2/5/2021 - 2.5 TOWN UPDATE

Dear Fairfielders,

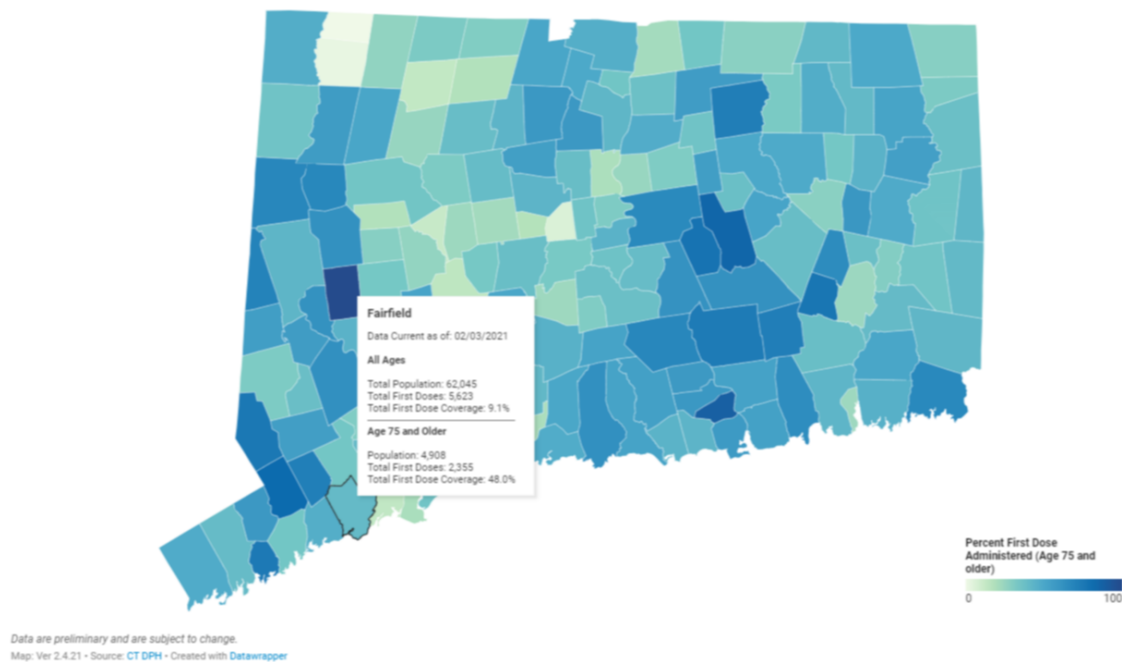

We are entering the beginning of the budget cycle for our town. Over the last several weeks, I have spent the majority of my time focused on the town's 2022 fiscal year budget. I have been meeting with the department heads and my administrative team working on my reorganization plan for our town's government. On March 1st, I will present my budget proposal before the Board of Selectman followed by several days of budget hearings. The Board of Finance will then begin their process of reviewing the budget starting on March 11th, where they can reduce or add funds to the budget. The last step is for approval by the RTM in early April for final passage in May.

The overall town budget includes the town side spending and the Board of Education's budget request. It is my responsibility as the First Selectwoman to merge both budgets and make adjustments to ensure a fiscally responsible budget for our taxpayers. The final budget, and mill rate, both approved in early May, will be effective as of July 1, 2021.

## WINTER WEATHER

**Resident Snow Shoveling:** Per Town ordinance, Fairfield property owners are responsible for removing snow and ice from the sidewalk along their property line within 24 hours after the storm and keeping the sidewalk clear of snow and ice. Heavily used sidewalks near schools and public buildings, and the commercial areas are particularly important. Property owners may be fined and/or charged the cost of removal if the property owners do not comply.

Following the recent snow storm I have received calls from residents concerned about sidewalks that are not shoveled. In many instances, those sidewalks are in front of elderly or disabled resident's homes. The town will continue to do our best to remind residents of their responsibility while taking into consideration that it may not always be possible for all residents to shovel within the 24 hour time period.

If you have snow removal concerns or would like to request a street be re-plowed, please enter a [Citizen Service Request](#) and select 'Snow Removal Issues' or call the Town Garage at 203-256-3177. For more information on Fairfield plowing and snow removal policies, [click here](#).

It is also state law in Connecticut to remove snow and ice from your vehicle before driving on roads. When you fail to remove snow and ice from your vehicle you are putting yourself and others at risk. Penalties can be as much as \$120 fine.

The Stratfield Village Association (SVA) is a certified 501 c3 non-profit organization, which aims to preserve, protect and improve the character of the Stratfield Village neighborhood in Fairfield. On January 13th they announced the launch of a brick fundraising campaign to supplement funding to the Four Corners renovation project. The engraved bricks will be made available for purchase during two, five-week periods – the first starting Friday, January 15, and the second starting Monday, April 19. There are a limited number of bricks available because of space constraints.

Lastly, a corporate sponsor may purchase an 8"x 8" brick with 3 lines of text and include a company logo.

The SVA has raised \$900,000 of its \$1 million goal for the project to date.

## COVID CONTACT TRACING

One of the key tools we have to contain the spread of COVID-19 is Contact Tracing. For this initiative to be successful, the Health Department needs the cooperation of residents who test positive for COVID-19. Both Universities were trained and assisted by our Health Department to manage their own contact tracing for their respective campuses.

The primary purpose of contact tracing is to identify and notify direct contacts of confirmed cases as quickly as possible and to ensure those exposed are self-quarantining. The information provided in the interviews with confirmed cases helps reduce the potential spread of the virus in our community.

Any Fairfield resident who tests positive for COVID-19 and has not received a phone call from the Fairfield Health Department or the Connecticut COVID Tracing system within 24 hours of receiving their result is urged to contact the Fairfield Health Department at 203-256-3022. Calls received after hours or on weekends, will be returned by the next business day.
