B. Keesey addressed some of the questions he had for the commissioners regarding the revisions of the draft they proposed. The DDA had some concerns about businesses having to pay property taxes and that it would be unfair.

After further discussion the commission agreed to put the following revisions in the draft:

 - A 100ft set back from a brick-and-mortar restaurant and/or building.
 - The operating time should be over a seven-day week.
 - 10 pm ending operation time, with an exemption to City events.
 - Address electrical concerns through the Fire Chiefs safety list.
