

## STORM ISAIAS ROAD CLOSURE UPDATE

There are currently 24 roads in Fairfield which are known to be fully blocked. This is down from over 80-yesterday morning and a peak of over 100 during the height of the storm. We currently have 242 partially blocked. Currently, all blocked roadways involve wires, requiring United Illuminating to address before DPW can clear the roadway.

Through our partnership with Waze, the Fairfield Police Department has reported all complete closures to the app. To ensure ease of navigation in the Town of Fairfield, CT, consider using Waze to arrive safely to your destination.

If your road is fully blocked and not on the attached list, please call the Fairfield CT Emergency Communications Center at 203-254-4800 and select Option 0.
