

CANCELLATION of Senior & Disabled Tax Relief Meeting 03-23-2022 at
6:30pm

I am so sorry for the last minute cancellation, but I am not feeling well, Rep Gale is quarantining, and Rep McDermott needs to leave early to moderate the BoE meeting. I am worried we are going to lose quorum and that we should reschedule for a night when we can all hopefully be together in the same room.

Rep Perham is going to put a notice outside the door in Old Town Hall.

Please let me know if there is anything else that I should do to notify the public of the cancellation.

Thanks!

Jill
