2/12/2021 - 2.12 TOWN UPDATE

Dear Fairfielders,

The COVID data for Fairfield is trending in a positive direction and in Connecticut we are seeing less hospitalizations and deaths. Public health officials are hopeful the second peak is behind us, but it is unclear what the impact will be of the new COVID-19 variants. It is reported the new variants are more easily transmitted and could potentially cause another spike in cases.

I was advised today that one of our Fairfield COVID-19 cases reported in late January has been identified as the B117 (UK) variant. This case was a student in the Fairfield Public Schools. Contact tracing was completed, all contacts were quarantined at that time, and the student has already completed their isolation period. The Health Department has consulted with the CT Department of Public Health and no further actions are required at this point. The Connecticut Department of Public Health is reporting that 42 individuals have tested positive for the B117 variant in Connecticut.

Certainly, vaccinations are making a difference, and the State will be able to vaccinate citizens more quickly with the increased availability of vaccines through participating pharmacies and hospitals. While the news of positive cases going down is hopeful, I want to remind our residents to remain cautious, especially since the COVID-19 B117 (UK) variant has been identified in Connecticut. It is important for everyone to continue to wear a mask, wash your hands, and keep a safe distance from those outside of your household.

COVID-19 UPDATE:

For the most up-to-date information from the State of Connecticut on COVID-19, residents can visit ct.gov/coronavirus. You can also subscribe to text message alerts from the state by texting the keyword **COVIDCT** to **888-777**.

Vaccine Information:

As of the end of today, the Fairfield Health Department administered 6,958 vaccines to those eligible and they have an additional 4,700 appointments scheduled this month.

The Fairfield Health Department's vaccine clinic continues to fill up their appointments. They can only schedule as many appointments as vaccines are provided by the State. Please keep in mind Fairfield residents are able to book appointments at clinics throughout the State.

If you are having difficulty scheduling your appointment through VAMS, here are some links that may be helpful: [VAMS Navigation Instructions](#) and How to [Create your VAMS Account](#) and [Schedule Your First Appointment](#).

- Yale New Haven Health - If your Doctor is affiliated with Yale New Haven Health you can create an appointment through [MyChart](#).
- Hartford HealthCare - Hartford HealthCare is taking vaccination appointments for their location at St. Vincent's Hospital in Bridgeport. For more information, you can find it [here](#).
- Stamford Hospital - You can check your eligibility and schedule an appointment with Stamford Hospital. For more information, you can find it [here](#).
- While there are no locations in the direct Fairfield area, there are currently 12 Walgreens pharmacies in CT who are accepting COVID-19 vaccination appointments. For more information and a list of their locations please see their [website](#).

Eligible residents for the COVID-19 vaccinations include all Phase 1a individuals and only those Phase 1b individuals who are 65 years of age and older.

Phase 1a individuals include:

* Healthcare Personnel: all paid and unpaid persons serving in healthcare settings

who have potential for direct or indirect exposure to patients or infectious materials.

* Long Term Care Facility Residents: adults who reside in facilities that provide a range of services, including medical and personal care, to persons who are unable to live independently.

* First Responders at risk of exposure to COVID-19 through their responses to medical emergencies such as Emergency Medical Technicians, Police, and Fire.

Phase 1b individuals:

***Those who are 65 years old.** Proof of age will be required at the clinic.

*Residents and staff of select congregate settings.

If you fall under Phase 1a, you should register through your employer. For those in the Phase 1b category of 65 and older, you should complete the State form below:

CT Vaccination Phases & Eligibility

Fairfield's COVID-19 Vaccine Call Center at 203-256-3082.

If you are a Fairfield resident who is currently eligible but does not have the ability to schedule an appointment via the computer, you can call our COVID-19 Vaccination Call Center where a volunteer will assist you in obtaining an appointment.

With thanks to our new Director of the Bigelow Center for Senior Services, Brenda Steele, and the [CERT](#) volunteers staffing it each day, the phone line is targeted to provide support and guidance for eligible vaccine recipients. **The call center is open Monday through Friday from 10:00 a.m. to 1:00 p.m.** and voicemails will be returned when calls come in outside the operating hours.

CERT has gone above and beyond throughout the pandemic to respond to the needs of our Town, through volunteering at the outdoor food pantry, grocery bag pick up, PPE pick up, contact tracing, and now the call center. I hope you'll join me in thanking our Community Emergency Response Team volunteers for putting in 4,090 hours of service in 2020, and for their continued efforts this year on the behalf of our

community.

The State Appointment Assistance Hotline is 1-877-918-2224 is available for assistance. [Click here for the State Fact Sheet](#) about the vaccine.

We will continue to post the latest information on the [Town website](#), and the social media pages for the Health Department, the Town of Fairfield and my office. For a full listing of those social media pages, [click here](#).

Town Data: The Town of Fairfield has had 3,942 cases to date, and 194 of Fairfield residents have sadly lost their lives. Charts and data on Fairfield cases, including daily & weekly changes, age, gender, nursing home statistics, testing results, different trends, and university statistics, can be found at www.fairfieldct.org/covid19data. The Health Department updates this page daily.

The Health Department also updates the COVID-19 [School Data page](#), which details the school-related metrics and is updated each week as the State releases the data. The Fairfield Board of Education also has a dashboard on their homepage at <https://www.fairfieldschools.org>.

Drive-Through Testing Location: Fairfield will have a drive-through COVID-19 testing location thanks to a partnership with Yale New Haven Health. The location will be open for testing seven days a week at the Mill Plain Road Commuter Parking Lot, with an anticipated March 1st opening. You can view other COVID testing locations by clicking the "Testing Locations" button below.

COMMUNITY NEWS

Sustainable Fairfield Task Force: This month, Fairfield earned new honors, for our community sustainability efforts. This recognition is an outstanding achievement for Fairfield, demonstrating that the Town is keeping pace with and even surpassing the

efforts of many of the nation's largest communities when it comes to supporting the adoption of environmentally friendly energy sources. I would like to sincerely thank the good work of the Task Force for all they do to make Fairfield a better place. To read more, click [here](#).

As a town, state and nation, we are still dealing with the challenges of living life during a pandemic and its impact on our town services, the schools, and the economy. I will continue to include helpful resources for our residents and businesses. I hope you will take some time to review them below.

I hope you have a safe and good weekend.

Introducing our Love Local Bingo Contest for the month of February! It's easy to play: make BINGO on one of two game cards by visiting and making

purchases at one of 47 participating Fairfield businesses during the month of February. Once you have BINGO, take and upload a picture of your winning game card and fill out an entry form at ExperienceFairfieldCT.org/Bingo. You will also need to upload an image of your dated stamped receipts via the link provided as proof of purchases in order to have a chance to win a \$250 shopping spree and other great prizes. For a complete list of contest rules and to download your game board, go to ExperienceFairfieldCT.org/Bingo.

Elderly and Disabled Homeowners Program Update:

The Governor recently issued Executive Order [10](#), which includes a provision to eliminate the refiling requirement for those applicants due to refile this year.

If you are due to refile this year, you will not need to reapply and your benefits will continue at the same level. The Tax Assessor's office will be sending you a postcard to confirm this the week of February 8th.

If you are seeking the benefit for the first time you will need to apply, please contact the [Tax Assessor's office](#) at 203-256-3110 and the office will work with you on the process.

The Executive Order did not extend the final date to apply of May 14, 2021. If you cannot apply by this date you will need to request an extension from the Office of Policy and Management by August 13, 2021. The Tax Assessor's office will be able to provide residents the instructions on how to request an extension.

WINTER WEATHER

Resident Snow Shoveling: Per Town ordinance, Fairfield property owners are responsible for removing snow and ice from the sidewalk along their property line within 24 hours after the storm and keeping the sidewalk clear of snow and ice. Heavily used sidewalks near schools and public buildings, and the commercial areas

are particularly important. Property owners may be fined and/or charged the cost of removal if the property owners do not comply.

I have received calls from residents concerned about sidewalks that are not shoveled. In many instances, those sidewalks are in front of elderly or disabled resident's homes. The town will continue to do our best to remind residents of their responsibility while taking into consideration that it may not always be possible for all residents to shovel within the 24 hour time period.

If you have snow removal concerns or would like to request a street be re-plowed, please enter a [Citizen Service Request](#) and select 'Snow Removal Issues' or call the Town Garage at 203-256-3177. For more information on Fairfield plowing and snow removal policies, [click here](#).

It is also state law in Connecticut to remove snow and ice from your vehicle before driving on roads. When you fail to remove snow and ice from your vehicle you are putting yourself and others at risk. Penalties can be as much as \$120 fine.

STRATFIELD VILLAGE ASSOCIATION BRICK CAMPAIGN

The Stratfield Village Association (SVA) is a certified 501 c3 non-profit organization, which aims to preserve, protect and improve the character of the Stratfield Village neighborhood in Fairfield. On January 13th they announced the launch of a brick fundraising campaign to supplement funding to the Four Corners renovation project. Individuals and businesses will be able to purchase a brick with a customized

engraving to be included in the new brick sidewalks that are part of the project.

The engraved bricks will be made available for purchase during two, five-week periods – the first starting Friday, January 15, and the second starting Monday, April 19. There are a limited number of bricks available because of space constraints.

The SVA's personalized sales page is at bricksrus.com/donorsite/stratfieldvillageassociation. Bricks can be purchased in two sizes – 4"x 8" for \$100 with up to three lines of text, or 8"x 8" for \$200 with up to 6 lines of text. Lastly, a corporate sponsor may purchase an 8"x 8" brick with 3 lines of text and include a company logo.

The SVA has raised \$900,000 of its \$1 million goal for the project to date.

TAX DEFERMENT

Governor Lamont's recently signed [Executive Order No. 9R](#) which allows towns to again offer deferment for property tax payments. The new Executive Order allows towns to offer deferment for taxes due January 1. The extension will be for a total of 90 days, (an additional 60 days beyond the normal grace period). **The revised due date is April 1.** Anyone who fails to pay by the new April 1 deadline would have to pay three months of interest added along with his or her existing bill. Escrow accounts are still ineligible for deferment. For more information and eligibility for commercial landlords, visit fairfieldct.org/taxcollector. **Please be advised that People's Bank is unable to accept payments at their branch location for this deferment during the 60 day extension of February 2nd to April 1st. We apologize for any inconvenience.**

A graphic for the Fairfield Tax Deferment Program. It features a background image of a large, light-colored building with a dome, likely a government or institutional building. Overlaid on this image is a white rectangular box containing text. The title 'FAIRFIELD TAX DEFERMENT PROGRAM' is in bold, black, uppercase letters. Below the title, the text states that Governor Lamont signed Executive Order 9R allowing deferment for property taxes due January 1. It then specifies that the extension will be for a total of 90 days, including an additional 60 days beyond the normal grace period, with a revised due date of April 1. At the bottom, it provides more information and eligibility for commercial landlords at the website www.fairfieldct.org/taxcollector.

COVID CONTACT TRACING

One of the key tools we have to contain the spread of COVID-19 is Contact Tracing. For this initiative to be successful, the Health Department needs the cooperation of residents who test positive for COVID-19. Both Universities were trained and assisted by our Health Department to manage their own contact tracing for their respective campuses.

The primary purpose of contact tracing is to identify and notify direct contacts of confirmed cases as quickly as possible and to ensure those exposed are self-quarantining. The information provided in the interviews with confirmed cases helps reduce the potential spread of the virus in our community.

Any Fairfield resident who tests positive for COVID-19 and has not received a phone call from the Fairfield Health Department or the Connecticut COVID Tracing system within 24 hours of receiving their result is urged to contact the Fairfield Health Department at 203-256-3022. Calls received after hours or on weekends, will be returned by the next business day.
