3/12/2021 - 3.12 TOWN UPDATE

Dear Fairfielders,

## **BUDGET:**

On Monday, my Fiscal Year 2021-2022 proposed budget passed the Board of Selectmen. Last night, I presented my budget and reorganization plan for our Town government before the Board of Finance (BOF). The Board of Finance will continue to hold budget hearings over the next month. You can view last night's meeting [here](#), and the BOF budget hearings/deliberations schedule can be found [here](#).

If you'd like to take a look at my budget presentation, reorganization slides, or full budget you can click on the links below.

- [Budget Presentation](#)
- [Reorganization Slides](#)

Following the Board of Finance vote at the end of March, the budget will go before the Representative Town Meeting (RTM) for review and a final vote.

## **FILL PILE:**

While my administration and I have been hard at work putting together and presenting my Fiscal Year 2021-2022 proposed budget, the fill pile continues to be an important issue that requires my attention. This is an ongoing challenge for our community and my administration as we continue to work with the regulating agencies. To keep my commitment of transparent communication, I am providing this latest update.

### **Fill Pile/Reclamation Yard**

I am pleased to report that our Licensed Environmental Protection (LEP), Weston & Sampson, has completed the second round of testing at the fill pile/reclamation yard site last week and are analyzing the test results. I will provide more information when those results are completed. In response to the Department of Energy and Environmental Protection's (DEEP) Notice of Violation, our LEP will develop a draft remediation plan for the Town's consideration. After I have reviewed the plan, it will then be submitted to the U.S. Environmental Protection Agency (EPA) and DEEP for their approval. Once we have the regulatory approval, we can begin site remediation efforts. We cannot continue with remediation efforts until we have all final approvals, which have been delayed due to COVID-19. When the LEP's testing analysis is complete, I will post the data on the fill pile website.

### **Additional Remediation Sites**

We have completed negotiations on the Consent Order with the Department of Energy and Environmental Protection (DEEP) for our remediation sites. This order establishes the ground rules, under which the Town will be able to finally move forward, with testing and cleanup of sites where fill pile/reclamation yard materials were illegally placed. The final testing of materials at some of the sites has commenced (to determine the proper disposal method); final testing at the remaining sites will follow. We expect sign-off of remediation plans to begin before the summer, assuming no additional contaminants are found.

### **Waste Water Treatment Plant Hardening Project**

This project provides a water tight wall surrounding the waste water treatment plant (which processes all the Town's waste water and sewage) and other buildings nearby to "protect" the site and enable the plant to continue operations in the event of a storm/flood event. This is a major project for our Town and is about three quarters towards completion. During my last update on the waste water project, I shared with residents that contaminants were discovered at the site while work was being done. It was determined the contaminants were historical in nature and not related to the fill pile, but nonetheless must be removed and remediated. The project work is expected to be completed this Spring.

### **Related Litigation**

As previously reported, the Town is aggressively pursuing its legal claims, in court, against the LEP hired under the prior administration (Osprey Environmental). The Town's lawsuit is separate from the pending criminal proceedings by the State's Attorney Office. Additionally, the Town has identified, and will continue to do so, third parties who arranged for the illegal dumping of hazardous materials at the fill

pile/reclamation yard site. The Town has brought an action in Federal court against those entities to recover any associated costs incurred to address the environmental contamination.

My administration will continue to work diligently to resolve all of the Town's outstanding contamination issues, in collaboration with the EPA and DEEP. I will share any updates with our community as they become available.

---

I hope you have a safe and enjoyable weekend.

Brenda L. Kupchick  
Fairfield First Selectwoman

### **COVID-19 UPDATE:**

For the most up-to-date information from the State of Connecticut on COVID-19, residents can visit [ct.gov/coronavirus](https://ct.gov/coronavirus). You can also subscribe to text message alerts from the state by texting the keyword **COVIDCT** to **888-777**.

---

On Wednesday, I was excited to speak at the grand opening of St. Vincent's Medical Center in partnership with Hartford Healthcare's new vaccine clinic on Sacred Heart University's West Campus. As a member of the 55+ eligible group, I was grateful to receive my first dose of the COVID-19 vaccine. In addition to our amazing Fairfield Department of Health's vaccine clinic, this additional clinic in our Town will go a long way in helping get more shots in the arms of Connecticut residents.

### **CDC's Guidance for Fully Vaccinated Individuals:**

Individuals are considered fully vaccinated for COVID-19 = 2 weeks after they have received the second dose in a 2-dose series (Pfizer or Moderna), or = 2 weeks after they have received a single-dose vaccine (Johnson & Johnson).

Fully vaccinated people can:

- Visit with other fully vaccinated people indoors without wearing a mask or physical distancing.
- Visit with unvaccinated people from a single household who are at low risk for severe COVID-19 disease indoors without wearing a mask or physical distancing.
- Refrain from quarantine and testing following a known exposure if asymptomatic.

For full guidance, please visit: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

### **Vaccine Information:**

As of the end of today, the Fairfield Health Department administered 12,870 vaccines to those eligible and the department has an additional 3,548 appointments scheduled over the next 4 weeks. We are proud to say that not one vaccine has been wasted or unused since the Health Department's clinics opened in January.

The Fairfield Health Department's vaccine clinic continues to fill up their appointments. The department can only schedule as many appointments as vaccines are provided by the State. Please keep in mind Fairfield residents are able to book appointments at clinics throughout the State.

If you are having difficulty scheduling your appointment through VAMS, here are some links that may be helpful: [VAMS Navigation Instructions](#) and How to [Create your VAMS Account](#) and [Schedule Your First Appointment](#).

- Yale New Haven Health - If your Doctor is affiliated with Yale New Haven Health you can create an appointment through [MyChart](#).
- Hartford HealthCare - Hartford HealthCare is taking vaccination appointments for their locations at Sacred Heart University and St. Vincent's Hospital in Bridgeport. For more information, you can find it [here](#).
- Stamford Hospital - You can check your eligibility and schedule an appointment with Stamford Hospital. For more information, please click [here](#).

- Walgreens - There are limited Walgreens Pharmacies who are offering COVID-19 vaccinations throughout CT. For more information and a list of their locations, please see their [website](#).
- CVS - There are limited CVS Pharmacies who are offering COVID-19 vaccinations throughout CT. For more information and a list of their locations, please see their [website](#).

---

**Please be aware of two COVID-19 vaccine scams circulating. One scam is a phone call, email, or letter from a vaccine manufacturer (Pfizer, Johnson and Johnson, or Moderna) asking for:**

**1. Social Security Number to help you get a vaccine appointment.**

**You should NEVER give out your Social Security number for the vaccine.**

**2. Offering cash rewards or gift cards in exchange for completing a survey. The survey asks for personal information, such as your date of birth and insurance information.**

**The vaccine manufacturers will never contact you directly to gather information.**

**For accurate and regularly updated information about the COVID Vaccine, please visit the Fairfield Health Department Vaccine update page: <https://www.fairfieldct.org/news/?FeedID=4155>.**

---

**Eligible residents for the COVID-19 vaccinations include:**

- Healthcare personnel
- Medical first responders
- Long-term care facility residents
- Residents and staff of select congregate settings
- Individuals 55 and older
- Educators/Staff in preK-12 and Childcare Providers

**Individuals in these groups are the only ones who should be scheduling appointments at this time.**

**Phase 1a individuals include:**

\* Healthcare Personnel: all paid and unpaid persons serving in healthcare settings who have potential for direct or indirect exposure to patients or infectious materials.

\* Long Term Care Facility Residents: adults who reside in facilities that provide a range of services, including medical and personal care, to persons who are unable to live independently.

\* First Responders at risk of exposure to COVID-19 through their responses to medical emergencies such as Emergency Medical Technicians, Police, and Fire.

\* Residents and Staff of select congregate settings: Staff and residents of halfway homes, inpatient mental health facilities, correction facilities, homeless shelters, domestic violence shelters, substance use and residential treatment facilities along with others.

**Educators and Childcare Providers:**

**\*Those who are Pre-K-12 Teachers, paraprofessionals, custodial staff, food service providers, school bus drivers, childcare providers ,as well as in-school administrative staff.** Does not include individuals who are not required to work on-site in a school.

Fairfield Health Department has already provided over 1,800 vaccination appointments to education/childcare staff with over 1,050 receiving their 1<sup>st</sup> dose this past week. While additional educator/childcare dedicated clinics will be offered when additional vaccine is received, those eligible can make appointments to be vaccinated at any available clinic in the state.

**Phase 1b individuals:**

**\*Those who are 55 years old.** Proof of age will be required at the clinic.

\*Residents and staff of select congregate settings.

**If you fall under Phase 1a, an Educator/Staff in preK-12, or a Childcare Provider, you should receive information from your employer or school administrators on how to register for vaccine appointments. For those in the Phase 1b category of 55 and older, you should complete the State form below:**

**State Form - 55 & Older**

**Vaccine Eligibility Schedule:**

Monday, February 22nd, Governor Lamont announced that the State will continue with an age-based approach to expanding eligibility to the vaccine. With this announcement, he released a schedule for age-based eligibility for the next several months. By laying out a clear timeline for eligibility for the vaccine, the strategy allows everyone in the State, including essential workers and those with chronic conditions, to know when they will be able to schedule an appointment. The planned schedule is as follows:

- **March 1, 2021:** Expands to age group 55 to 64

- **March 22, 2021:** Expands to age group 45 to 54
- **April 12, 2021:** Expands to age group 35 to 44
- **May 3, 2021:** Expands to age group 16 to 34

In addition to the age-based eligibility, preK-12 school staff, teachers, and professional childcare providers became eligible to receive the vaccine starting March 1st. These individuals should receive information from their school administrators or employers on how to register for a vaccine appointment.

#### **Fairfield's COVID-19 Vaccine Call Center at 203-256-3082.**

If you are a Fairfield resident who is currently eligible but does not have the ability to schedule an appointment via the computer, you can call our COVID-19 Vaccination Call Center where a [CERT](#) volunteer will assist you in obtaining an appointment. The phone line is targeted to provide support and guidance for eligible vaccine recipients. **The call center is open Monday through Friday from 10:00 a.m. to 1:00 p.m.** and voicemails will be returned when calls come in outside the operating hours.

**The State Appointment Assistance Hotline is 1-877-918-2224 is available** for assistance. [Click here for the State Fact Sheet](#) about the vaccine.

We will continue to post the latest information on the [Town website](#), and the social media pages for the Health Department, the Town of Fairfield and my office. For a full listing of those social media pages, [click here](#).

**Town Data:** The Town of Fairfield has had 4,276 cases to date, and 199 of Fairfield residents have sadly lost their lives. Charts and data on Fairfield cases, including daily & weekly changes, age, gender, nursing home statistics, testing results, different trends, and university statistics, can be found at [www.fairfieldct.org/covid19data](http://www.fairfieldct.org/covid19data). The Health Department updates this page regularly.

The Health Department also updates the COVID-19 [School Data page](#), which details the school-related metrics and is updated each week as the State releases the data. The Fairfield Board of Education also has a dashboard on their homepage at <https://www.fairfieldschools.org>.

---

**Drive-Through Testing Location:** Thanks to a partnership with Yale New Haven Health, Fairfield's drive-through COVID-19 testing location at 140 Mill Plain Road opened Monday, March 1. **The location will be open for testing seven days a week from 8:30 AM - 4:00 PM to all Connecticut residents and populations, including pre-procedure, asymptomatic, symptomatic, and healthcare workers.** We are so excited what this testing site means for our Town in beating this virus!

You can view a compilation of COVID-19 testing locations, including 140 Mill Plain Road, by clicking the "Testing Locations" button below.

#### **Dog's on Leashes:**

After careful consideration, with the Town's Director of Health, I have decided to lift restrictions requiring all dogs remain on leashes at our open spaces effective immediately. The Rules and Regulations for Open Space Properties will be restored to their pre-pandemic limits. Specifically dogs will be allowed off-leash pursuant to Section 14 (e), which requires all dogs to be kept under voice command or leash control at all times on open space areas and 14(f) All dogs shall be kept on leash if the animals are within 100 ft. of parking lots or picnic areas. Note: Effective April 1 dogs are not allowed on public beaches. Click [here](#) for a list of open spaces on page 11.

Note: Pets that cannot be controlled by voice commands must be kept on leash.

The decision to return to pre-pandemic rules and regulations is consistent with the State of CT Sector Rules and CDC guidance. State guidance allows low and moderate risk activities

CDC Guidance (excerpted)

- Based on the limited information available to date, the risk of animals spreading COVID-19 to people is considered to be low.
- Treat pets as you would other human family members – do not let pets interact with people outside the household.

## FAIRFIELD TOWN GOVERNMENT

**Fire Department** – The National Fire Protection Agency recommends that people change their smoke detectors twice a year, when we change the clocks for daylight\ savings and back to standard time. With the daylight savings on Sunday, please prepare to change your smoke detector batteries.

## Fairfield Fire Department Public Safety Message

**Smoke Detector Safety**

### ***Did you know?***

According to the National Fire Protection Association (NFPA), if you have a reported home fire today, you are more likely to die than you were in 1980.

This startling fact is attributed to several factors, including the way homes are built and the contents in them. Open floor plans and a prevalence of modern synthetic furnishings make homes burn faster and the fires produce deadly smoke and gases within moments. You can have as little as two to three minutes to escape a home fire today as compared to eight to ten minutes years ago. **A properly placed and working smoke detector is a key to your survival.**

#### **Install Smoke Alarms in the Right Places**

- Place smoke alarms outside each sleeping area, inside any bedroom where the door is typically shut (recommended) and on every story of the house, including the basement.
- Install wall-mounted smoke alarms 4 to 12 inches from the ceiling, and ceiling-mounted models at least 4 inches from the nearest wall.

#### **Properly Maintain Smoke Alarms**

- Test units monthly.
- Install new batteries immediately when the low-battery warning alarm sounds or at least once a year.
- Clean smoke alarms regularly by vacuuming them with a brush attachment.
- Replace smoke alarms every 10 years to achieve optimum performance.

**Be Smart!! Be Safe!!**

For more information: Call (203) 254-4720 or Email [FireSafetyInfo@fairfieldct.org](mailto:FireSafetyInfo@fairfieldct.org)

**Police Department** – Today, I had the pleasure to swear in two new officers alongside Police Chief Kalamaras, who are joining the Fairfield Police Department family. Please welcome and congratulate Fairfield's newest officers, Nicholas Ardizzone and Cassandra Drogan!

#### **Community & Economic Development – Neighborhood Assistance Act (NAA):**

The Town of Fairfield, through its Office of Community & Economic Development, is soliciting program proposals from municipal agencies and community non-profit organizations for funding consideration under the State's Neighborhood Assistance Act (NAA) program. This past year, Fairfield community groups raised roughly \$52,000 in charitable contributions through the program.

This program allows businesses to claim a State tax credit for cash contributions made to qualifying community programs conducted by tax exempt or municipal agencies. For further information about the Neighborhood Assistance Act Program or to receive an application packet, please contact the Office of Community & Economic Development at (203) 256-3120 or visit the [DRS website](#). Businesses wishing to take advantage of this program in order to reduce their State tax liability may also contact this office for further information. All applications must be received by close of business on **April 23, 2021** in order to be considered.

#### **The Connecticut Metropolitan Council of Governments (MetroCOG):**

The Connecticut Metropolitan Council of Governments (MetroCOG) is requesting the public's input on the state of the regional economy to help develop goals and objectives for the region's Comprehensive Economic Development Strategy (CEDS). The CEDS is designed to bring together the public and private sectors in the creation of an economic roadmap to diversify and strengthen the regional economy. There are two online surveys –

one for residents and one for businesses. Please click on the appropriate links below to take the survey.

## FAIRFIELD PUBLIC LIBRARY

The Fairfield Public Main Library is open for quick browsing and checkout Monday-Saturday afternoons 2:00 pm - 4:00 pm and Tuesday and Thursday evenings 5:00pm – 7:00pm. Learn more about [Library Express](#) service.

Please visit [fairfieldpubliclibrary.org](http://fairfieldpubliclibrary.org) for full details regarding [Curbside Pickup](#) at the Main Library and Woods Branch Library. Fairfield Public Library continues to offer 24/7 access to their digital collection of books, music, magazines, movies and databases. Visit the [Library Event Calendar](#) to find a wide and varied assortment of Virtual Programs.

**Governor Lamont's March 19<sup>th</sup> Announcement.** At this time, capacity limits and building access modifications will remain in place at Fairfield Public Main Library and Woods Branch Library in order to meet CT State health and safety protocols. Governor Lamont's directive requires continued adherence to CT State protocols relating to face coverings, social distancing, and cleaning measures.

Fairfield library service has been maintained throughout the pandemic, digitally/virtually/remotely/in-person. The planning and preparation to reopen our library buildings will continue to follow a phased rather than immediate approach. We will move forward while balancing in-person Library Express Service, Curbside Borrowing, Homebound Services and Virtual Programming/Services. Fairfield's next phase will offer Library Express (in-person) hours at the Woods Branch beginning this month in coordination with the existing hours at the Main library.

As more of the public and staff become eligible for the vaccine and the COVID risk declines, in-person building access will expand. Our priority is to sustain library services without becoming a source of viral spread in the community. All plans follow CDC guidelines and are informed by best library industry practices, while managing our

resources in the most efficient way.

Updates are shared via our website, newsletter and social media.

**Fairfield Public Library is updating its Strategic Plan.** Help us focus our services on what the community really needs and wants. Your opinion matters! Link to survey: <https://forms.gle/kJ61qBTZcWbt65R76>

## LOCAL BUSINESS

**Ribbon Cutting:** Wednesday, we welcomed Spring into Fairfield with the one year anniversary and ribbon cutting for [Outdoor Design & Living](#) and [Fresh Flower Bar](#) at 1301 Bronson Road. While Outdoor Design & Living, the full-service landscape design-and-build company with a nursery and retail businesses, and owner Chris Palmer, celebrate 3 years in business, the ribbon cutting commemorated one year in business with Fresh Flower Bar and CEO/Founder Sarah O'Brien. Fresh Flower Bar provides a unique flower experience and always carries the freshest and most compelling blooms available in Connecticut. Fresh Flower Bar is a one-stop shop for flower arrangements, hand-tied bouquets, floral planning for weddings, events, and special occasions, as well as floral design classes. Thank you to the Fairfield Chamber of Commerce for organizing the ribbon cutting to celebrate this occasion.

### Elderly and Disabled Homeowners Program Update:

The Governor recently issued Executive Order [10](#), which includes a provision to eliminate the refiling requirement for those applicants due to refile this year.

If you are due to refile this year, you will not need to reapply and your benefits will continue at the same level. The Tax Assessor's office should have sent you a postcard to confirm this the week of February 8th.

If you are seeking the benefit for the first time, you will need to apply, please contact the [Tax Assessor's office](#) at 203-256-3110 and the office will work with you on the process.

The Executive Order did not extend the final date to apply by May 14, 2021. If you cannot apply by this date you will need to request an extension from the Office of Policy and Management by August 13, 2021. The Tax Assessor's office will be able to provide residents the instructions on how to request an extension.

For more information, visit here: [fairfieldct.org/taxrelief](http://fairfieldct.org/taxrelief)

## WINTER WEATHER

**Resident Snow Shoveling:** Per Town ordinance, Fairfield property owners are responsible for removing snow and ice from the sidewalk along their property line within 24 hours after the storm and keeping the sidewalk clear of snow and ice. Heavily used sidewalks near schools and public buildings, and the commercial areas are particularly important. Property owners may be fined and/or charged the cost of removal if the property owners do not comply.

I have received calls from residents concerned about sidewalks that are not shoveled. In many instances, those sidewalks are in front of elderly or disabled resident's homes. The Town will continue to do our best to remind residents of their responsibility while taking into consideration that it may not always be possible for all residents to shovel within the 24 hour time period.

If you have snow removal concerns or would like to request a street be re-plowed, please enter a [Citizen Service Request](#) and select 'Snow Removal Issues' or call the Town Garage at 203-256-3177. For more information on Fairfield plowing and snow removal policies, [click here](#).

It is also state law in Connecticut to remove snow and ice from your vehicle before driving on roads. When you fail to remove snow and ice from your vehicle you are putting yourself and others at risk. Penalties can be as much as \$120 fine.

## STRATFIELD VILLAGE ASSOCIATION BRICK CAMPAIGN

The Stratfield Village Association (SVA) is a certified 501 c3 non-profit organization, which aims to preserve, protect and improve the character of the Stratfield Village neighborhood in Fairfield. On January 13th they announced the launch of a brick fundraising campaign to supplement funding to the Four Corners renovation project. Individuals and businesses will be able to purchase a brick with a customized engraving to be included in the new brick sidewalks that are part of the project. There are a limited number of bricks available because of space constraints.

The SVA's personalized sales page is at [bricksrus.com/donorsite/stratfieldvillageassociation](https://bricksrus.com/donorsite/stratfieldvillageassociation).

Bricks can be purchased in two sizes – 4"x 8" for \$100 with up to three lines of text, or 8"x 8" for \$200 with up to 6 lines of text. Lastly, a corporate sponsor may purchase an 8"x 8" brick with 3 lines of text and include a company logo.

The SVA has raised \$910,925 of its \$1 million goal for the project to date.

## TAX DEFERMENT

Governor Lamont's recently signed [Executive Order No. 9R](#) which allows towns to again offer deferment for property tax payments. The new Executive Order allows towns to offer

deferment for taxes due January 1. The extension will be for a total of 90 days, (an additional 60 days beyond the normal grace period). **The revised due date is April 1.** Anyone who fails to pay by the new April 1 deadline would have to pay three months of interest added along with his or her existing bill. Escrow accounts are still ineligible for deferment. For more information and eligibility for commercial landlords, visit [fairfieldct.org/taxcollector](http://fairfieldct.org/taxcollector). **Please be advised that People's Bank is unable to accept payments at their branch location for this deferment during the 60 day extension of February 2<sup>nd</sup> to April 1<sup>st</sup>. We apologize for any inconvenience.**

### **Paycheck Protection Program (PPP):**

On Monday, February 22, the White House announced targeted changes to the Paycheck Protection Program (PPP) that will provide minority-owned businesses, “mom-and-pop” businesses, and very small nonprofits with access to the support they need.

Click [here](#) to read the announcement and learn more about the steps that are being taken to promote equitable access to this important program. The SBA website also includes tools to help you get [matched with a lender](#) or [find lenders in your area](#).

**Unless the federal government extends the deadline, the PPP will expire on March 31, 2021.**

The Fairfield Chamber of Commerce office is also open. You can reach them at 203.255.1011 or by emailing [beverly@fairfieldctchamber.com](mailto:beverly@fairfieldctchamber.com).

## **COVID CONTACT TRACING**

One of the key tools we have to contain the spread of COVID-19 is Contact Tracing. For this initiative to be successful, the Health Department needs the cooperation of residents who test positive for COVID-19. Both Universities were trained and assisted by our Health Department to manage their own contact tracing for their respective campuses.

The primary purpose of contact tracing is to identify and notify direct contacts of confirmed cases as quickly as possible and to ensure those exposed are self-quarantining. The information provided in the interviews with confirmed cases helps reduce the potential spread of the virus in our community.

Any Fairfield resident who tests positive for COVID-19 and has not received a phone call from the Fairfield Health Department or the Connecticut COVID Tracing system within 24 hours of receiving their result is urged to contact the Fairfield Health Department at 203-256-3022. Calls received after hours or on weekends, will be returned by the next business day.
