SUBJECT: New Solid Waste & Recycling Regulations Effective July 1, 2025

Over the past few months, the Fairfield Solid Waste & Recycling Commission and the Solid Waste & Recycling Department have reviewed and revised the Solid Waste & Recycling Regulations, most recently revised in June 2024.

The revised Solid Waste & Recycling Regulations were reviewed in the April 14th SWRC Meeting, and the revised Regulations were posted online and sent to the SWR Haulers that serve Fairfield for comments. No comments were received. Accordingly, the new Regulations were approved in the May 12th SWRC meeting and are available for review on the Fairfield SWRC website.

The purpose of this Public Hearing is to hear comments from the general public on the approved Regulations, which will then be sent to the RTM for approval prior to posting.

Public Comments:

Please limit your discussion to three (3) minutes.
