Fairfield, CT 06824

EMERGENCY PARKING RESTRICTIONS

Mission:

In order to facilitate snow and ice removal, and to insure the safety of all residents, the First Selectwoman may issue an executive order instituting an on-street alternate side-parking ban for the Town of Fairfield.

Criteria for Ban:

- Projected significant snow/ice accumulations.
- Projected school/government closures.
- Ban must be issued with at least 12 hours' notice.
- Ban to be announced via media, social media, and Everbridge.

Directions:

1. For the purpose of facilitating the plowing and/or removal of snow and ice, and to prevent the obstruction of traffic in time of snow and/or ice accumulation upon the public streets of Fairfield, alternate side of the street parking shall take effect.
2. Once the executive order is issued, street parking shall only be allowed on the *even-numbered* side of any street from the time the ban is issued and last for 36 hours, or sooner if the ban is lifted.
 - Any vehicle found standing or parked in violation of this executive order may be issued a parking ticket and/or removed by towing at the discretion of the Fairfield Police Department.
 - Any vehicle owner/operator who fails to comply with said order may be issued an infraction for CGS 7-148, \$100 fine, at the discretion of the Fairfield Police Department.
3. Residents who cannot find a location to park on an *even-numbered* side of a street may park in any Board of Education parking lot without permit or fee. Once the ban is lifted, and the lot cleared, residents must move their vehicles out of said lots.
