

Updated Contact Information for Governor Lamont

Dear Fairfielders,

Earlier this evening, we sent an email about United Illuminating's plan to place monopoles in Fairfield. It has come to our attention that the email address we provided to contact Governor Lamont isn't working properly.

Please use this link to reach the Governor. Select "General Comments" in the drop down in the Issue line. Ask him to consider the gravity of United Illuminating's plan to place monopoles in Fairfield and use every lever of government to find an alternative solution.

We apologize for any inconvenience caused by the previous information. It is important to us to provide accurate and reliable information to ensure effective communication. We appreciate your continued engagement with important matters in our Town.

If you have any further issues, please reach out to us at firstselectman@fairfieldct.org.
