10/13/2020 - Fairfield Announces Fairfield Eats 2020 Promotion

The Town of Fairfield is sponsoring Fairfield Eats, a special promotion to support and celebrate local restaurants. Fairfield Eats, which is being offered in lieu of a traditional Restaurant Week this year, allows foodies to partake in two weeks' worth of deals. Special offerings include price fixe menus, family meal discounts, take-out options and the chance to win a \$50 gift certificate from participating restaurants.

The two-week promotional period kicks off Monday, October 19th and runs through November 1st.

This has been a year unlike any other, and we know that many small businesses, notably restaurants, have been hit hard by the pandemic," stated Community & Economic Development Director Mark Barnhart. "We've worked with our restaurateurs to expand outdoor dining options, but we wanted to do more to support our many great restaurants as we move deeper into the fall season. Fairfield Eats presents the perfect opportunity for residents to patronize their favorite local eateries during this uncertain time, by either dining in or taking out," Barnhart continued.

First Selectwoman Brenda Kupchick said, "Fairfield is lucky to be home to some of the best restaurants in Fairfield County and the State. I hope residents will continue to show their support of our local small businesses that have always donated to local charities and causes, and are an integral part of Fairfield's economy. Let us come together for the next two weeks to dine or take out at the diverse selection of restaurants in our town."

As an added incentive for guests to dine during the promotional period, the Town will conduct a drawing for a chance to win a gift card to one of the participating restaurants. Patrons who go to the *Experience Fairfield* website and submit a picture of two or more date stamped receipts will be entered into the prize drawing. Additional rules of entry can be found on www.experiencefairfieldct.org/eats.

Fairfield Eats is expected to feature more than three dozen restaurants from which to choose.
