Ken Astarita, District 1 asked how the \$4 million salary increase will affect the budget. Supt. Testani said it would not have a huge impact; they do not want to disrupt the students so they have taken measures, reviewed efficiencies and offsets so the budget will not grow at an unattainable rate.

Dru Georgiadis, District 9 thanked all the parties involved in the negotiations; a lot was achieved especially eliminating the starting steps and “bubble”.

Steve Berez, District 7 said he will note to reject the rejection of the contract and encouraged the Body to do the same.

VOTE: The resolution to reject the collective bargaining agreement was rejected by unanimous voice vote.

There being no further business, the meeting adjourned at 8:50 PM.

Respectfully submitted,

Elizabeth P. Browne, MMC, MCTC
Town Clerk
