated and completed Police contract. She said Police Captains are exempt employees and do not receive overtime. She said non-union employees/department heads were given a 2.5% increase across the board.

Human Resources Director Cathleen Simpson said the proposed 2.5% increase for non-union employees/department heads seem more than reasonable considering the trends with the town employees' union contracts.

First Selectwoman Kupchick said the Town Human Resources department is performing an analysis on what other towns' employees earn and is putting together salary adjustments for some positions. She pointed out that Fairfield recently lost a department head to another town for a higher salary and how another department head had been grossly underpaid. She said the analysis should be completed by November. CFO Jared Schmitt said funds for the department heads' increases are covered in contingency.

The motion carried unanimously.

7) To consider and act upon tax refunds as recommended by the Tax Collector in the amount of \$19,016.00

Selectman Flynn made a motion to approve Item 7. Selectwoman Lefkowitz seconded the motion which carried unanimously.

- 8) TOWN ATTORNEY
 - a. Executive Session Pending Litigation Berensci vs. Town of Fairfield with Attorney Catherine L. Creager
 - b. Executive Session Pending Litigation Blight Issue at 166 Grasmere Avenue with Town Attorney Jim Baldwin (*item continued from special 08/24/22 BOS meeting*)
 - c. Update on Penfield Remediation Recovery Efforts with Town Attorney Jim Baldwin

Selectman Flynn made a motion to go into Executive Session at 4:31 pm. Selectwoman Lefkowitz seconded the motion which carried unanimously.

Selectwoman Lefkowitz made a motion to come out of Executive Session at 5:50 pm. Selectman Flynn seconded the motion which carried unanimously.

There were no votes taken during Executive Session.

Selectwoman Lefkowitz made a motion to proceed with the recommendation of counsel on Items 8a & 8b. Selectman Flynn seconded the motion which carried unanimously.

Selectman Flynn made a motion to proceed with the Town Attorney's recommendations on Item 8c. Selectwoman Lefkowitz seconded the motion which carried unanimously.

9) Adjourn

Selectwoman Lefkowitz made a motion to adjourn the meeting at 5:51 pm. Selectman Flynn seconded the motion which carried unanimously.

Explanation of Interest and Contribution	Integrity and ethics in all aspects of governance is essential. Unfortunately, government isn't simply moral on it's own so there must be checks and balances in place to ensure compliance with set rules. I believe my experience in government and in observance of it for years as a politically active citizen, Union Executive Board member and RTM Representative put me in a unique position of familiarity with the work of local government and give me the desire to ensure its integrity.

Explanation of Interest and Contribution	I am dedicated to a life of service. Through the Jesuit tradition of "Men For Others" taught at Fordham Prep, I have had a sense of duty to contribute to our greater society at every turn. Through service trips in high school, volunteer work in the Bronx through college, time as an officer in the Army, stint on the New York County Committee, and now as a leader at the Westport VFW and Executive Sponsor of my organization's Military Business Resource Group I have always felt compelled to serve.
	As we have settled into the Fairfield community, we are reminded every day of what a great Town this is and how it is a wonderful place to live and grow a family. I'd love to serve the Town, and its constituents, on the Housing Authority because it represents the most fundamental purpose of local government to provide decent, safe, and sanitary housing.
	I believe that my background of military leadership, professional acumen (particularly in finding compromise), and experience navigating local government will bring a perspective and energy to the board that will benefit the Town. Thank you for your consideration.

QUESTIONS

Questions concerning conditions, bidding guidelines and specifications should only be directed in writing to:

Ms. Pru O'Brien, Junior Buyer: pobrien@fairfieldct.org

Inquiries must reference date of bid opening, requisition or contract number, and must be received <u>no later than as indicated in the bid</u> <u>documents</u> prior to date of bid opening. Failure to comply with these conditions will result in the bidder waiving the right to dispute the bid specifications and conditions.

PRICES

Prices quoted must be firm, for acceptance by the Town of Fairfield, for a period of ninety (90) days. Prices shall include all applicable duties. Bidders shall be required to deliver awarded items at prices quoted in their original bid.

F.O.B. DESTINATION

Prices quoted shall be Net - Delivered to destination. Bids quoting other than F.O.B. Destination may be rejected.

BID BOND

The BID BOND furnished, as bid security, must be duly executed by the bidder as principal. It must be in the amount equal to five percent (5%) of the total estimated bid, as guarantee that, in case the contract is awarded to the bidder, the bidder will, within ten days thereafter, execute such contract and furnish a Performance Bond and Payment Bond.

Small businesses may elect to obtain an irrevocable letter of credit or cashier's check in lieu of the Bid Bond. Such surety must also be in an amount equal to at least five percent (5%) of the total estimated bid.

All bid bonds shall be written by a surety company or companies licensed in the State of Connecticut, and shall have at least an A-VII policy holders rating, as reported by A.M. Best Rating Services, or otherwise deemed acceptable by the Town. The Town always reserves the right to reject surety companies, if an approved surety bond cannot be provided, the bidder shall be deemed non-responsive.

THE CONTRACTOR

The Contractor for the work described shall be thoroughly familiar with the requirements of all specifications, and the actual physical conditions of various job sites. The submission of a proposal shall be construed as evidence that the Contractor has examined the actual job conditions, requirements, and specifications. Any claim for labor, equipment, or materials required, or difficulties encountered which could have been foreseen had such an examination been carefully made will not be recognized.

ASSIGNMENT OF CONTRACT

No contract may be assigned or transferred without the consent of the Purchasing Authority.

AWARD OF BIDS

Contracts and purchases will be made or entered into with the lowest responsible bidder meeting specifications, except as otherwise specified in the invitation. If more than one item is specified in the invitation, the Town of Fairfield reserves the right to determine the low bidder on an individual basis or on the basis of all items included in the Invitation for Bids, unless otherwise expressed by the Town. Additionally, the Town reserves the right to consider other factors in an award, such as the Town's prior experience with a vendor for services previously provided.

PERFORMANCE AND LABOR AND MATERIAL BOND

The successful bidder, within seven (7) business days after notification of award, will be required to furnish Performance and Labor and Material Bond provided by a company authorized to issue such bonds in the State of Connecticut, or Certified Check or properly executed Irrevocable Letter of Credit equal to a hundred per cent (100%) of the award.

In the event that the Contractor where required to provide evidence of insurance and a performance bond does not do so before beginning work, the Town of Fairfield reserves the right to withhold payment from such supplier until the evidence of insurance and performance bond has been received by the Town.

All payment and performance bonds shall be written by a surety company or companies licensed to issue bonds in the State of Connecticut, and shall have at least an A-VIII policy holders rating, as reported by A.M. Best Rating Services, or otherwise deemed acceptable by the Town. The Town always reserves the right to reject surety companies, if approved surety bonds cannot be provided the contract shall be terminated.

This policy shall include all liability of the Contractor arising from the operation of all self-owned motor vehicles used in the performance of the Contract; and shall also include a "non-Ownership" provision covering the operation of motor vehicles not owned by the Contractor, but used in the performance of the work, and, rider CA9948 or equivalent

Pollution Liability:

• One million dollars (\$1,000,000) each occurrence, one million dollars (\$1,000,000) aggregate.

Umbrella/Excess Liability Insurance:

 Five million dollars (\$5,000,000) each occurrence, five million dollars (\$5,000,000) aggregate. Such coverage must be follow form over Worker's Compensation, Commercial General Liability, Pollution Liability and Automobile Liability.

Indemnification: The Contractor shall defend, indemnify and save harmless the Town and its officers, agents, servants, officials, employees, volunteers, boards and commissions from and against any and all claims, demands, suits, proceedings, liabilities, judgments, awards, losses, damages, costs and expenses of any nature, including attorneys' fees, on account of bodily injury, sickness, disease, death or any other damages or loss sustained by any person or persons or injury or damage to or destruction of any property, directly or indirectly arising out of, relating to, or in connection with the work called for in the Contract, whether or not due or claimed to be due in whole or in part to the active, passive or concurrent negligence, fault or contractual default of the Contractor, its officers, agents, servants or employees, any of its sub-contractors, the Town, any of its respective officers, agents, servants, officials, employees, volunteers, boards and commissions and/or any other person or persons, and whether or not such claims, demands, suits or proceedings are just, unjust, groundless, false, or fraudulent,

2023-40 WPCF Digester Tank Phase #1 – Remove/Dewater, Haul and Dispose of Sludge/Solids/Grit Page 6 of 10 and the Contractor shall and does hereby assume and agrees to pay for the defense of all such claims, demands, suits and proceedings, provided, however, that the Contractor shall not be required to indemnify the Town, its officers, agents, servants, officials, employees, volunteers, boards and commissions, against any such damages occasioned solely by acts or omissions of the Town, its officers, agents, servants, officials, employees, volunteers, boards and commissions, other than supervisory acts or omissions of the Town, its officers, agents, servants, officials, employees, volunteers, boards and commissions, in connection with the work called for in the Contract.

"Tail" Coverage: If any of the required liability insurance is on a claims-made basis, "tail" coverage will be required at the completion of this contract for a duration of 36 months, or the maximum time period reasonably available in the marketplace. The Contractor shall furnish certification of "tail" coverages described or continuous "claims made" liability coverage for 36 months following Contract completion. Continuous "claims made" coverage will be acceptable in lieu of "tail" coverage provided its retroactive date is on or before the effective date of this Contract. If continuous "claims made" coverage is used, the Contractor shall be required to keep the coverage in effect for duration of not less than 36 months from the end of the Contract.

Acceptability of Insurers: The Contractor's policies shall be written by insurance companies licensed to do business in the State of Connecticut, with an A.M. Best rating of A- XV or otherwise acceptable by the Town's Risk Manager.

Subcontractors: The Contractor shall require subcontractors to provide the same "minimum scope and limits of insurance" as required herein, with the exception of Errors and Omissions/Professional Liability insurance/Fiduciary Liability, unless Errors and Omissions/Professional Liability/Fiduciary Liability insurance is applicable to the work performed by the subcontractor. All Certificates of Insurance shall be provided to and approved by the Town's Risk Manager prior to the commencement of work, as required herein.

Aggregate Limits: It is agreed that the Contractor shall notify the Town when fifty percent (50%) of the aggregate limits are eroded during the contract term. If the aggregate limit is eroded for the full limit, the Contractor agrees to reinstate or purchase additional limits to meet the minimum limit requirements stated herein. The premium shall be paid by the Contractor.

Deductibles and Self-Insured Retentions: Any deductible or self-insured retention must be declared to, and approved by, the Town. All deductibles or self-insured retentions are the sole responsibility of the Contractor to pay and/or to indemnify. Under no circumstances will the Town be responsible for paying any deductible or self-insured retentions related to this Contract

Notice of Cancellation or Non-renewal: Each insurance policy required shall be endorsed to state that coverage shall not be suspended, voided, cancelled, or reduced in coverage or in limits except after 30 days prior written notice by certified mail, return receipt requested, has been given to the Town, (provided ten (10) days' prior written notice shall be sufficient in the case of termination for nonpayment).

Waiver of Governmental Immunity: Unless requested otherwise by the Town, the Contractor and its insurer shall waive governmental immunity as defense and shall not use the defense of governmental immunity in the adjustment of claims or in the defense of any suit brought against the Town.

Additional Insured: The liability insurance coverage, except Errors and Omissions, Professional Liability or Workers Compensation, if included, required for the performance of the Contract shall include the Town as Additional Insured but only with respect to the Contractor's activities to be performed under this Contract. Coverage shall be primary and non-contributory with any other insurance and self-insurance and contain no special limitations on the scope of protection afforded to the Town of Fairfield. The Town and/or its representative retain the right to make inquiries to the Contractor, its agents or broker and insurer directly.

Waiver of Subrogation: A waiver of subrogation in favor of the Town is required on all policies.

Waiver/Estoppel: Neither approval by the Town nor failure to disapprove the insurance furnished by the Contractor shall relieve the Contractor of the Contractor's full responsibility to provide insurance as required under this Contract.

Contractor's Insurance Additional Remedy: Compliance with the insurance requirements of this Contract shall not limit the liability of the Contractor or its Sub-Contractors/Firms, employees or agents to the Town or others. Any remedy provided to the Town shall be in addition to, and not in lieu of, any other remedy available under this Contract or otherwise.

Certificate of Insurance: As evidence of the insurance coverage required by this Contract, the Contractor shall furnish Certificate(s) of Insurance to the Town's Risk Manager prior to the award of the Contract if required by the Bid document, but in all events prior to Contractor's commencement of work under this Contract. The Certificate(s) will specify all parties who are endorsed on the policy as Additional Insured (or Loss Payees). The certificates and endorsements for each insurance policy are to be signed by a person authorized by the insurer to bind coverage on its behalf. Renewals of expiring certificates shall be filed thirty (30) days prior to expiration. The Town reserves the right to require complete, certified copies of all required policies at any time. All insurance documents required should be mailed to Town of Fairfield, Chief Financial Officer, 725 Old Post Road, Fairfield, CT 06824 and Town of Fairfield, Risk Manager, 725 Old Post Road, Fairfield, CT 06824.

<u>OSHA</u>

The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with Federal and State of Connecticut OSHA standards. The successful bidder will agree to indemnify and hold harmless the Town of Fairfield for any and all damages that may be assessed against the Town.

2023-40 WPCF Digester Tank Phase #1 - Remove/Dewater, Haul and Dispose of Sludge/Solids/Grit

LIFE CYCLE COSTING

Where applicable, Life Cycle Costing will be used as a criterion for awarding bids. This is a method of calculating total cost of ownership of an item over the life of the product, which may include operation and maintenance expenses, transportation, salvage value, and/or disposal costs.

FEDERAL, STATE, AND LOCAL LAWS

All applicable Federal, State and local laws, rules and regulations of all authorities having jurisdiction over the locality of the project shall apply to the contract and are deemed to be included herein. If the total amount of the project, including any current or future change orders, exceeds \$100,000.00 all work is to be done in accordance with Connecticut Department of Labor (CT-DOL) rules and regulations. More information may be obtained from: https://www.dol.gov/whd/govcontracts/dbra.htm

NOTE: The Town shall apply the most current wage decision applicable at the time of contract award.

CONFLICT OF INTEREST

No officer or employee or member of any elective or appointive board, commission or committee of the Town, whether temporary or permanent, shall have or acquire any financial interest gained from a successful bid, direct or indirect, aggregating more than one hundred dollars (\$100.00), in any project, matter, contract or business within his/her jurisdiction or the jurisdiction of the board, commission, or committee of which he/she is a member. Nor shall the officer / employee / member have any financial interest, direct or indirect, aggregating more than one hundred dollars (\$100.00) in any contract or proposed contract for materials or services to be furnished or used in connection with any project, matter or thing which comes under his/her jurisdiction or the jurisdiction of the board, commission, committee of which he/she is a member.

NON-WAIVER CLAUSE

The failure by the Town to require performance of any provision of this bid shall not affect the Town's right to require performance at any time thereafter, nor shall a waiver of any breach or default of a contract award constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

ATTORNEY FEES

In the event of litigation relating to the subject matter of this bid document or any resulting contract award, the non-prevailing party shall reimburse the prevailing party for all reasonable attorney fees and costs resulting therefrom.

SCOPE OF WORK/SITE INSPECTIONS

The bidder declares that the scope of the work has been thoroughly reviewed and any questions resolved (see above for name and number of individual to contact for questions). If applicable, the bidder further declares that the site has been inspected as called for in the specifications (q.v.).

EXCEPTION TO SPECIFICATIONS

No protest regarding the validity or appropriateness of the specifications or of the Invitation for Bids will be considered, unless the protest is filed in writing with the Purchasing Authority prior to the closing date for the bids. All bid proposals rendered shall be considered meeting the attached specifications unless exceptions are noted on a separate page dated and signed by the bidder.

UNLESS OTHERWISE NOTED

It will be assumed that all terms and conditions and specifications will be complied with and will be considered as part of the Bid Proposal.

TAX EXEMPT

Federal Tax Exemption 06-6001998. Exempt from State Sales Tax under State General Statues Chapter 219-Section 12-412 Subsection A. No exemption certificates are required and none will be issued.

RE: Town of Fairfield WPCF Primary Digester Tank Phase #1 Remove/Dewater, Haul and Dispose of Sludge Solids/Grit

To Whom It May Concern,

Denali Water Solutions LLC ("Denali" or "Denali Water") is the respondent to the Town of Fairfield for the WPCF Primary Digester Tank Phase #1 Remove/Dewater, Haul and Dispose of Sludge Solids/Grit project. At Denali, our goal is to continuously exceed our customers' expectations by providing residuals management services at the highest industry standards, driven by our team of seasoned residuals management professionals, our readily available assets, and backed by our outstanding environmental and safety record.

The core of our approach presented in this bid response is to exceed the Town of Fairfield's expectations as a valued team member through our unparalleled experience in managing and operating biosolids projects. Denali has consistently checked all the boxes when it comes to operations, maintenance, and regulatory aspects of biosolids. The Denali team approach provides the opportunity for the Town of Fairfield to engage trusted biosolids experts throughout the term of the project.

The company prides itself in putting the customers' needs, the environment and safety first. This philosophy has been a primary driver for Denali's success as an environmental services company, and it is the reason Denali will continue to be the premier choice for responsive and ethical residuals management services for public, private, and industrial customers across the United States.

Denali is prepared to enter into an agreement with the Town of Fairfield for the WPCF Primary Digester Tank Phase #1 Remove/Dewater, Haul and Dispose of Sludge Solids/Grit project. Denali's employees, partners and experience clearly demonstrates our strength and ability to increase the performance level beyond expectations.

I would like to thank you for reviewing the contents of our bid submittal. Should you need additional clarification, please contact me at 315-374-8645 or by email at **jeffrey.leblanc@denaliwater.com**. Again, thank you for the opportunity to submit our bid to the Town of Fairfield and we look forward to the next steps.

Thank you.

PROJECT IDENTIFICATION: WPCF Primary Digester Tank Phase #1 – Remove/Dewater, Haul and Dispose of Sludge/Solids/Grit Bid #2023-40

THIS BID IS SUBMITTED TO:

Town of Fairfield Purchasing Authority725 Old Post Road – Independence HallFairfield, CT 06824

ARTICLE 1 – BID RECIPIENT

1.01 This Bid is submitted to the Owner, as identified above.

1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 90 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 – BIDDER'S REPRESENTATIONS

- 3.01 In submitting this Bid, Bidder represents that:
 - A. Bidder has examined and carefully studied the Bidding Documents, and any data and reference items identified in the Bidding Documents, and hereby acknowledges receipt of the following Addenda:

Addendum No.	Addendum, Date
1	August 30, 2022
2 	

- B. Bidder has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and satisfied itself as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.
- C. Bidder is familiar with and has satisfied itself as to all Laws and Regulations that may affect cost, progress, and performance of the Work.
- D. Bidder has considered the information known to Bidder itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained

from visits to the Site; the Bidding Documents; and any Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder; and (3) Bidder's safety precautions and programs.

- E. Bidder agrees, based on the information and observations referred to in the preceding paragraph, that no further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.
- F. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- G. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents and confirms that the written resolution thereof by Engineer is acceptable to Bidder.
- H. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance and furnishing of the Work.
- I. The submission of this Bid constitutes an incontrovertible representation by Bidder that Bidder has complied with every requirement of this Article, and that without exception the Bid and all prices in the Bid are premised upon performing and furnishing the Work required by the Bidding Documents.

ARTICLE 4 – BIDDER'S CERTIFICATION

- 4.01 Bidder certifies that:
 - A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation;
 - B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
 - C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
 - D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process;
 - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
 - 3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and
 - 4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

ADDENDUM #1 RFP #2023-40 WPCF Digester Tank Cleaning Phase 1

30th August, 2022 – It is intended that this Addendum incorporating the following corrections, revisions, additions, deletions and clarifications become part of the Contract Documents, including pricing as submitted.

Questions:

1. Do you have a project estimate for the Fairfield WPCF Digester Tank Phase #1?

Response: The estimate is not available.

2. Prior history on dewatering from these two manholes -pump size requirements.

Response: 120-volt submersible plug in pump with 1 ½ inch discharge were used in the past with good results.

3. If plant power goes out, is plant - furnished power supply on backup generator such that dewatering pumps would be powered?

Response: Ground dewatering pumps will be powered on back-up generator, dewatering equipment powered out of the Septage building will not.

4. What is bottom floor elevation of off-line aeration tank - how is it groundwater protected?

Response: This is a process tank under normal flows, there are duckbills that will allow groundwater into the tank should it become too high.

ADDENDUM #1 RFP #2023-40 WPCF Digester Tank Cleaning Phase 1 (page 2 of 2)

5. How long after cleaning is complete will the groundwater pumping continue? Will digester inspection with plant owned equipment immediately follow tank cleaning?

Response: Groundwater pumping will be taken over by town owned equipment after cleaning has been inspected by Wright Pierce and the contractor is released. Assume 1-week beyond a formal request for inspection.

6. Per, ARTICLE 7, "E." - Is a Contractor's License required for the WPCF PRIMARY DIGESTER TANK CLEANING project? Typically, Contractor Licenses are not required for this type of work

Response: N/A - A contractor's license is not required for phase I_{*}

Statement of Qualifications

STATEMENT OF QUALIFICATIONS

Denali Water has been in the business of providing residuals management services for the last 25 years and employs a number of experts who have been in the residuals management industry since the 1980s. The Company prides itself in putting the customers' needs, the environment, and safety first. This philosophy has been a primary driver for Denali Water's success as an environmental service company, and it is the reason Denali Water will continue to be the premier choice for responsive and ethical residuals management services for public, private, and industrial customers across the US.

History

Denali Water was originally founded as Terra Renewal in 1995. The original focus of the company was the handling and disposal of wastewater residuals from industrial plants via land application for beneficial use as a fertilizer. The focus of the business quickly expanded to include municipal biosolids, spent fryer oil and grease, and handling of spent gas and oil exploration and production fluids. At its peak, it was one of the largest waste companies in the United

States with operations in greater than 20 states and was land applying greater than one billion gallons of wastewater residuals on over 225,000 acres of farm fields. Ultimately, the company divested of its oil & gas business and its rendering business (i.e. spent fats and greases). As a result of these divestitures, the name of the company was changed to Denali Water Solutions.

In many states, Denali Water was an early pioneer in land application permitting process and has led the industry with safe, responsible management of organic residuals. The Company takes pride in its work and its relationships with customers and with officials in regulatory agencies across the US. The goal of Denali Water is to continue to grow and evolve with this ever-changing industry.

In 2016, Denali combined forces with WeCare Organics LLC and formed a subsidiary known as WeCare Denali LLC which services with mid-Atlantic region on the US, including New York, New Jersey, Maryland, Pennsylvania, and more. The company is now second largest handler of municipal biosolids in the United States, the largest provider of industrial food processing residuals management and operates from coast to coast. Denali offers an array of services including land application, Class A processing, dredging, composting, permitting, mobile dewatering, outsourced dewatering, geo-textile tube dewatering, lagoon and digester cleanout, and transportation services. Recent acquisitions have expanded Denali Water's service offerings in biosolids, green waste, and food waste composting.

The Denali Team

We believe that we are only as good as our team. Denali has had the same leadership in place since 2002 and has a seasoned team of industry veterans and has had limited turnover in its management team for many years. This is because we foster a culture that makes people proud to say they work at Denali because of how it treats its employees, customers, and the community.

The key personnel working for Denali have a combined 100+ years of experience in the biosolids and residuals transportation and management industry. Whether it's a treatment facility producing as little as 300 tons per year or 150,000 tons per year, our experienced, friendly, and knowledgeable staff has provided years of success and satisfaction for our clients.

CHIEF EXECUTIVE OFFICER - ANDY MCNEILL

With over 15 years of industry experience Andy has led as CEO since 2002. Andy graduated from Auburn University with a BS in accounting and holds an MBA from the University of Notre Dame. Andy frequently speaks on topics associated with the company, including land application and beneficial reuse, and serves on various boards.

PRESIDENT / CHIEF GROWTH OFFICER - JEFFREY J. LEBLANC

Jeff joined Denali Water Solutions LLC, as its President, when it acquired the key assets of WeCare Organics, LLC in 2016. Jeff is now the Chief Growth Officer, responsible for overseeing all aspects of sales, marketing and business development, as well as environmental and regulatory compliance. Jeff has played a key role in Denali's growth, as the industry leader in recycling of waste and residuals, and as a frequent guest speaker at industry conferences and seminars.

Jeff is focused on Denali's strategy as a full-service residual management company commissioned to bridge the gap between the farmer and the environmental community via the operations, management and distribution of residual based products, such as WeCare Compost[®]. In addition, Jeff has led the Company's vision to be the "landfill-alternative" and has steered the Company's advancement in managing source separated organics, such as green waste, food waste, food processing waste and biosolids.

CHIEF ENVIRONMENTAL OFFICER – JIMMY MARDIS

Jimmy is Denali's Chief Environmental Officer with over 25 years of experience in the Environmental Management food industry, with a focus on environmental. He also served for seven years as a pilot in the United States Air Force. Jimmy is a founding Board Member of the Illinois River Water Shed Partnership and Board Member for Shiloh Christian School. He lives and works in Rogers, AR with his wife Terri.

CHIEF FINANCIAL OFFICER – ROB CURREY

Rob Currey serves the company as its Chief Financial Officer. Rob's professional experience has been focused on the intersection of entrepreneurship, energy and resource use, and environmental stewardship. Rob's diverse background spans private equity investing, renewable-energy project development, corporate strategy at a large multinational company, and most recently, CFO roles at companies focused on delivering municipal wastewater systems and services. Rob received a graduate degree from Duke University with a Master of Environmental Management. Rob pursued his undergraduate studies at Princeton where he earned his Bachelor of Science degree in Engineering, and where he played varsity football.

VICE PRESIDENT, SALES & DEVELOPMENT – GLEN KNECHT

Glen has nearly 25 years of experience in Sales Management within various industries, focusing on waste management, environmental awareness, and relationship building. He has worked in the residuals management industry for the past ten years. Glen joined Denali in 2020 to grow the municipal business in the Northeast. Glen holds a bachelor's degree in Business/Sociology from the University of South Carolina and volunteers with nonprofit organizations in his community.

VICE PRESIDENT OF DEWATERING – DREW O'HARA

Drew brings over 35 years of residuals, dredging and dewatering experience in the Northeastern U.S. to the Denali team. He has been involved with multiple dewatering technologies and various challenging projects in his years as a Project Developer and Manager. His completed project list includes many major cities of the Northeast, including Philadelphia, New York, Boston, Buffalo, Syracuse and many smaller communities.

Drew has been with Denali since 2016, and is currently the Vice President for the Dredging and Dewatering division.

Drew holds a bachelor's degree from Rutgers University, and resides in Western Massachusetts with his wife. His outside interests are primarily focused on his family, and he enjoys riding his motorcycle in his free time.

GENERAL MANAGER, MID-ATLANTIC – CHARLIE GOLDEN

Charlie has over 13 years of experience in the environmental residuals management industry. He holds a Bachelor of Science degree in Turf Management. Charlie began his career with Terra Renewal, since acquired by Denali, with responsibilities including land management and event services sales, as well as growing the daily haul business in the central region. Charlie was involved in mergers and acquisitions, directed business development, and now oversees all operations and sales in the Mid-Atlantic region, managing thousands of tons per week of residuals to be beneficially reused.

VICE PRESIDENT, HUMAN RESOURCES - LINDSEY HILL

Lindsey joined Terra Renewal Services in August 2009. She has held several positions with TRS and Denali Water Solutions, including the most recent position of Vice President, Human Resources. Lindsey attended the University of Central Arkansas and is a graduate of the Institute for Organization Management. Prior to joining Terra, Lindsey served as Vice President of the Russellville and Morrilton, AR Chambers of Commerce and held the certification of Professional Community and Economic Developer.

DIRECTOR OF SAFETY - JASON R. RAMSEY

Jason is the Director of Safety for Denali. He is responsible for safety programs and procedures, risk assessment, and compliance with USDOT, FMCSA, and OSHA regulations. Jason has 8 years of experience with Terra and Denali and has several years of experience in business development, safety, executive management, compliance, and was previously a State Trooper. He holds a bachelor's from the University of Arkansas. Jason also serves as a Board Member for the Arkansas State Police Foundation.

ADDENDUM #1 RFP #2023-40 WPCF Digester Tank Cleaning Phase 1

30th **August, 2022** – It is intended that this Addendum incorporating the following corrections, revisions, additions, deletions and clarifications become part of the Contract Documents, including pricing as submitted.

Questions:

1. Do you have a project estimate for the Fairfield WPCF Digester Tank Phase #1?

Response: The estimate is not available.

2. Prior history on dewatering from these two manholes -pump size requirements.

Response: 120-volt submersible plug in pump with 1 ¹/₂ inch discharge were used in the past with good results.

3. If plant power goes out, is plant - furnished power supply on backup generator such that dewatering pumps would be powered?

Response: Ground dewatering pumps will be powered on back-up generator, dewatering equipment powered out of the Septage building will not.

4. What is bottom floor elevation of off-line aeration tank - how is it groundwater protected?

Response: This is a process tank under normal flows, there are duckbills that will allow groundwater into the tank should it become too high.

ADDENDUM #1 RFP #2023-40 WPCF Digester Tank Cleaning Phase 1 (page 2 of 2)

5. How long after cleaning is complete will the groundwater pumping continue? Will digester inspection with plant owned equipment immediately follow tank cleaning?

Response: Groundwater pumping will be taken over by town owned equipment after cleaning has been inspected by Wright Pierce and the contractor is released. Assume 1-week beyond a formal request for inspection.

6. Per, ARTICLE 7, "E." - Is a Contractor's License required for the WPCF PRIMARY DIGESTER TANK **CLEANING project? Typically, Contractor Licenses are not required for this type of work**

Response: N/*A* – *A* contractor's license is not required for phase 1.

End of Addendum #1

SECTION 00510

SUGGESTED FORM OF AGREEMENT BETWEEN OWNER AND CONTRACTOR

FOR CONSTRUCTION CONTRACT (STIPULATED PRICE)

THIS AGREEMENT is by a	Ind	
between	Town of Fairfield	("Owner") and
	Denali Water Solutions LLC	("Contractor").

Owner and Contractor hereby agree as follows:

ARTICLE 1 – WORK

1.01 Contractor shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Primary Digester Tank Phase #1 - Remove/Dewater, Haul and Dispose of Sludge/Solids/Grit

ARTICLE 2 – THE PROJECT

2.01 The Project, of which the Work under the Contract Documents is a part, is generally described as follows: Remove/Dewater, Haul and Dispose of Sludge/Solids/Grit from the Primary Digester Tank at the WPCF.

ARTICLE 3 – ENGINEER

- 3.01 The Project has been designed by <u>Wright-Pierce.</u>
- 3.02 The Owner has retained <u>Wright-Pierce</u> ("Engineer") to act as Owner's representative, assume all duties and responsibilities, and have the rights and authority assigned to Engineer in the Contract Documents in connection with the completion of the Work in accordance with the Contract Documents.

ARTICLE 4 – CONTRACT TIMES

- 4.01 *Time of the Essence*
 - A. All time limits for Milestones, if any, Substantial Completion, and completion and readiness for final payment as stated in the Contract Documents are of the essence of the Contract.
- 4.02 *Contract Times: Days*
 - A. The Work will be substantially completed within <u>90</u> days after the date when the Contract Times commence to run as provided in Paragraph 4.01 of the General Conditions and completed and ready for final payment in accordance with Paragraph 15.06 of the General Conditions within <u>105</u> days after the date when the Contract Times commence to run.
- 4.03 *Liquidated Damages*
 - A. Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed and Milestones not achieved within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with the Contract. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of

requiring any such proof, Owner and Contractor agree that as liquidated damages for delay (but not as a penalty):

- 1. Substantial Completion: Contractor shall pay Owner \$500 for each day that expires after the time (as duly adjusted pursuant to the Contract) specified in Paragraph 4.02.A above for Substantial Completion until the Work is substantially complete.
- 2. Completion of Remaining Work: After Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Time (as duly adjusted pursuant to the Contract) for completion and readiness for final payment, Contractor shall pay Owner \$500 for each day that expires after such time until the Work is completed and ready for final payment.
- 3. Liquidated damages for failing to timely attain Substantial Completion and final completion are not additive and will not be imposed concurrently.

4.04 Special Damages

- A. In addition to the amount provided for liquidated damages, Contractor shall reimburse Owner (1) for any fines or penalties imposed on Owner as a direct result of the Contractor's failure to attain Substantial Completion according to the Contract Times, and (2) for the actual costs reasonably incurred by Owner for engineering, construction observation, inspection, and administrative services needed after the time specified in Paragraph 4.02 for Substantial Completion (as duly adjusted pursuant to the Contract), until the Work is substantially complete.
- B. After Contractor achieves Substantial Completion, if Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Times, Contractor shall reimburse Owner for the actual costs reasonably incurred by Owner for engineering, construction observation, inspection, and administrative services needed after the time specified in Paragraph 4.02 for Work to be completed and ready for final payment (as duly adjusted pursuant to the Contract), until the Work is completed and ready for final payment.

ARTICLE 5 – CONTRACT PRICE

- 5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents the amounts that follow, subject to adjustment under the Contract:
 - A. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit.

ARTICLE 6 – PAYMENT PROCEDURES

- 6.01 Submittal and Processing of Payments
 - A. Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.
- 6.02 *Progress Payments; Retainage*
 - A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment on or about the <u>30th</u> day of each month during performance of the Work as provided in Paragraph 6.02.A.1 below, provided that such Applications for Payment have been submitted in a timely manner and otherwise meet the requirements of the Contract. All such payments will be measured by the Schedule of Values established as provided in the General Conditions (and in the case of Unit Price Work based

on the number of units completed) or, in the event there is no Schedule of Values, as provided elsewhere in the Contract.

- 1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Owner may withhold, including but not limited to liquidated damages, in accordance with the Contract
 - a. <u>95</u> percent of Work completed (with the balance being retainage); and
 - b. <u>95</u> percent of cost of materials and equipment not incorporated in the Work (with the balance being retainage).
- B. Upon Substantial Completion of the entire construction to be provided under the Contract Documents, Owner shall pay an amount sufficient to increase total payments to Contractor to 100 percent of the Work completed, less such amounts set off by Owner pursuant to Paragraph 15.01.E of the General Conditions, and less 200 percent of Engineer's estimate of the value of Work to be completed or corrected as shown on the punch list of items to be completed or corrected prior to final payment.

6.03 Final Payment

A. Upon final completion and acceptance of the Work in accordance with Paragraph 15.06 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said Paragraph 15.06.

ARTICLE 7 – INTEREST

7.01 NOT USED

ARTICLE 9 – CONTRACTOR'S REPRESENTATIONS

- 9.01 In order to induce Owner to enter into this Contract, Contractor makes the following representations:
 - A. Contractor has examined and carefully studied the Contract Documents, and any data and reference items identified in the Contract Documents.
 - B. Contractor has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.
 - C. Contractor is familiar with and is satisfied as to all Laws and Regulations that may affect cost, progress, and performance of the Work.
 - D. Contractor has considered the information known to Contractor itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Contract Documents; and the Site-related reports and drawings identified in the Contract Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor; and (3) Contractor's safety precautions and programs.
 - E. Based on the information and observations referred to in the preceding paragraph, Contractor agrees that no further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract.

- F. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.
- G. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.
- H. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- I. Contractor's entry into this Contract constitutes an incontrovertible representation by Contractor that without exception all prices in the Agreement are premised upon performing and furnishing the Work required by the Contract Documents.

ARTICLE 10 – CONTRACT DOCUMENTS

ARTICLE 11 – MISCELLANEOUS

11.01 Terms

A. Terms used in this Agreement will have the meanings stated in the General Conditions and the Supplementary Conditions.

11.02 Assignment of Contract

A. Unless expressly agreed to elsewhere in the Contract, no assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, money that may become due and money that is due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

11.03 Successors and Assigns

A. Owner and Contractor each binds itself, its successors, assigns, and legal representatives to the other party hereto, its successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

11.04 Severability

A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

11.05 Contractor's Certifications

- A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process or in the Contract execution;
 - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
 - 3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
 - 4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

Joseph D'Avanzo motioned to amend the item to "approve the meeting minutes of August 2, 2022, that was for the discussion and rate setting of the new sewer user fees and I & I rates". Tom McCarthy seconded the motion which carried, 4-0-1. (D'Avanzo, Elletson, McCarthy, Steiner in favor and Manchisi abstained)

Chris Steiner motioned to approve the amended motion. Tom McCarthy seconded the amended motion which carried, 4-0-1. (D'Avanzo, Elletson, McCarthy Steiner in favor and Manchisi abstained)

c. Approval of the Special meeting minutes of September 13, 2022

Chris Steiner motioned to approve the Special meeting minutes of September 13, 2022. Tom McCarthy seconded the motion which carried, 4-0-1. (D'Avanzo, Manchisi, McCarthy, Steiner in favor and Elletson abstained)

3. New Business

a) Discuss a pool water discharge policy

Mr. Elletson explained that Sacred Heart University has recovery tubs that they need to periodically empty and that WPCA does not allow pools to be drained into the sewer system. Mr. Bodie had been asked to check with the YMCA on what they do with their pool water but hasn't received a reply. The Commission discussed allowing for a scheduled discharge and to charge a fee in addition to their water usage fee. The Commission issue is to prevent water entering the watershed (In this example, SHU's facility is close to Lake Mohegan). Mr. Bodie reached out to 12 surrounding communities to determine how they handle chlorinated pool discharge into the sewer system; only two responded and said they do not allow. The discussion continued to work on a solution, including a discussion on DEPs view, how much additional water would be entering the seage plant, and how to prevent Chlorinated water going into the storm drains and eventually Long Island Sound. Mr. Bodie suggested we ask SHU to decholoranate the water and coordinate time of discharge with us or have them hire a company to pump the water into a tanker and the plant could schedule feeding it into the plant. Mr. Bodie will meet with SHU to get more information and report back to the Commission at the next meeting. Mr. D'Avanzo asked how many pools are in Town and would be subject to any policy. Mr Ellietson asked how Fairfield University currently handles their pool.

b) Act on a request to modify the Sewer Invoice Review Policy to give authority to the Town Tax Collector (or his/her designee) to adjust sewer bill for special use properties such as but not limited to farms, nurseries, special use manufacturers

Mr. D'Avanzo gave background.

Matt Manchisi motioned to modify the Sewer Invoice Review Policy to give authority to the Town Tax Collector (or his/her designee) to be authorized to adjust sewer bills for special use properties such as but not limited to farms, nurseries, special use manufacturers. Chris Steiner seconded the motion which carried unanimously, 5-0. (D'Avanzo, Elletson, Manchisi, McCarthy, Steiner in favor)

c) Allow sewer adjustments to be made by the Tax Collector (or designee) if said adjustment is less than \$2,000

Chris Steiner motioned to allow sewer adjustments to be made by the Tax Collector (or designee) if said adjustment is less than \$2,000. Matt Manchisi seconded the motion.

Mr. D'Avanzo supplied history on prior practice.

Chris Steiner amended the motion "to allow the sewer adjustment to be made by the Tax Collector (or their designee) if said adjustment is less than \$2,000. If said adjustment is denied by the Tax Collector, the payee can bring their appeal to the WPCA". Matt Manchisi seconded the motion which carried unanimously, 5-0. (D'Avanzo, Elletson, Manchisi, McCarthy, Steiner in favor)

d) Act, discuss and approve additional funding for Center Street Pump Station and South Pine Creek Pump Station design - \$600,000

Mr. Bodie furnished background on both projects.

Joseph D'Avanzo motioned to approve additional funding up to \$300,000 for the design of the Center Street Pump Station including the forced main. Matt Manchisi seconded the motion.

The motion carried unanimously, 5-0. (D'Avanzo, Elletson, Manchisi, McCarthy, Steiner in favor)

Joseph D'Avanzo motioned to approve additional funding up to \$300,000 for the design of the South Pine Creek Pump Station and forced main. Chris Steiner seconded the motion which carried unanimously, 5-0. (D'Avanzo, Elletson, Manchisi, McCarthy, Steiner in favor)

e) Discussion on TradeMark building invoicing issue

Mr. Bodie reported the Tax Collector, Mr. Kluczwski, reviewed the prior history on 665 Commerce Drive and discovered the property had not been invoiced forsewer use since inception. The outstanding charge that has been invoiced is \$52,685.40. Mr. Kluczwski met with the owner's lawyer last week. He is now looking back at other properties to determine if any other properties were also not invoiced. Mr. Elletson said this should have been picked up through Aquarion and is concerned what others has been missed in the past. Mr. D'Avanzo volunteered to compile a list of all the past major projects and determined if they are on our billing system. An request to obtain Aquarion's top 200 users by volume and perform an audit to ensure they are paying for sewer usage. Mr. Bodie and Mr. D'Avanzo will speak with Mr. Kluczwski to determine the best approach.

4. Old Business

a) Digester update

Mr. Bodie said they increased the amount requested from Town Boards for the "cleanout" of the damaged Digester from \$531,600 to \$625,000. The money was approved by the RTM and BOF. He worked with Purchasing on the bid award and the item may have to go back before the BOS before entering into a contract. The contractor is ready to go once approval is in place.

b) Wright Pierce I&I study update

Mr. Bodie reported the first phase smoke testing is complete. Wright-Pierce tested 13 miles of sanitary sewer. They found 91 addresses where smoke was coming into people houses. The smoke pumped into the sytem to determine leaks found leaks in pipes, sump pumps and roof leaders. Mailers will be sent to residents where issues were identified notifying them of a potential hazard but the resident must grant permission to allow access to homes to further investigate. Mr. D'Avanzo requested all correspondence to residents be reviewed by Town Attorney before being sent. Manhole inspections were done simultaneously. The flow monitoring phase will begin this spring. \$200,000 is allocated for CCTV work to begin. Once the work is complete

issues can be prioritize and cost estimtes can be determined. and results. AS sump pumps and rain leader are not allowed to be connected to the sewer system, Mr. Bodie will check with Town Attorney Baldwin on how to handle these illegal hookups.

5. Update on Current Projects

Mr. Bodie gave an update on the current projects that included the hardening project, microgrid, metrocenter, east trunk interceptor and Carriage Drive.

6. Status Update on Sewer Bypasses

There was one by-pass on August 29, 2022, at 140 Melville Drive, approximately 150 gallons discharged.

7. Adjourn

Joseph D'Avanzo motioned to adjourn the meeting at 8:04 p.m. Thomas McCarthy seconded the motion which carried unanimously, 5-0. (D'Avanzo, Elletson, Manchisi, McCarthy, Steiner in favor)

Respectfully submitted,

Sheila Tesei Recording Secretary

- <u>Background</u> Center Street pump station was built in 1965 and is the second oldest in the town. The station is a
 wet well/dry well type. The pumps were replaced in 2000, controls were replaced in 2002, and the generator
 was replaced in 2012. The fourteen-inch force main is 2,880 feet in length and is original. All other equipment is
 original.
- Purpose and Justification The purpose of the request is to design a new station and force main, using state of the art components and controls to ensure continued and uninterrupted service.
- Detailed Description of Proposal Upgrade electrical and mechanical equipment, as well as piping and controls. Check building structures ability to withstand extreme weather events and mitigate potential flooding concerns. Install a provision for a third pump and the addition of piping and valves to facilitate a portable by-pass pump pack.
- 4. Reliability of Cost Estimate Based on a scale of 0 to 10, this is a 10. This is for design only.
- Increased Efficiency or Productivity Building will be up to code with the latest energy efficient pumps and controls. New piping and building upgrades will ensure long service life and protection from storms that could cause environmental impacts.
- Additional Long Range Costs Maintenance of the station will be bore by the WPCA out of the annual operating budget.
- 7. Additional Use or Demand on Existing Facilities None.
- 8. Alternatives to this Request None. Design only.
- 9. Safety and Loss Control -None for Town.
- 10. Environmental Considerations These considerations will be addressed when project goes to construction.
- Insurance All selected participants will be required to carry the necessary insurance as directed by the Town of Fairfield.
- 12. Financing Funded through the WPCA fund balance.

- <u>Background</u> South Pine Creek pump station was constructed in 1983 as a can style with the dry well and wet well both underground. The town constructed a building over the underground station in 1985. Pumps and controls were upgraded in 2012 with equipment purchased in 2003. There is no on-site emergency generator; a portable is used during emergencies. The building is basic and needs to be insulated and upgraded to current standards in regards to storm resiliency.

20 YEAR A RESOLUTION APPROPRIATING \$3,489,757 FOR THE COST OF ROOF REPLACEMENT PROJECTS AT SHERMAN ELEMENTARY SCHOOL AND RIVERFIELD ELEMENTARY SCHOOL AND DESIGN SERVICES FOR THE ROOF REPLACEMENT PROJECT AT HOLLAND HILL ELEMENTARY SCHOOL AND AUTHORIZING THE ISSUANCE OF BONDS TO FINANCE SUCH APPROPRIATION

RESOLVED:

- 1. As recommended by the Board of Finance and the Board of Selectmen, the Town of Fairfield (the "Town") hereby appropriates the sum of Three Million Four Hundred Eighty-Nine Thousand Seven Hundred Fifty-Seven and 00/100 Dollars (\$3,489,757) for costs related to: i) the Sherman Elementary School partial roof replacement project in the amount of \$1,916,647, which costs include but are not limited to: disposal of existing roof; materials; engineering services; architectural services; project inspection and oversight; and installation of the new roof (the "Sherman Project"); ii) the Riverfield Elementary School partial roof replacement project in the amount of \$1,565,110, which costs include but are not limited to: disposal of existing roof; materials; engineering services; project inspection and oversight; and installation of the new roof (the "Sherman Project"); iii) the Riverfield Elementary School partial roof replacement project in the amount of \$1,565,110, which costs include but are not limited to: disposal of existing roof; materials; engineering services; project inspection and oversight; and installation of the new roof (the "Riverfield Project"); iii) design services for the partial roof replacement project at Holland Hill Elementary School in the amount of \$8,000 (the "Holland Hill Project"); and iv) all related administrative, financing, legal, contingency and other soft costs related to the Sherman Project, the Riverfield Project and the Holland Hill Project (collectively the "Project").
- 2. To finance such appropriation and in lieu of a tax therefor, and as recommended by the Board of Finance and the Board of Selectmen, the Town may borrow a sum not to exceed Three Million Four Hundred Eighty-Nine Thousand Seven Hundred Fifty-Seven and 00/100 Dollars (\$3,489,757) and issue its general obligation bonds/bond anticipation notes for such indebtedness under its corporate name and seal and upon the full faith and credit of the Town in an amount not to exceed said sum for the purpose of financing the appropriation for the Project.
- 3. The Board of Selectmen, the Treasurer and the Chief Fiscal Officer of the Town are hereby appointed a committee (the "Committee") with full power and authority to cause said bonds to be sold, issued and delivered; to determine their form and terms, including provision for redemption prior to maturity; to determine the aggregate principal amount thereof within the amount hereby authorized and the denominations and maturities thereof; to fix the time of issue of each series thereof and the rate or rates of interest thereon as herein provided; to determine whether the interest rate on any series will be fixed or variable and to determine the method by which the variable rate will be determined, the terms of conversion, if any, from one mode to another or from fixed to variable; to designate the bank or trust company to certify the issuance thereof and to act as transfer agent, paying

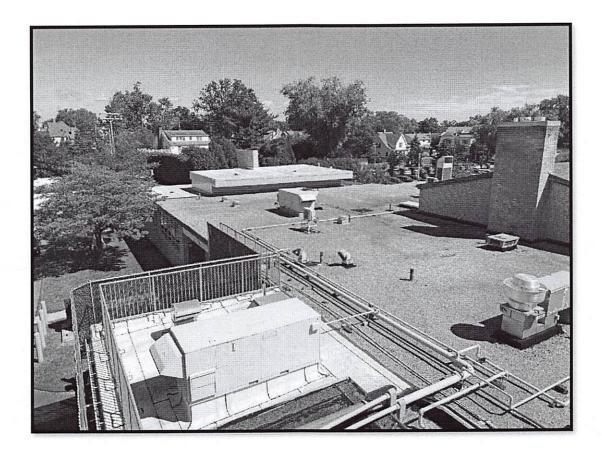

agent and as registrar for the bonds, and to designate bond counsel. The Committee shall have all appropriate powers under the Connecticut General Statutes, as amended (the "Statutes") including Chapter 748 (Registered Public Obligations Act) and Chapter 109 (Municipal Bond Issues) to issue, sell and deliver the bonds and, further, shall have full power and authority to do all that is required under the Internal Revenue Code of 1986, as amended, and under rules of the Securities and Exchange Commission, and other applicable laws and regulations of the United States, to provide for issuance of the bonds in tax exempt form and to meet all requirements which are or may become necessary in and subsequent to the issuance and delivery of the bonds in order that the interest on the bonds be and remain exempt from Federal income taxes, including, without limitation, to covenant and agree to restriction on investment yield of bond proceeds, rebate of arbitrage earnings, expenditure of proceeds within required time limitations, the filing of information reports as and when required, and the execution of Continuing Disclosure Agreements for the bonds and notes.

- 4. The First Selectwoman and Treasurer or Chief Fiscal Officer, on behalf of the Town, shall execute and deliver such bond purchase agreements, reimbursement agreements, line of credit agreement, credit facilities, remarketing, standby marketing agreements, standby bond purchase agreements, and any other commercially necessary or appropriate agreements which the Committee determines are necessary, appropriate or desirable in connection with or incidental to the sale and issuance of bonds, and if the Committee determines that it is necessary, appropriate, or desirable, the obligations under such agreements shall be secured by the Town's full faith and credit.
- 5. The First Selectwoman and Treasurer or Chief Fiscal Officer shall execute on the Town's behalf such interest rate swap agreements or similar agreements related to the bonds for the purpose of managing interest rate risk which the Committee determines are necessary, appropriate or desirable in connection with or incidental to the carrying or selling and issuance of the bonds, and if the Committee determines that it is necessary, appropriate or desirable, the obligations under such interest rate swap agreements shall be secured by the Town's full faith and credit.
- 6. The bonds may be designated "Public Improvement Bonds of the Town of Fairfield", series of the year of their issuance and may be issued in one or more series, and may be consolidated as part of the same issue with other bonds of the Town; shall be in serial form maturing in not more than twenty (20) annual installments of principal, the first installment to mature not later than three years from the date of issue and the last installment to mature not later than twenty (20) years from the date of issuance or as otherwise provided by statute. The bonds may be sold at an aggregate sales price of not less than par and accrued interest at public sale upon invitation for bids to the responsible bidder submitting the bid resulting in the lowest true interest cost to the Town, provided that nothing herein shall prevent the Town from rejecting all bids submitted in response to any one invitation for bids and the right to so reject all bids is hereby reserved, and further provided that the Committee may sell the bonds on a negotiated basis, as provided by statute. Interest on the bonds shall be payable semi-annually or annually. The bonds shall be signed on behalf of the Town by at least a majority of the Board of Selectmen and the Treasurer, and shall bear

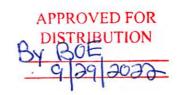

the seal of the Town. The signing, sealing and certification of the bonds may be by facsimile as provided by statute.

- 7. The Committee is further authorized to make temporary borrowings as authorized by the Statutes and to issue temporary notes of the Town in anticipation of the receipt of proceeds from the sale of the bonds to be issued pursuant to this resolution. Such notes shall be issued and renewed at such time and with such maturities, requirements and limitations as provided by the Statutes. Notes evidencing such borrowings shall be signed by the First Selectwoman and Treasurer or Chief Fiscal Officer, have the seal of the Town affixed, which signing and sealing may be by facsimile as provided by statute, be certified by and payable at a bank or trust company incorporated under the laws of this or any other state, or of the United States, be approved as to their legality by bond counsel and may be consolidated with the issuance of other Town bond anticipation notes. The Committee shall determine the date, maturity, interest rates, form and manner of sale, including negotiated sale, and other details of said notes consistent with the provisions of this resolution and the Statutes and shall have all powers and authority as set forth above in connection with the issuance of bonds and especially with respect to compliance with the requirements of the Internal Revenue Code of 1986, as amended, and regulations thereunder in order to obtain and maintain issuance of the notes in tax exempt form.
- 8. Pursuant to Section 1.150-2, as amended, of the Federal Income Tax Regulations the Town hereby declares its official intent to reimburse expenditures (if any) paid for the Project from its General or Capital Funds, such reimbursement to be made from the proceeds of the sale of bonds and notes authorized herein and in accordance with the time limitations and other requirements of said regulations.
- 9. The First Selectwoman, Chief Fiscal Officer and Town Treasurer are hereby authorized, on behalf of the Town, to enter into agreements or otherwise covenant for the benefit of bondholders to provide information on an annual or other periodic basis to the Municipal Securities Rulemaking Board (the "MSRB") and to provide notices to the MSRB of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds and notes authorized by this resolution.
- 10. The Committee is hereby authorized to take all action necessary and proper for the sale, issuance and delivery of the bonds and notes in accordance with the provisions of the Statutes and the laws of the United States.
- 11. The First Selectwoman or other proper Town official, including the Board of Education, is authorized to apply for and accept any available State or Federal grant in aid of the financing of the Project, and to take all action necessary and proper in connection therewith. Any such grants or contribution received prior to the issuance of the bonds authorized herein shall be applied to the costs of the Project or to pay at maturity the principal of any outstanding bond anticipation notes issued pursuant this resolution. If such grants and contributions are received after the issuance of the bonds, they shall be applied

to pay the principal on the bonds or as otherwise authorized by the Board of Selectmen, Board of Finance and Representative Town Meeting provided such application does not adversely affect the tax-exempt status of the bonds or the Town's receipt of such grant or contribution.

Roger Sherman Elementary School Partial Roof Replacement Project

Roger Sherman Elementary School

Roger Sherman Elementary School Partial Roof Replacement \$1,916,647

<u>Background</u>: Five roof areas are at the end of their useful lives and are in need of replacement. Two roofs were installed in 1991, and the other three were installed in 2000. These roofs are out of warranty as of 2016 and 2020, respectively. The roof systems are showing signs of failure, and our roof preventative maintenance contractor has reported that it is time to replace these roofs before further damage increases rapidly. This request is for the funding of the replacement of these roofs.

<u>Purpose & Justification</u>: The conditions of these five roofs are declining, and leaks are increasing in frequency and severity. Replacing these roofs now will prevent the need to replace them in an emergency, thus preventing disruption to the school's learning environment.

<u>Detailed Description</u>: This expenditure would cover the total costs for removing the five roof areas down to the existing roof deck and installing a new roofing system. These funds would also cover the bidding and construction administration costs and a contingency for unforeseen conditions that might be uncovered during construction activities. The replacement of a new roofing system will carry a minimum twenty-year warranty.

<u>Estimated Cost</u>: The cost of this funding request is \$ 1,916,647. This number was based on the probable cost estimate provided a Silver/Petrucelli Architects, the architectural design firm hired to design this roof replacement project.

Long Range Costs: Roof replacements will reduce the maintenance costs on old roofs and produce energy savings through a better insulated roof system. This roof replacement project is part of the Fairfield Public Schools waterfall schedule, and the anticipated life of this upgrade is 20+ years with our current roof preventative maintenance program.

<u>Demand on Existing Facilities</u>: This project would reduce the maintenance costs for roof repairs and increase energy efficiency in the building.

<u>Security</u>, <u>Safety</u>, <u>and Loss Control</u>: The new roofing system will provide a dry and safe environment for optimum working and learning.

<u>Environmental Considerations</u>: The new roofing system would meet all new current codes and be consistent with the industry standard. It would also reduce greenhouse gases through increased energy efficiency.

<u>Funding, Financing & OSCG&R</u>: This project would not proceed without funding approval. This project does qualify for reimbursement through the OSCG&R program.

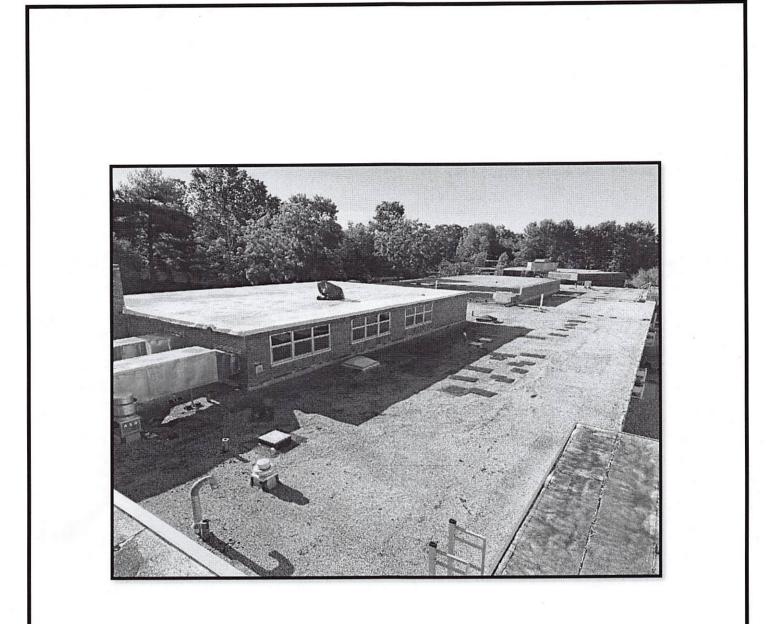

<u>Schedule, Phasing & Timing</u>: The schedule for this project would be a late fall bid in 2022. This early bidding will facilitate the best pricing for a 2023 summer recess project. All work would be performed and completed during the 2023 summer recess.

<u>Other Considerations</u>: The Town Purchasing Department will bid out this work, which will be awarded to a licensed professional contractor. The Town's attorney will review all contracts and advise the Board of Selectmen on executing contracts with the winning bidder. This project does require the formation of a Town of Fairfield Roof Building Committee to qualify for CT OSCG&R reimbursement.

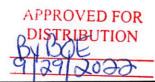

<u>Alternates to The Request</u>: The alternate would be to keep performing regular maintenance and repairs to a failing infrastructure at a higher cost. Additionally, by not performing this work, we risk the ability to provide a dry and secure building. Not performing this work can potentially compromise the indoor air quality of the building.

Riverfield Elementary School Partial Roof Replacement Project

Riverfield Elementary School

Riverfield Elementary School Partial Roof Replacement

<u>Background</u>: Riverfield had a new roof installed in 1991. In 2012 a roof warranty extension project was done to extend the useful life of the roof area. This past year the roof system began to exhibit signs of rapid failure and increased leaks in quantity and severity. Our roof preventative maintenance contractor (Tecta America) performed several larger area repairs that will be sufficient to maintain a dry building for this school year. Tecta America has reported that it is time to replace these roofs before these 'temporary' larger area repairs fail and further damage increases rapidly. This request is for the funding of the replacement of these roofs.

<u>Purpose & Justification</u>: The conditions of these four roofs are declining, and leaks are increasing in frequency and severity. Replacing these roofs now will prevent the need to replace them as an emergency, thus preventing disruption to the school's learning environment.

<u>Detailed Description</u>: This expenditure would cover the total costs for removing the five roof areas down to the existing roof deck and installing a new roofing system. These funds would also cover the bidding and construction administration costs and a contingency for unforeseen conditions that might be uncovered during construction activities. The replacement of a new roofing system will carry a minimum twenty-year warranty.

Fairfield Board of Education Proposed Capital Project 2022-2023

Air Conditioning Upgrade Project – Phase I (North Stratfield Elementary School, Osborn Hill Elementary School & Fairfield Woods Middle School)

Approved by the Board of Education on February 3, 2022

501 Kings Hwy East, Suite 210 Fairfield, CT 06825 203-255-8309

February 3, 2022

Dear Board of Education Members:

This booklet provides an overview for the following 2022-2023 Proposed Capital Project Request:

• Districtwide Air Conditioning Upgrade Project- Phase I (North Stratfield Elementary School, Osborn Elementary School & Fairfield Woods Middle School)

We have included the above project in the Fairfield Public Schools' Facilities Plan Waterfall Schedule. Information for this project is provided using the 12-point format devised by the Town of Fairfield and includes:

- > Justification and background information.
- A cost estimate that includes previous project information, verbal quotations, and/or written proposals.

We hope you find this information helpful, and we are confident it will answer many of your questions as we begin the budget discussions. Thank you for your continued support.

Sincerely,

Michael Cummings

<u>Location</u>	Project	Estimated Cost	<u>Page</u>

Districtwide	Air Conditioning Upgrade Project – Phase 1 (North Stratfield Elementary School, Osborn Hill Elementary School &Fairfield Woods Middle School)	\$ 22,701,443	1
Total		\$ 22,701,443	

<u>Background</u>: The Fairfield Board of Education has been working towards adding airconditioning to all seventeen school buildings in the district. Burr, Holland Hill, McKinley, Mill Hill, Riverfield, Roger Sherman, Stratfield Elementary schools, and Roger Ludlowe Middle school have complete air-conditioning systems. Jennings, Dwight, North Stratfield, Osborn Hill, Elementary schools, Fairfield Woods and Tomlinson Middle schools, Fairfield Warde, Fairfield Ludlowe, and Walter Fitzgerald High schools have had portions of the buildings air-conditioned using integrated systems or split units. This phase I project would complete the air-conditioning at North Stratfield Elementary School, Osborn Hill Elementary School, and Fairfield Woods Middle School.

<u>Purpose & Justification</u>: The purpose of this project would be to add air-conditioning to North Stratfield Elementary School, Osborn Hill Elementary School, and Fairfield Woods Middle School. Currently, these buildings do not have a large project on the BOE waterfall chart. This project is justified as it would begin to create equality among all district buildings in airconditioned spaces. In addition, the lack of air-conditioning and the ability to bring fresh air into the building was found to be a significant deficiency during the current pandemic. This project would assist in improving the indoor air quality at non-air-conditioned buildings by reducing areas that can become conducive for mold growth during hot and humid days. Additionally, increasing air-conditioning and air movement in the buildings would increase the air that moves through our air filtration system.

<u>Detailed Description</u>: This expenditure would cover the total cost of this project, and the cash flow distribution would occur over the next three years. (See attached Appendix 2) This funding request would cover all aspects of this project, from planning schematics to equipment installation. Additionally, this funding would cover necessary repairs/replacement/alterations required for the installation of AC - such as acoustic ceilings, LED lights, fire protection system alterations, and the addition of a fire suppression system where deficient. Lastly, this project funding would include commissioning and balancing the new AC system and updating the automated building controls systems where required.

<u>Estimated Cost</u>: The cost of this funding request is \$22,701,443. This number was calculated by determining an operating budget that allows us to perform a complete building evaluation of each of the schools and the best approach to meet the fundamental needs of each building while performing this work. This number also considers a \$1,000,000 grant from the Town and a \$116,320 grant to the BOE.

<u>Long Range Costs</u>: This project would bring additional costs to the district operating budget to provide supplemental equipment needed to perform preventative maintenance. However, new equipment, and filter changes on existing equipment, will allow both to run more efficiently and will positively impact the electrical draw at each building.

<u>Security</u>, <u>Safety</u>, <u>and Loss Control</u>: This project will play a significant role in improving indoor air quality along with improvements in building conditions. This project will enable us to control building moisture and alleviate the safety hazards, unsafe buildings, and material loss created by mold.

Environmental Considerations: All new equipment will meet all regulatory standards.

<u>Funding, Financing & OSCG&R</u>: This project would not proceed without funding approval. There are no State or Federal regulations required for this project at this time. We will continue to look at possible state or federal grants that may help offset the cost of this project. In addition, the project will apply for reimbursement from OSCG&R. Additionally, the Town has committed \$1,000,000 to this project through their ARPA grant application, and the Board of Education has committed \$116,320 to this project through their ESSER II grant.

<u>Other Considerations</u>: The Town Purchasing Department will bid out this work performed by outside professionally licensed contractors. This project will be assigned to a building committee to oversee and meet the state reimbursement requirements.

<u>Alternates to The Request</u>: The alternative to this request would be to divide this project by building and add them to the Board of Education's waterfall over a period of time.

Backup and Additional Detail for Revenue Surplus Transfers

After the transfer of \$8.4 million into the Remediation Account, journal entries will be made to segregate the funding into four separate capital accounts according to the following schedule:

Construction - Penfield: \$8 million Remediation – Penfield: \$200,000 Remediation – Fill Pile Berm: \$200,000

The following table shows the estimated funding needs for future fill pile and Penfield Construction costs, as well as sources of funding to pay for those costs.
