4/30/2021 - 4.30 TOWN UPDATE

Dear Fairfielders,

A little over a year ago, life as we knew it completely changed with the outbreak of COVID-19. We went from living normal lives with our families, friends and coworkers, to living life in quarantine; masks and social distancing became our new normal. The coronavirus pandemic brought some of the most difficult moments we've faced as a community, however, this week's announcements from both the CDC and Governor Lamont show that we are turning the corner and taking big steps toward getting back to normal.

CDC GUIDANCE ON FULLY VACCINATED INDIVIDUALS

On Tuesday of this week, the CDC outlined new guidance for fully vaccinated individuals, people are considered fully vaccinated for COVID-19 =2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or =2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen).

Choosing Safer Activities

	Unvaccinated People	Your Activity	Fully Vaccinated People
		Outdoor	
Safest		Walk, run, roll, or bike outdoors with members of your household	
		Attend a small, outdoor gathering with fully vaccinated family and friends	
		Attend a small, outdoor gathering with fully vaccinated and unvaccinated people	
Less Safe		Dine at an outdoor restaurant with friends from multiple households	
Least Safe		Attend a crowded, outdoor event, like a live performance, parade, or sports event	
		Indoor	
Less Safe		Visit a barber or hair salon	
		Go to an uncrowded, indoor shopping center or museum	
		Ride public transport with limited occupancy	
		Attend a small, indoor gathering of fully vaccinated and unvaccinated people from multiple households	
Least Safe		Go to an indoor movie theater	
		Attend a full-capacity worship service	
		Sing in an indoor chorus	
		Eat at an indoor restaurant or bar	
		Participate in an indoor, high intensity exercise class

Prevention measures not needed

Take prevention measures

Fully vaccinated people: wear a mask
Unvaccinated people: wear a mask, stay 6 feet apart, and wash your hands.

- Safety levels assume the recommended prevention measures are followed, both by the individual and the venue (if applicable).
- CDC cannot provide the specific risk level for every activity in every community. It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.

Connecticut ranks second in the nation for administering the most vaccines per capita. So far, 60% of all Connecticut residents over the age of 16 have received at least one dose, including:

- 89% of those over the age of 65
- 76% of those between the ages of 55-64
- 61% of those between the ages of 45-54
- 50% of those between the ages of 35-44
- 42% of those between the ages of 25-34
- 33% of those between the ages of 16-24

REOPENING CT

While we've already seen a number of sector rule changes as we reopen Connecticut, on May 19th most of the State's COVID-19 restrictions for every sector, with the exception

- Bars that do not serve food can open for service – OUTDOOR ONLY. Food is still required when serving alcohol indoors.
- The 8-person per table limit will be lifted – OUTDOOR ONLY. The limit remains in effect for indoor dining.

Weekend Plans

Starting Saturday, May 1

- Business Curfew moved back to 12am
- Outdoor restrictions lifted
 - No table size limits
 - Alcohol without food allowed

Effective Wednesday, May 19, 2021

- All remaining business restrictions will end.
- Indoor masks will continue.

I continue to work with the Emergency Management Team and our Town Departments to plan for our Town's reopening and delivering of services. I'm also working with the Emergency Management Director and the Town's IT Director to incorporate continued virtual attendance for our Town meetings. We are committed to reopening safely and since December 2020 have not advocated any limits more restrictive than the State's Sector Rules and Guidance. I'd also like to announce that we are in the planning stages for our community to have a safe Memorial Day Parade and Fireworks display. I will share that specific information as we get closer to those important dates.

FAIRFIELD VACCINE CLINIC

As of today, our Health Department has administered more than **21,130 vaccinations** into the arms of Connecticut residents, and have 2006 appointments over the next 4 weeks.

Please continue to check the Fairfield Health Department's [Facebook](#) page for the latest times and availability for walk-in appointments. Appointments are also available through VAMS for any other vaccine clinic in the State.

BUILDING DEPARTMENT

I'm happy to announce that I have hired a new Chief Building Official, Shawn Reed, who started on April 21st. Shawn comes to Fairfield with wealth of experience working in both the private and municipal sectors, serving most recently as the the Coordinator of Inspections and Plan Review for the City of Stamford and prior to that the Chief Electrical Inspector for the City of New Haven. Shawn is a licensed electrician with 28 years of experience, holding state licenses as an electrical contractor (E-1), Electrical Inspector, and Building Official. I believe that Mr. Reed's experience and knowledge are going to be an asset to our Building department and community. I hope you will join me in welcoming Mr. Reed to his new role with our Town.

I want to thank our former Building Official Thomas Conley for his many years of service to the Town of Fairfield. I wish him well in his next chapter.

COMMUNITY NEWS

CELEBRATION OF LIFE

Earlier this week, our Town lost a true public servant – long-time resident and Veteran, Tom Quinn. Tom was an integral part of the Fairfield community who showed an unwavering desire to give back to the Town he loved dearly. Yesterday, I ordered flags to be flown at half-staff in Tom's honor and in recognition of his many positive contributions to Fairfield.

Tom was a vital link to our Town's well-being—serving as the local Veteran's liaison and chairing *three* elementary school building renovation committees. When he wasn't involved in his Church, little league, scouts or Citizen Police Academy, Tom dedicated his time to American Legion Post #143 which was like a second home to him. A past Post Commander, Tom arranged for local veterans to speak at various elementary schools, helped plan the Memorial Day Parades, Independence and Veterans Days ceremonies,

helped organize 9/11 remembrance dinners and assisted the Town with the Veteran's Wall of Honor. It is no wonder he received the 2017 Fairfielder of the Year award.

Above all else, Tom was a family man. Devoted to his wife Grace for the past 57 years, Tom was a proud father of six sons and cherished grandchildren.

In 2017, Tom was joined by his family at the State Capitol for his induction into the State of Connecticut's Veterans Hall of Fame.

NEIGHBORS TO NEIGHBORS

This week I joined my childhood classmate Bob Sussman at his family business [Fairfield Center Jewelers](#), where he presented congratulatory necklaces to Fairfield residents Helene Daly, Heather Dubrosky, and Alexis Harrison for their outstanding work leading many food drives throughout the pandemic. Mr. Sussman, who also serves as the Vice Chair of Nourish Bridgeport that offers meals, food and assistance to those facing daily food insecurity in the Bridgeport area, shared that Helene, Heather and Alexis gave the residents of our Town hope and light during a very dark time, which was mentally and emotionally trying for us all. Together in partnership with Operation Hope and other nonprofits, they collected hundreds of food donations and thousands of dollars in cash and gift cards. These women represent the very best of our community. As we flatten the curve on this virus, it was refreshing to simply celebrate one of the many victories our community has achieved.

ARBOR DAY

Today on April 30, 2021 the Town proudly celebrates the 149th anniversary of National Arbor Day, and for the 33rd year, the Town will be recognized by the Arbor Day Foundation as a "Tree City USA." Fairfield is one of a handful of communities in the State to be recognized with this honor and is tied with the City of Stamford in receiving this recognition for the most number of years. I signed a proclamation alongside Ryan Romeo, a fifth grader passionate about our environment and planting new trees, making today April 30th Arbor Day in Fairfield. Arbor Day is a special day that is set aside throughout the world to raise awareness of trees and the important role that they play in our environment.

FAIRFIELD'S FISCAL HEALTH

Earlier this week, the Town received some very welcome and reassuring news. Fitch rating agency contacted our CFO and Financial Advisor to inform the Town that **our credit rating remains at the AAA level, with a stable outlook.**

Fitch and other rating agencies consider many different factors when they evaluate a town's creditworthiness. We as elected officials have worked intently to maintain our AAA rating; with every major financial decision we make, there are two questions that we constantly ask ourselves: "How will this decision impact taxpayers, and how will this decision impact our credit rating?"

I am especially grateful for the work of the members of our Board of Finance, led by Chairman, Jim Brown, who shared with me his comments on the Fitch rating, "It is gratifying the credit agencies recognize how hard we have worked, and the decisions we have made as a Town to maintain our long term financial policies, which has led us and continues to lead our town to financial strength and flexibility."

You should NEVER give out your Social Security number for the vaccine.

2. Offering cash rewards or gift cards in exchange for completing a survey. The survey asks for personal information, such as your date of birth and insurance information.

The vaccine manufacturers will never contact you directly to gather information.

Dogs on Leashes:

After careful consideration with the Town's Director of Health, I have decided to lift restrictions requiring all dogs remain on leashes at our open spaces effective immediately. The Rules and Regulations for Open Space Properties will be restored to their pre-pandemic limits. Specifically dogs will be allowed off-leash pursuant to Section 14 (e), which requires all dogs to be kept under voice command or leash control at all times on open space areas and 14(f) All dogs shall be kept on leash if the animals are within 100 ft. of parking lots or picnic areas. Note: Effective April 1 dogs are not allowed on public beaches. Click [here](#) for a list of open spaces on page 11.

Note: Pets that cannot be controlled by voice commands must be kept on leash.

The decision to return to pre-pandemic rules and regulations is consistent with the State of CT Sector Rules and CDC guidance. State guidance allows low and moderate risk activities.

CDC Guidance (excerpted)

- Based on the limited information available to date, the risk of animals spreading COVID-19 to people is considered to be low.
- Treat pets as you would other human family members – do not let pets interact with people outside the household.

COVID CONTACT TRACING

One of the key tools we have to contain the spread of COVID-19 is Contact Tracing. For this initiative to be successful, the Health Department needs the cooperation of residents who test positive for COVID-19. Both Universities were trained and assisted by our Health Department to manage their own contact tracing for their respective campuses.

The primary purpose of contact tracing is to identify and notify direct contacts of confirmed cases as quickly as possible and to ensure those exposed are self-quarantining. The information provided in the interviews with confirmed cases helps reduce the potential spread of the virus in our community.

Any Fairfield resident who tests positive for COVID-19 and has not received a phone call from the Fairfield Health Department or the Connecticut COVID Tracing system within 24 hours of receiving their result is urged to contact the Fairfield Health Department at 203-256-3022. Calls received after hours or on weekends, will be returned by the next business day.
