

# Board of County Commissioners

## Agenda Request

**Date of Meeting:** December 6, 2022

**Date Submitted:** November 30, 2022

**To:** Honorable Chairman and Members of the Board

**From:** Clayton Ford Knowles, County Attorney

**Subject:** Gadsden County Receipt of Settlement Proceeds from Walmart

---

### **Statement of Issue:**

The State Attorney General has entered a settlement with the opioid manufacturers and retailers. Walmart has opted to enter into a global settlement agreement with the State to avoid future litigation.

### **Background:**

The Florida Attorney General has filed an action against various pharmaceutical retailers, pharmacies and manufacturers alleging, among other things, that these companies violated Florida law by deceptively marketing opioid pain medications so as to overstate their efficacy and downplay the associated risk of addiction, which resulted in a public nuisance in Florida.

### **Analysis:**

Prompt settlement on the terms enclosed herein appear to be in the public interest and crucial to the State of Florida and the citizens of Gadsden County. Gadsden County will receive approximately \$34,000.00. However, this amount may change and be adjusted accordingly based on the participation of other political subunits.

### **Fiscal Impact:**

The current fiscal impact is unknown, but participation in the action would result in direct injection of settlement proceeds to the County.

### **Options:**

1. Approve the Subdivision Settlement Participation for provided by the Attorney General's office and authorize the County Attorney and the Chairman to sign and execute all appropriate documents necessary moving forward.

2. Do not approve.
3. Board direction.

**County Attorney's Recommendation:**

Option 1.

## SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement is made and entered into this 19th day of October 2022, among Walmart (defined below), the State of Florida and its Office of the Attorney General (the “State”) (with Walmart and the State collectively referred to as the “Settling Parties”). This Settlement Agreement is intended by the Settling Parties to fully, finally and forever resolve, discharge and settle the Released Claims (as defined below), upon and subject to the terms and conditions hereof (the “Settlement”).

WHEREAS, allegations have been made against Walmart that it historically, among other acts, distributed and dispensed prescription opioid pain medication improperly in a fashion that has caused Alleged Harms (defined below) to the health of Florida residents and to the State;

WHEREAS, numerous Litigating Subdivisions (defined below) have filed Actions (defined below) in various forums against Walmart, among others, raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct (defined below) and seeking relief that overlaps in whole or in part with relief that the State could seek;

WHEREAS, numerous Subdivisions (defined below) that are not Litigating Subdivisions (“Non-Litigating Subdivisions”) and the State of Florida could seek to file additional Actions raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct and seeking relief that overlaps in whole or in part with the relief sought in the Actions filed by Litigating Subdivisions against Walmart;

WHEREAS, Walmart (i) denies each and all of the Claims and allegations of wrongdoing made by the Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against Walmart arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought by Litigating Subdivisions or that could be brought by the State or Non-Litigating Subdivisions, and contends that the factual allegations made in the Litigating Subdivisions’ Actions relating to Walmart are false and materially inaccurate; (iii) denies that any Litigating Subdivision, the State, or any other Subdivision, or any Florida resident, was harmed by any conduct of Walmart; (iv) denies liability, expressly denies any wrongdoing, and denies it violated any federal or state statute or common law; and (v) maintains that Walmart would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that Walmart engaged in no misconduct or unlawful activity, and caused no harm to the Litigating Subdivisions, the State, other Subdivisions, or any Florida residents;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, having conducted a thorough investigation of the opioid industry, the Office of the Attorney General concluded based on objective data metrics that Walmart dispensed many fewer opioids per store and in dosages that were substantially lower than the other major chain pharmacies and independent pharmacies in Florida, and Walmart’s share of opioids distributed and dispensed in Florida was substantially lower than the other major chain pharmacies;

WHEREAS, the Office of the Attorney General's investigation concluded that the Company has already voluntarily implemented a wide-ranging, industry-leading, innovative, and comprehensive set of policies, procedures, and controls relating to the dispensing of prescription opioid medications and other controlled substances, including pharmacist training and empowerment programs, company-wide limitations on strength and duration of acute opioid prescriptions, and an industry-leading suite of opioid data analytics, which the Company uses to identify and investigate potentially problematic prescribing practices;

WHEREAS, the Office of the Attorney General brought lawsuits against other major chain pharmacies regarding their prescription opioid medication practices but not against Walmart;

WHEREAS, based on the aforementioned investigations and conclusions, the Office of the Attorney General believes that it is more efficient and valuable to the State of Florida to avoid the uncertainties and costs of litigation with Walmart and instead to resolve any claims the State may have through a cooperative and mutually beneficial settlement;

WHEREAS, because of Walmart's widespread presence throughout the state of Florida and Walmart's extensive experience distributing and dispensing Naloxone, the State selected Walmart as its preferred pharmacy partner to assist with the dispensing of Naloxone received by the State from Teva Pharmaceuticals Industries Ltd. ("Teva") pursuant to the State's settlement with Teva;

WHEREAS, the Parties have each considered the costs and delays and uncertainty associated with the prosecution and defense of an action and the continued prosecution and defense of the other Actions;

WHEREAS, the Parties believe the Settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the State has concluded that the terms of the Settlement are fair, reasonable and adequate and in the best interest of the State and all Subdivisions and Florida citizens and residents;

WHEREAS, the State has determined that continuation or commencement of Actions against Walmart by Litigating Subdivisions or other Subdivisions would unduly interfere with the State's litigation authority to bring and resolve litigation in which the State has an interest and frustrate the State's efforts to obtain a favorable settlement;

WHEREAS, the Parties agree that neither this Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be a concession as to any Claim, an admission, evidence of any violation of any statute or law, evidence of any liability or wrongdoing by Walmart, or evidence of the truth of any of the Claims, allegations, denials, or defenses made in the Litigating Subdivisions' Actions;

WHEREAS, arm's-length settlement negotiations have taken place over the course of several months between Walmart and the State; and

WHEREAS, the State views prompt settlement on the terms enclosed herein to be in the public interest and crucial to the State of Florida and its citizens; recognizes that Subdivisions may, notwithstanding their willingness to sign on to this settlement, wish to reserve the right to challenge the Attorney General's authority to bind them in other litigation that does not arise out of or relate to the Covered Conduct; and represents that the State shall not use those Subdivisions' acceptance of the terms of this Settlement as precedent in any litigation matter that does not arise out of or relate to the Alleged Harms and/or the Covered Conduct.

NOW, THEREFORE, IT IS HEREBY AGREED by and between the State and Walmart, by and through their respective counsel, as follows:

A. **Definitions.** As used in this Agreement, the following capitalized terms have the meanings specified below.

(a) "Actions" means any lawsuit by a Subdivision asserting any Released Claim against any Releasee.

(b) "Agreement," "Settlement" or "Settlement Agreement" means this Settlement Agreement, together with any exhibits attached hereto, which are incorporated herein by reference.

(c) "Alleged Harms" means the alleged past, present, and future financial, societal, and related expenditures arising out of the alleged misuse and abuse of opioid products, non-exclusive examples of which are described in the documents listed on Exhibit K, including those expenditures that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Walmart.

(d) "Bankruptcy Code" means Title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.*

(e) "Bar" means either: (1) a law barring all Subdivisions in the State of Florida from maintaining Released Claims against Releasees (either through a direct bar or through a grant of authority to release Claims and the exercise of such authority in full) or (2) a ruling by the Florida Supreme Court (or a District Court of Appeal if a decision is not subject to further review by the Florida Supreme Court) setting forth the general principle that Subdivisions in the State of Florida may not maintain any Released Claims against Releasees, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Releasee (apart from the payments by Walmart contemplated under this Agreement) shall not constitute a Bar.

(f) "Claim" means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or

unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including, but not limited to, any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, abatement, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative or regulatory remedy whatsoever.

(g) “Claim-Over” means a Claim asserted by any entity that is not a Releasor against a Releasee on the basis of contribution, indemnity, or other claim-over on any theory relating to Claims arising out of or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Releasee) asserted by a Releasor.

(h) “Consent Judgment” means a consent decree, order, judgment, or similar action; in connection with this Agreement, the Parties have agreed to the entry of the Consent Judgment attached hereto as Exhibit H, which provides for the release set forth below and the dismissal with prejudice of any Released Claims that the State of Florida Office of the Attorney General has brought against Releasees, on the terms and conditions specified herein.

(i) “Court” means the Sixth Judicial Circuit Court in and for Pasco County, State of Florida.

(j) “Covered Conduct” means any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Effective Date of the Release (and any past, present or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) in any line of business arising from or relating in any way to any Product, including without limitation: (1) the distribution, dispensing, delivery, monitoring, reporting, supply, sale, prescribing, physical security, warehousing, coverage, purchases, reimbursement, discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, or use or abuse of any Product; orders, prescriptions, formularies, guidelines, payments or rebates for any Product; policies, practices and/or operating procedures, statements, contracts, commercial arrangements, insurance, claim or benefit administration, claim adjudication, plan design, data and sales thereof, and any other act or failure to act relating to, any Product; and any system, plan, policy or advocacy relating to any Product; (2) the characteristics, properties, risks or benefits of any Product; (3) the reporting, disclosure, non-reporting or non-disclosure to federal, state or other regulators of orders, prescriptions, or conduct related to any Product; (4) the purchasing, selling, acquiring, disposing of, importing, exporting, handling, processing, packaging, supplying, distributing, converting, or otherwise engaging in any activity relating to any Product; and (5) controls against diversion, corresponding responsibility, and suspicious order monitoring.

(k) “Walmart” means Walmart Inc.

(l) “Effective Date of the Agreement” means 3 business days after the Initial Participation Date, provided that either a Bar exists or a mutually sufficient number of Subdivisions have become Participating Subdivisions by the Initial Participation Date. The Parties may alter the Effective Date of the Agreement by mutual written agreement. For the avoidance of doubt, the Effective Date of the Agreement will not occur if either Party determines in its sole discretion that an insufficient number of Subdivisions have become Participating Subdivisions by the Initial Participation Date.

(m) “Effective Date of the Release” means the date on which the Court enters the Consent Judgment.

(n) “Execution Date” means the date on which this Agreement is executed by the last Party to do so.

(o) “Initial Participation Date” means the date by which Litigating Subdivisions must join to become initial Participating Subdivisions. The Initial Participation Date shall be 30 days after the Execution Date. The Parties may alter the Initial Participation Date by mutual written agreement.

(p) “Litigating Subdivision” means a Subdivision (or Subdivision official) that has brought any Released Claim against any Releasees on or before the Execution Date, including, but not limited to, the agreed list of Litigating Subdivisions set forth in Exhibit A.

(q) “Litigation Costs” means attorneys’ fees and investigative and litigation costs and expenses incurred in connection with Claims asserted against any Releasee in any Litigating Subdivision’s Action.

(r) “Non-Joining Subdivision” means any Litigating Subdivision or Principal Subdivision that does not execute a subdivision settlement participation form attached as Exhibit D by the Post-Effective Date Sign-on Deadline.

(s) “Non-Litigating Subdivision” means a Subdivision that is not a Litigating Subdivision.

(t) “Non-Participating Subdivision” means a Subdivision that is not or is not yet a Participating Subdivision.

(u) “Opioid Remediation” means care, treatment and other programs and expenditures (including reimbursement for past such programs or expenditures, except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to remediate Alleged Harms, including to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic. Exhibit C provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include

reasonable related administrative expenses.<sup>1</sup> Walmart denies that Opioid Remediation comprises cognizable abatement.

(v) “Participating Subdivision” means any Subdivision that executes a subdivision settlement participation form attached as Exhibit D.

(w) “Parties” and “Settling Parties” means Walmart and the State, with each being a “Party” and “Settling Party.”

(x) “Post-Effective Date Sign-on Deadline” means the deadline for Subdivisions to execute a subdivision settlement participation form attached as Exhibit D, which shall be 150 days after the Effective Date of the Agreement.

(y) “Principal Subdivision” means: (1) a County, regardless of population; or (2) a Subdivision that is not a County, but is a General Purpose Government entity (including a municipality, city, town, township, parish, village, borough, gore or any other entities that provide municipal-type government) with a population of more than 10,000, including, but not limited to, the agreed list of Principal Subdivisions attached hereto as Exhibit B.

(z) “Product” means any chemical substance, whether licit or illicit, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is: (1) an opioid or opiate, as well as any product containing any such substance; or (2) a benzodiazepine, a muscle relaxer, or gabapentin; or (3) a combination or “cocktail” of chemical substances prescribed, sold, bought or dispensed to be used together that includes opioids or opiates. “Product” shall include, but is not limited to, any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, midazolam, chlordiazepoxide, clobazam, clorazepate, flurazepam, lorazepam, temazepam, carisoprodol, cyclobenzaprine, orphenadrine, tizanidine, gabapentin, or any variant of these substances or any similar substance. Notwithstanding the foregoing, nothing in this definition prohibits a Releasor from taking administrative or regulatory action related to a benzodiazepine (including, but not limited to, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triazolam, temazepam, and midazolam), carisoprodol, or gabapentin that is wholly independent from the use of such drugs in combination with opioids, *provided* such action does not seek money (including abatement and/or remediation) for conduct prior to the Execution Date.

(aa) “Qualified Settlement Fund” means the Florida Qualified Settlement Fund contemplated by this Agreement, into which all payments by Walmart shall be made and which shall be established under the authority and jurisdiction of the Court and which shall be a “qualified settlement fund” within the meaning of 26 C.F.R. § 1.468B-1.

---

<sup>1</sup> Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person.

(bb) “Qualified Settlement Fund Administrator” means the Administrator appointed to administer the Qualified Settlement Fund under the authority and jurisdiction of the Court. The duties of the Qualified Settlement Fund Administrator shall be governed by this Agreement. The identity of the Qualified Settlement Fund Administrator and a detailed description of the Qualified Settlement Fund Administrator’s duties and responsibilities, including a detailed mechanism for paying the Qualified Settlement Fund Administrator’s fees and costs, will be set forth in a separate document to be prepared by the Parties and filed with the Court to establish the fund and be attached later to this Agreement as Exhibit E.

(cc) “Released Claims” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct and/or Alleged Harms occurring prior to the Effective Date of the Release. Without limiting the foregoing, Released Claims include any Claims that have been asserted against the Releasees by the State or any Litigating Subdivision in any federal, state or local Action or proceeding (whether judicial, arbitral or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct and/or Alleged Harms, or any such Claims that could be or could have been asserted now or in the future in those Actions or in any comparable Action or proceeding brought by the State, any of its Subdivisions, or any Releasor (whether or not such State, Subdivision, or Releasor has brought such Action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such Claims relate to Covered Conduct. The Parties intend that this term, “Released Claims,” be interpreted broadly. This Agreement does not release Claims by private individuals for any of their own damages for any alleged personal injuries arising out of their own use of any Product. But in any action arising from or relating to such Claims or the Covered Conduct and/or Alleged Harms, the Releasees may assert as a defense or otherwise argue that the Remediation Payments required herein serve as a measure of compensation for personal injuries or for other legal or equitable claims or demands asserted by private individuals or others. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe Claims brought or maintained by any Subdivision in the future that would have been Released Claims if they had been brought by a Releasor against a Releasee.

(dd) “Releasees” means: (i) Walmart Inc.; (ii) all of their respective past and present, direct or indirect: parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, assigns and insurers (in their capacity as such) and all of their respective past and present, direct or indirect, parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, assigns and insurers (in their capacity as such); and (iii) the past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, employees, agents, attorneys and insurers of each of the foregoing entities and persons referenced in clauses (i) through (ii) above for actions or omissions that occurred during and related to their work for, or employment with, any of the foregoing entities with respect to the Released Claims. An illustrative list of Released Entities is annexed to this Agreement as Exhibit L.

(ee) “Releasors” means with respect to Released Claims: (1) the State; (2) without limitation, all of the State of Florida’s departments, agencies, divisions, boards, commissions, instrumentalities of any kind, including without limitation the Florida Attorney General, Florida Board of Pharmacy, Florida Department of Health, and Florida Department of

Business and Professional Regulation, and any person in his or her official capacity, whether elected or appointed to lead or serve any of the foregoing, and any agency, person or entity claiming by or through any of the foregoing; (3) each Participating Subdivision; and (4) without limitation and to the maximum extent of the power of each of the State, the Florida Attorney General and/or Participating Subdivisions to release Claims, (a) every Subdivision, and every Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and any person in his or her official capacity, whether elected or appointed to lead or serve any of the foregoing, and any agency, person or entity claiming by or through any of the foregoing; (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other special districts in the State of Florida; and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to the State of Florida or any Subdivision in the State of Florida, whether or not any of them participates in this Agreement. Nothing in this definition shall be construed to limit the definition of "Subdivision" in subsection A(gg) below. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide a subdivision settlement participation form (attached as Exhibit D) providing for a release to the fullest extent of the Participating Subdivision's authority, an executed copy of which shall be attached as an exhibit to and deemed to be a part of this Agreement.

(ff) "State-Subdivision Agreement" means a separate agreement among the State and all Participating Subdivisions providing for an allocation of, among other things, the Remediation Payment (defined below). The State-Subdivision Agreement is attached hereto as Exhibit I.

(gg) "Subdivision" means (1) any General Purpose Government entity (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore or any other entities that provide municipal-type government), School District, or Special District within the State, and (2) any other subdivision or subdivision official or sub-entity of or located within the State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, nonfunctioning governmental units and public institutions) that has filed or could file a lawsuit that includes a Released Claim against a Releasee in a direct, *parens patriae*, or any other capacity. "General Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units. The three (3) General Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts. "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau. References to the State's Subdivisions or to the Subdivision "in," "of," or "within" the State include Subdivisions located within the State even if they are not formally or legally a sub-entity of the State.

## **B. Release and Dismissals of other Actions.**

1. It is the intention of the Settling Parties to fully and finally resolve all Released Claims that have been or could be brought against the Releasees by the State or any Subdivision with respect to the Covered Conduct and the Alleged Harms, and that the release of such Claims does not affect the State's or the Subdivisions' Claims as to any other defendant. The State represents and warrants that it will use its best efforts to obtain a consensual release of any and all Claims involving Covered Conduct and Alleged Harms that the State and all Subdivisions, including any Litigating Subdivision or Non-Litigating Subdivision, have asserted or could assert against the Releasees. Regardless whether such consensual release is obtained, the State represents and warrants under this Agreement that it is exercising its authority under law to release any and all Claims involving Covered Conduct and Alleged Harms that the State and all Subdivisions, including any Litigating Subdivision or Non-Litigating Subdivision, have asserted or could assert against the Releasees, and that it will exercise this authority to its fullest extent. The State further represents and warrants that it will use all available authority to bind, and under this Agreement is exercising such authority to bind, the State and all Subdivisions, including all Litigating Subdivisions and Non-Litigating Subdivisions, regardless of whether they become Participating Subdivisions or Non-Joining Subdivisions, to the terms of this Agreement.

2. In addition to the general release and dismissal to be provided by the State set forth in Sections D & E, the State will deliver to Walmart signed agreements from: (a) each Subdivision that executes a signed agreement by the Initial Participation Date; and (b) each Subdivision that executes a signed agreement by the Post-Effective Date Sign-on Deadline (i.e., within 150 days following the Effective Date of the Agreement). Such agreements shall include: (a) the Subdivision's acceptance of the terms and conditions of this Agreement by signing the subdivision settlement participation form attached as Exhibit D; (b) in the case of a Litigating Subdivision, such Litigating Subdivision's agreement to implement an immediate cessation of any and all litigation activities relating to such Litigating Subdivision's Action as to all Releasees; (c) in the case of a Litigating Subdivision, an agreement that the State may represent that the Litigating Subdivision supports the Consent Judgment to be entered in accordance with Section E below; and (d) in the case of a Litigating Subdivision, such Litigating Subdivision's agreement to file, within the later of seven (7) days of the Effective Date of the Release, or seven (7) days of signing the subdivision settlement participation form, a notice or stipulation of voluntary dismissal with prejudice of any and all Released Claims asserted by the Litigating Subdivision against the Releasees, with each party to bear its own costs.

3. Between the Execution Date and the Initial Participation Date, the State agrees to furnish to Walmart a report listing the Subdivisions that have executed the signed agreements described in Section B.2 and copies of such signed agreements on a weekly basis. The State further agrees to furnish to Walmart no later than noon Eastern Time on the day after the Initial Participation Date a final report listing the Subdivisions that have executed the signed agreements described in Section B.2 by the Initial Participation Date and copies of all such signed agreements. After the Initial Participation Date, the parties shall confer and establish a schedule for the regular provision of such reports and copies of signed agreements.

4. The State represents and warrants that, if any Action remains pending against one or more Releasees after the Effective Date of the Agreement or is filed by a Subdivision

against any Releasee on or after the Execution Date, the State will seek to obtain dismissal of such Action as to such Releasees as soon as reasonably possible. Depending on facts and circumstances, the State may seek dismissal, among other ways, by intervening in such Action to move to dismiss or otherwise terminate the Subdivision's Claims in the Action or by commencing a declaratory judgment or other action that establishes a Bar to the Subdivision's Claims and Action. For avoidance of doubt, the State will seek dismissal of an Action under this subsection regardless whether the Subdivision in such Action is a Participating Subdivision.

5. In the event that the actions required of the State in Section B.4 fail to secure the prompt dismissal or termination of any Action by any Subdivision against any Releasee, the State shall seek enactment of a legislative Bar as defined in Section A(e)(1) and will endeavor to achieve enactment as soon as is practicable. Participating Subdivisions agree not to oppose any effort by the State to achieve enactment of a legislative Bar.

6. The State further represents and warrants that no portion of the Remediation Payment or the Litigation Costs Payments will be distributed to or used for the benefit of any Subdivision unless and until the State has delivered to Walmart a signed agreement from such Subdivision providing for the Subdivision's acceptance of the terms and conditions of this Agreement, including its express agreement to be bound by the irrevocable releases set forth in Section D below.

### C. **Settlement Consideration.**

#### 1. **Remediation Payment and Litigation Costs Payments.**

(a) The settlement sum is \$215,000,000, consisting of (a) \$187,937,062.10 to be spent on Opioid Remediation, reflecting a level of payment unique to the State of Florida based on the facts and circumstances only occurring in Florida; (b) \$27,062,937.87 consisting of (i) \$7,752,403.81 to be paid to the Common Benefit Fund established by the Ongoing Common Benefit Order (Dkt. #4428) in *In re National Prescription Opiate Litigation*, case no. 1:17-md-2804, pending in the United States District Court for the Northern District of Ohio Eastern Division ("Common Benefit Fund Payment"); and (ii) \$19,310,534.06 to be divided by a subsequent agreement and disbursed as the Litigating Subdivision Litigation Cost Payment and State Cost Payment (collectively, the Litigating Subdivision Litigation Cost Payment and State Cost Payment are referred to as the "Cost Payments"). The payments under this Section shall be paid on or before the later of (a) seven (7) days after the Effective Date of the Release, or (b) seven (7) day safter (i) the Qualified Settlement Fund has been established under the authority and jurisdiction of the Court, and (ii) Walmart has received a properly completed and executed IRS Form W9 from and wire instructions for the Qualified Settlement Fund. Walmart shall make the payment into the Qualified Settlement Fund. The Opioid Remediation payment shall be divided and paid according to the State/Subdivision Agreement, except that the agreed-upon amount set forth in the agreement between the State and Walmart relating to Walmart's dispensing of Naloxone manufactured by Teva Pharmaceuticals Industries Ltd. ("Teva") pursuant to the State's settlement with Teva shall be subtracted from the total settlement sum paid by Walmart and taken from the State Sub-Fund or State Cost Payment. The Qualified Settlement Fund Administrator shall allocate each of the Remediation Payment, The State Cost Payment, and the Litigating Subdivision Litigation Cost Payment into separate sub-funds within the Qualified Settlement

Fund. Release of Remediation Payment and the Cost Payments shall be subject to the conditions specified below.

(b) An agreement on the handling of Litigating Subdivision Litigation Costs is attached as Exhibit G and incorporated herein by reference. The Litigating Subdivision Litigation Cost Payment is to be available to counsel for Litigating Subdivisions that become Participating Subdivisions and who waive any other right(s) they may have to compensation in connection with this Settlement for reasonable Litigation Costs incurred in connection with their Claims against Releasees.

- (1) The Qualified Settlement Fund Administrator shall allow eligible counsel reimbursement for reasonable Litigation Costs as provided in Exhibit G. Such Litigation Costs shall be divided among Participating Subdivisions as provided in Exhibit G under the jurisdiction and authority of the Court. Any amount remaining in the Litigation Subdivision Litigation Costs Payment sub-fund after such allocation shall be returned to Walmart.
- (2) No funds may be used to compensate Litigation Costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or Litigation Costs arising out of representation of any such Subdivision.
- (3) No attorney for any Litigating Subdivision may receive any share of the Litigating Subdivision Litigation Cost Payment unless the following eligibility requirements are met and certified by the attorney:
  - i. The attorney must represent that s/he has no present intent to represent or participate in the representation of any Subdivision or any Releasor with respect to the litigation of any Released Claims against any Releasees.
  - ii. The attorney must represent that s/he will not charge or accept any referral fees for any Released Claims asserted or maintained against Releasees by any Subdivision or any Releasor.
  - iii. The attorney may not have, and must represent that s/he does not have, a claim for fees, costs or expenses related to the litigation of any Released Claims against any Releasees by any Subdivision or any Releasor after the Execution Date.
  - iv. Notwithstanding the foregoing, nothing in this subsection C.1(b)(3) is intended to operate as a

“restriction” on the right of any attorney to practice law within the meaning of Rule 5.6(b) of the Florida Rules of Professional Conduct or any equivalent provision of any other jurisdiction’s rules of professional conduct.

(c) The State shall be entitled to the State Cost Payment in an amount to be determined between the State and Litigating Subdivisions. However, in no event shall the State Cost Payment, when combined with the Litigating Subdivision Litigation Cost Payment, exceed \$19,310,534.06.

2. **No Other Payments by Releasees as to Covered Conduct, Alleged Harms, Released Claims, Other Actions, the State, Subdivisions or Litigation Costs.** Other than the Remediation Payments and the Costs Payments by Walmart referenced in Section C.1(a), none of the Releasees shall have any obligation to make any further or additional payments in connection with the Actions; Claims for Covered Conduct, Alleged Harms, or Litigation Costs; Released Claims; or this Settlement.

3. **Apportionment of the Remediation Payment.**

(a) It is the intent of the Parties that the Remediation Payment in Section C.1(a) be used exclusively for Opioid Remediation.

(b) In accordance with the State-Subdivision Agreement in Exhibit I, the Remediation Payment shall be allocated by the Qualified Settlement Fund Administrator into three sub-funds: an Abatement Accounts Sub-Fund (also known as a regional fund), a State Sub-Fund, and a Subdivision Sub-Fund to be allocated to the Abatement Accounts Sub-Fund or to another Participating Subdivision.

(c) A detailed mechanism consistent with the foregoing for a Qualified Settlement Fund Administrator to follow in allocating, apportioning and distributing payments will be filed with the Court and later attached as Exhibit J.

(d) Walmart shall have no duty, liability, or influence of any kind with respect to the apportionment and use of the Remediation Payment by the Qualified Settlement Fund Administrator. The State specifically represents, however, that any such apportionment and use by the Qualified Settlement Fund Administrator shall be made in accordance with the terms of this Agreement and all applicable laws.

4. **Release of the State Sub-Fund.** Within a reasonable period after the Effective Date of the Agreement or otherwise as ordered by the Court, the Qualified Settlement Fund Administrator shall release the State Sub-Fund to the State.

5. **Subdivision Payments to Subdivisions that Become Participating Subdivisions Prior to the Initial Participation Date.** A Participating Subdivision that (a) completes a subdivision settlement participation form prior to the Initial Participation Date, (b) joins the Florida Opioid Allocation and Statewide Response Agreement (Exhibit I), and (c) in the case of a Litigating Subdivision, dismisses with prejudice any and all Released Claims asserted by

the Litigating Subdivision against the Releasees, shall be eligible to receive payment of a share of the Remediation Payment within a reasonable period after the Effective Date of the Agreement.

**6. Subdivision Payments to Subdivisions that Become Participating Subdivisions After the Initial Participation Date.** A Participating Subdivision that (a) completes a subdivision settlement participation form after the Initial Participation Date and by no later than the Post-Effective Date Sign-on Deadline, (b) joins the Florida Opioid Allocation and Statewide Response Agreement (Exhibit I), and (c) in the case of a Litigating Subdivision, dismisses with prejudice any and all Released Claims asserted by the Litigating Subdivision against the Releasees, shall be eligible to receive payment of a share of the Remediation Payment within a reasonable period after the Post-Effective Date Sign-on Deadline.

**7. Reversion to Walmart of Amounts Forfeited by Non-Joining Subdivisions.** Any Litigating Subdivision or Principal Subdivision that does not sign a participation agreement by the Post-Effective Date Sign-on Deadline will be deemed a Non-Joining Subdivision. At Walmart's request to the Qualified Settlement Fund Administrator, any Non-Joining Subdivision's share of the Remediation Payment (and to the extent any such subdivision is a Litigating Subdivision the Litigation Cost Payments) shall be returned to Walmart within a reasonable time after the Post-Effective Date Sign-on Deadline.

**8. Agreement Null and Void if the Agreement Does Not Become Effective.** In the event that the Effective Date of the Agreement does not occur, and the Parties fail to agree to extend the Effective Date of the Agreement, the Agreement shall be null and void, and Walmart shall have no obligation to pay or provide any of the settlement consideration in this Agreement.

**9. Injunctive Relief.** As part of the Consent Judgment to be entered in accordance with Section F below, the Parties agree to the entry of injunctive relief terms attached in Exhibit F.

**D. Settlement of Claims and General Release.**

**1. Scope.** On the Effective Date of the Release, the State and each Releasor shall be deemed to have fully, finally and forever released all Releasees from all Released Claims. The State, on behalf of itself and all other Releasors (whether or not they have signed this Agreement or the subdivision settlement participation form in Exhibit D), hereby absolutely, unconditionally and irrevocably covenants not to bring, file, or claim, or to cause, assist, or permit to be brought, filed, or claimed, any Released Claims of any type in any forum whatsoever against Releasees. For the avoidance of doubt, the State agrees that this Settlement Agreement and the releases contained herein shall fully and completely resolve any past, present or future liability that any Releasee may have arising from, relating to or based on Alleged Harms and Covered Conduct occurring prior to the Effective Date of the Release, whether in the Actions or otherwise. The releases provided for in this Agreement are intended by the Settling Parties to be broad and shall be interpreted so as to give the Releasees the broadest possible bar against any and all Released Claims. This Settlement Agreement is, will constitute, and may be pleaded as a complete bar to any Released Claim asserted against Releasees, whether against the State, any Participating Subdivision, or any other Subdivision, including any Non-Joining Subdivision.

2. **General Release.** In connection with the releases provided pursuant to this Settlement Agreement, the State, on behalf of itself and all other Releasors referenced in Section D.1, expressly waives, releases and forever discharges any and all provisions, rights and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those that he, she, or it knows or believes to be true with respect to the Released Claims, but the State, on behalf of itself and all other Releasors, hereby expressly waives and fully, finally and forever settles, releases and discharges, upon the Effective Date of the Release, any and all Released Claims against the Releasees that may exist as of this date but which they do not know or suspect to exist, whether through ignorance, oversight, error, negligence or otherwise, and which, if known, would materially affect their decision to enter into this Settlement Agreement.

3. **Claim-Over and Non-Party Settlement.**

(a) Statement of Intent. It is the intent of the Parties that:

- (1) The Remediation Payment and Litigation Cost Payments made under this Agreement shall be the sole payments made by the Releasees to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Releasee) and/or Alleged Harms;
- (2) Claims by Releasors against non-Parties should not result in additional payments by Releasees, whether through contribution, indemnification or any other means;
- (3) The Settlement effects a good faith “release and covenant not to sue” within the meaning of Florida Statute § 768.31(5) and meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine, including, but not limited to, Fla. Stat. § 768.31(5), that reduces or discharges a released party’s liability to any other parties, such that Releasees are discharged from all liability for contribution to any other alleged tortfeasor in the Florida AG Action and in any other Action, whenever filed; and
- (4) The provisions of this Section D.3 are intended to be implemented consistent with these principles. This

Agreement and the releases and dismissals provided for herein are made in good faith.

(b) No Releasee shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Releasee shall be relieved of this prohibition with respect to any person or entity that asserts a Claim-Over against it or with respect to any person or entity that brings any other form of action against Walmart arising out of or related to Covered Conduct. For the avoidance of doubt, nothing herein shall prohibit a Releasee from recovering amounts owed pursuant to insurance contracts.

(c) To the extent that, on or after the Effective Date of the Agreement, any Releasor settles any Claims arising out of or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Releasee) ("Non-Party Covered Conduct Claims") it may have against any entity that is not a Releasee (a "Non-Released Entity") that is, as of the Effective Date of the Agreement, a defendant in any Action and provides a release to such Non-Released Entity (a "Non-Party Settlement"), including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will seek to include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on seeking contribution or indemnity of any kind from Releasees substantially equivalent to that required from Walmart in subsection D.3(b) (except limited to such claims against Releasees), or a release from such Non-Released Entity in favor of the Releasees (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to seek to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

(d) **Claim-Over.** In the event that any Releasor obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain a prohibition like that in subsection D.3(b), or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection D.3(c), and such Non-Released Entity asserts a Claim-Over against a Releasee, Walmart and that Releasor shall meet and confer concerning any additional appropriate means by which to ensure that Releasees are not required to make any payment with respect to Covered Conduct (beyond the amounts that will already have been paid by Walmart under this Settlement Agreement).

(e) In no event shall a Releasor be required to reduce the amount of a settlement or judgment against a Non-Released Entity in order to prevent additional payments by Releasees, whether through contribution, indemnification, or any other means.

(f) **Cooperation.** Releasors, including the State and Participating Subdivisions, agree that they will not publicly or privately encourage any person, entity, or other Releasor to bring or maintain any Released Claim. The State further agrees that it will cooperate in good faith with the Releasees to secure the prompt dismissal of any and all Released Claims.

The State and any Participating Subdivisions shall use best efforts to assist in the stay of any Subdivision Actions through the Post-Effective Date Sign-on Deadline.

**E. Entry of Consent Judgment Providing for Dismissal of All Claims Against Walmart in the Florida AG Action with Prejudice.** As soon as practicable following the Effective Date of the Agreement, the State shall file in the Court a Complaint and a Consent Judgment substantially in the form of Exhibit H, including a dismissal of the Claims with prejudice. Notwithstanding the foregoing, the Consent Judgment shall provide that the Court shall retain jurisdiction for purposes of enforcing compliance with the injunctive terms set forth in Exhibit F. The parties shall confer and agree as to the final form and time of filing prior to filing of the Consent Judgment.

**F. No Admission of Liability.** The Settling Parties intend the Settlement as described herein to be a final and complete resolution of all disputes between Walmart and the State and between Walmart and all Releasers. Walmart is entering into this Settlement Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. Walmart denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by Walmart of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct or any Product; (iv) the legal viability of the claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Settlement Agreement shall be construed or used to prohibit any Releasee from engaging in the conduct of its business relating to any Product in accordance with applicable laws and regulations.

**G. Miscellaneous Provisions.**

**1. Use of Agreement as Evidence.** Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Releasees; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Releasees in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of the Settlement, and except that Releasees may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Releasee that the Remediation Payments provide a measure of compensation for asserted harms or otherwise satisfy the relief sought.

2. **Voluntary Settlement.** This Settlement Agreement was negotiated in good faith and at arm's-length over several months and the exchange of the Remediation Payment and Litigation Costs Payments for the releases set forth herein is agreed to represent appropriate and fair consideration.

3. **Authorization to Enter Settlement Agreement.** Each party specifically represents and warrants that this Settlement Agreement constitutes a legal, valid and binding obligation of such Party. Each signatory to this Settlement Agreement on behalf of a Party specifically represents and warrants that he or she has full authority to enter into this Settlement Agreement on behalf of such Party. The State specifically represents and warrants that it has concluded that the terms of this Settlement Agreement are fair, reasonable, adequate and in the public interest, and that it has satisfied all conditions and taken all actions required by law in order to validly enter into this Settlement Agreement. The State specifically represents and warrants that, other than the Claims asserted in the Actions (whether filed previously or in the future), it has no interest (financial or otherwise) in any other Claim against any Releasee related to the Covered Conduct. In addition, the State specifically represents and warrants that (i) it is the owner and holder of its Claims; (ii) it has not sold, assigned or otherwise transferred the Claims or any portion thereof or rights related thereto, to any third party; and (iii) it believes in good faith that it has the power and authority to bind all persons and entities with an interest in the Actions and all Subdivisions.

4. **Representation With Respect to Participation Rate.** The State of Florida represents and warrants for itself that it has a good-faith belief that all Litigating Subdivisions and all Principal Subdivisions will become Participating Subdivisions. The State acknowledges the materiality of the foregoing representation and warranty.

5. **Dispute Resolution.** If either the State or Walmart believes the other is not in compliance with any term of this Settlement Agreement, then that Party shall (i) provide written notice to the other Party specifying the reason(s) why it believes the other is not in compliance with the Settlement Agreement; and (ii) allow the other Party at least thirty (30) days to attempt to cure such alleged non-compliance (the "Cure Period"). In the event the alleged non-compliance is cured within the Cure Period, the other Party shall not have any liability for such alleged non-compliance. A party may not commence a proceeding to enforce compliance with this Agreement before the expiration of the Cure Period.

6. **No Third-Party Beneficiaries.** Except as to Releasees, nothing in this Settlement Agreement is intended to or shall confer upon any third party any legal or equitable right, benefit or remedy of any nature whatsoever.

7. **Notices.** All notices under this Agreement shall be in writing and delivered to the persons specified in this subsection ("Notice Designees") via: (i) e-mail; and (ii) either hand delivery or registered or certified mail, return receipt requested, postage pre-paid.

8. **Taxes.** Each of the Parties acknowledges, agrees, and understands that the State and Participating Subdivisions sought restitution and remediation within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii) as damages for the Alleged Harms. Each of the Parties acknowledges, agrees, and understands that the Remediation Payment is no greater than the amount, in the aggregate, of the harms allegedly suffered by the State and Participating Subdivisions. Each of the Parties acknowledges, agrees and understands that it is its intention that, for purposes of Section 162(f) of the Internal Revenue Code, the Remediation Payment by Walmart (\$187,937,062.10) constitutes restitution and remediation for damage or harm allegedly caused by Walmart in order to restore, in whole or in part, the State, Participating Subdivisions, and persons to the same position or condition that they would be in had the State, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes restitution and remediation for damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law. For the avoidance of doubt, "restitution" as used herein has the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii); "restitution" as used herein does not refer to the disgorgement of ill-gotten gains. The Parties acknowledge, agree, and understand that no portion of the Remediation Payment represents the disgorgement of any allegedly ill-gotten gains. The Parties acknowledge, agree and understand that only the Common Benefit Fund Payment (\$7,752,403.81) and Litigation Costs Payments (\$19,310,534.06) represent reimbursement to the State or any other person or entity for the fees and costs of any investigation or litigation, that no portion of the Remediation Payment represents reimbursement to the State or any other person or entity for the fees and costs of any investigation or litigation, and no portion of the Remediation Payment represents or should properly be characterized as the payment of fines, penalties or other punitive assessments. The State acknowledges, agrees and understands that Walmart intends to allocate the cost of the Remediation Payment among the Releasees using a reasonable basis. The State shall complete and file, on behalf

of the State and every Participating Subdivision, Form 1098-F with the Internal Revenue Service, on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the Agreement becomes binding, identifying the Remediation Payment as remediation/restitution amounts, and shall promptly and timely furnish Copy B of such Form 1098-F to Walmart. Alternatively, if reasonably requested by Walmart, the State and every Participating Subdivision shall each complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the Agreement becomes binding. On the Form 1098-F, the State and each Participating Subdivision shall identify the Remediation Amount as restitution/remediation amounts and shall furnish Copy B of such Form 1098-F to Walmart. Walmart makes no warranty or representation to the State as to the tax consequences of the Remediation Payment or the Litigation Costs Payments or any portion thereof.

9. **Binding Agreement.** This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto.

10. **Choice of Law.** Any dispute arising from or in connection with this Settlement Agreement shall be governed by Florida law without regard to its choice-of-law provisions.

11. **Jurisdiction.** The Parties agree to submit and consent to the jurisdiction of the Court for the resolution of any disputes arising under the Settlement Agreement.

12. **No Conflict Intended.** The headings used in this Agreement are intended for the convenience of the reader only and shall not affect the meaning or interpretation of this Agreement. The definitions contained in this Agreement or any Exhibit hereto are applicable to the singular as well as the plural forms of such terms.

13. **No Party Deemed to be the Drafter.** None of the Parties hereto shall be deemed to be the drafter of this Agreement or any provision hereof for the purpose of any statute, case law or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

14. **Amendment; Waiver.** This Agreement shall not be modified in any respect except by a writing executed by all the Parties hereto, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving Party. The waiver by any Party of any breach of this Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent or contemporaneous.

15. **Execution in Counterparts.** This Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument.

16. **Severability.** In the event any one or more material provisions of this Settlement Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Settlement Agreement.

17. **Statements to the Press.** Any press release or other public statement concerning this Settlement Agreement will describe it positively and will not disparage any other Party. No Party or attorney, agent, or representative of any Party shall state or suggest that this Settlement Agreement may be used to predict the value of any Claim or any future settlement agreement in any action or proceeding.

18. **Integrated Agreement.** This Agreement constitutes the entire agreement between the Settling Parties and no representations, warranties or inducements have been made to any Party concerning this Agreement other than the representations, warranties and covenants contained and memorialized herein.

19. **Bankruptcy.** The following provisions shall apply if, (i) within ninety (90) days of Walmart's payment pursuant to Section C.1(a) above, a case is commenced with respect to Walmart under the Bankruptcy Code, and (ii) a court of competent jurisdiction enters a final order determining such payment to be an avoidable preference under Section 547 of the Bankruptcy Code, and (iii) pursuant to such final order such payment is returned to Walmart:

(a) this Agreement, including all releases and covenants not to sue with respect to the Released Claims contained in this Agreement, shall immediately and automatically be deemed null and void as to Walmart; and

(b) the State and Subdivisions may assert any and all Released Claims against Walmart in its bankruptcy case and seek to exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Walmart.

20. **Most Favored Nations.** If, after execution of this Agreement, there is a collective resolution—through settlement, bankruptcy or other mechanism—of substantially all claims against Walmart brought by states, counties, and municipalities nationwide (a “Global Resolution”) under which, but for this Agreement, the Florida allocation of the Remediation Payment, the Litigation Cost Payments, the payment period or the terms of injunctive relief would be more favorable to the State, Walmart shall pay the excess amounts that the State would have received, adjust the payment period and/or agree to modify the terms of the Consent Judgment to reflect changes to the injunctive relief that would apply to Florida, if requested to do so by the Florida Attorney General's Office. Additionally, if at any time within the ten months following the Execution Date Walmart enters into a settlement with the attorney general of any state with a smaller population than Florida for a total settlement amount that exceeds \$188,322,027.00, Walmart shall pay the excess amount to Florida. Any reduction in the payment period under this subsection shall be subject to a reduction in net present value calculated at eight percent (8%) per annum.

IN WITNESS WHEREOF, the Parties hereto, through their fully authorized representatives, have executed this Agreement as of the dates set forth below.

On Walmart's request, the State will instruct the Settlement Fund Administrator to promptly provide statements setting forth the activity in the QSF to Walmart. The State shall also notify Walmart regarding any payments or expenses paid from the QSF upon receipt of a request for such information from Walmart. No Party to the Settlement Agreement shall have any liability (whether direct or indirect, in contract or tort or otherwise) to any other party for or in connection with any action taken or not taken by the Settlement Fund Administrator, except as between the State and the Settlement Fund Administrator to the extent provided for in the Escrow Agreement.

To the extent this Section III conflicts with the Settlement Agreement and the exhibits therein, the Settlement Agreement shall control.
- ii. With respect to the payment instructions to be provided by the State as described in the following subsection III.B, the Settlement Fund Administrator is entitled to rely upon the State's instructions, provided in written form and copied to Walmart, for the purpose for which it was submitted, provided that neither Walmart nor any Participation Subdivision has objected to those instructions pursuant to the procedures described in the following subsection III.B.

B. *Payments*

- i. The State shall calculate the distributions due to Participating Subdivisions and shall provide those calculations to the Participating Subdivisions and Walmart in advance of the payment date. Notice as to Walmart shall be made in accordance with subsection G.7 of the Agreement and notice as to Participating Subdivisions shall be made as instructed by each Participating Subdivision.
- ii. Objections to distributions proposed to be made by the State may be made within seven (7) calendar days of receipt of notice by sending a written objection by email to the following addresses: john.guard@myfloridalegal.com; greg.slemp@myfloridalegal.com; sabrina.donovan@myfloridalegal.com. In the event the email address to which objections are to be sent changes, the State shall notify Walmart and the Participating Subdivision of such change, and any deadline to provide an objection shall be suspended until the State has confirmed Walmart and the Participating Subdivisions' receipt of such notice.
- iii. In connection with the notice, the State shall request from each Participating Subdivision: (i) a completed IRS Form W-9, and (ii) instructions concerning how the subdivision wishes to be paid (check or wire), and, if applicable, wiring instructions or the address where the payment should be mailed. If that resolution made by one entity affects other entities (including Walmart, if applicable), the State shall provide notice to those affected and resolve the objection in accordance with the Settlement Agreement or the Florida Opioid Allocation and Statewide Response Agreement.

- vi. Pending the resolution of any objections as provided above, the State may provide instructions to the Settlement Fund Administrator to pay any undisputed portion. Before doing so, it shall provide notice to Walmart and the Participating Subdivisions of the dispute and a breakdown of the proposed partial payments. Upon such notice, Walmart and the Participating Subdivisions shall have an opportunity to object to the proposed partial payments in accordance with the procedures outlined in the foregoing subsections.
- vii. In consultation with the State, and subject to the terms of the Settlement Agreement, the Settlement Fund Administrator may set reasonable limits on the frequency with which it makes payments and may set other reasonable restrictions on complying with requests made by the State or the Participating Subdivisions, to limit the burdens and costs imposed on the Settlement Fund Administrator.

*C. Extensions.*

- i. The schedule provided for in this Section III shall be adjusted based on what is practicable. The Settlement Fund Administrator shall provide notice to the State and Walmart regarding whether the deadlines provided for in Section III or in the Escrow Agreement need to be adjusted. The State shall communicate that notice to the Participating Subdivisions.

**IV. Reporting Obligations**

The Settlement Fund is intended to be classified as a “qualified settlement fund” within the meaning of Treasury regulations Section 1.468B-1, et seq. The State shall obtain any necessary orders from the Court to qualify the Settlement Fund as a “qualified settlement fund.” The Settlement Fund Administrator shall promptly take all other steps necessary for qualifying and operating the QSF as a “qualified settlement fund” within the meaning of Treas. Notwithstanding any effort or failure of the Settlement Fund Administrator and/or the parties hereto to treat the QSF as a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B-1 effective as of the date hereof, if Walmart incurs any taxes or additional tax liability, interest, penalties or other tax-related losses of any kind (such tax liability, interest, penalties and/or losses hereinafter collectively referred to as “Tax Detriments”) resulting from income earned by the QSF, such Tax Detriment shall be paid out of the State Sub-Fund or the Abatement Accounts Sub-Fund of the QSF, as the State may direct, or in the absence of sufficient funds in these Sub-Funds or at the State’s option, by the State.
- v. Notwithstanding any other provision of this Exhibit E or the Settlement Agreement, the parties hereto acknowledge and agree that Walmart has made no representations or warranties regarding the tax consequences and shall have no liability to the State, the Settlement Fund Administrator, the Participating Subdivisions or any other party with respect to matters related to such tax consequences. Further, the Settlement Agreement, including this Exhibit E, shall be binding on the Parties and the Settlement Fund Administrator, and shall continue to apply, notwithstanding the tax consequences of any payments made pursuant to the Settlement Agreement and this Exhibit E.

**EXHIBIT F**  
**INJUNCTIVE RELIEF**

**I. INTRODUCTION**

A. Within 90 days of the Effective Date of the Settlement Agreement and Release (as defined in the Settlement Agreement and Release, the “Effective Date”) (except where this Agreement specifies a different implementation period), Walmart Inc. (“Walmart” or the “Settling Pharmacy”) shall implement the terms set forth in this Agreement (the “Settlement Terms”).

B. To the extent that the Settling Pharmacy already has in place committees, departments, policies or programs that satisfy the terms of this Agreement, no re-naming is required by this Agreement.

C. Overview

1. The Settling Pharmacy will implement or maintain a Controlled Substance Compliance Program (“CSCP”).

2. The CSCP must include written standard operating procedures and/or corporate policies (the “CSCP Policies and Procedures”) required by this Agreement.

3. The CSCP shall apply during the term of this Agreement to each of the Settling Pharmacy’s retail pharmacy stores within the State of Florida.

4. The Settling Pharmacy shall provide a copy of the relevant CSCP Policies and Procedures to the State within 90 days of the Effective Date. D. Compliance with Laws

1. The Settling Pharmacy acknowledges and agrees that its retail pharmacies must comply with applicable federal and Florida state laws, including regarding the dispensing of Controlled Substances. The requirements of the Settlement Terms are in addition to, and not in lieu of, any other requirements of federal or Florida state law. Nothing in the Settlement Terms shall be construed as relieving the Settling Pharmacy of the obligation of its retail pharmacies to comply with all federal and Florida state and local laws, nor shall any of the provisions of the Settlement Terms be deemed as permission for the Settling Pharmacy to engage in any acts or practices prohibited by such laws.

2. The Settlement Terms are not intended to and shall not be interpreted to prevent the Settling Pharmacy from taking or implementing any other compliance or policy steps necessary to address their retail pharmacies’ conformity with local, state, and federal legal requirements. In the event that the Settling Pharmacy determines that there is a conflict between the Settlement Terms and the requirements of federal, state, or local laws, such that the Settling

Pharmacy determines that it cannot comply with the Settlement Terms without violating these requirements, the Settling Pharmacy shall document such conflicts and notify the State that it intends to comply with the law to the extent necessary to eliminate the conflict. Within thirty (30) days after receipt of a notification from the Settling Pharmacy referenced above, the State may request a meeting to discuss the conflict and the Settling Pharmacy shall comply with any such reasonable request. Nothing in this paragraph shall (i) limit the right of the State to disagree with the Settling Pharmacy as to the impossibility of compliance and to seek to enforce the Settlement Terms accordingly; or (ii) be deemed to relieve the Settling Pharmacy from following any subsequently enacted law that is more restrictive than the provisions of the Settlement Terms, or from following the Settlement Terms if they are more restrictive than applicable laws, to the extent the Settling Pharmacy can adhere to both the Settlement Terms and the provisions of local, state or federal law.

3. In the event that the State learns of any action, administrative or otherwise, to be commenced against the Settling Pharmacy, any of its retail pharmacies, or its pharmacy personnel as a result of the Settling Pharmacy's obligations under this Agreement—including but not limited to actions brought by State Boards of Medicine and Pharmacy or the State Department of Health—the State will make best efforts to intervene and seek dismissal or to otherwise assist in achieving resolution, including by certifying that the State's position is that the Settling Pharmacy should not be held liable for actions required by this Agreement.

4. The Settling Pharmacy shall retain all records it is required to create pursuant to its obligations hereunder in an electronic or otherwise easily accessible format for the term of this Agreement. Nothing in this Agreement shall waive any applicable privilege that may be asserted over any such record.

## **II. TERM AND SCOPE**

The Settling Pharmacy shall designate a Chief Controlled Substance Compliance Officer, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and the Settling Pharmacy’s compliance with these Settlement Terms. As used in this agreement, the terms “Controlled Substance Compliance Committee” and “Controlled Substance Compliance Department” refer to the entity or entities, however titled, that carry out the functions required by this Agreement. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by this Agreement, any other functions undertaken by such position, committee or department shall not be subject to this Agreement or oversight by the State pursuant to this Agreement. The position, committee and department discussed in this subsection and below may bear different names and need not be limited to the roles and functions set forth herein.

B. The Chief Controlled Substance Compliance Officer shall have knowledge of and experience with the laws and regulation of Controlled Substances.

D. Staffing levels of the Settling Pharmacy’s Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by the Settling Pharmacy’s Controlled Substance Compliance Committee, to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

E. Throughout the term of this Agreement, the Settling Pharmacy shall maintain a telephone and email hotline(s) (the “Hotline”) to permit employees and/or Patients to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Settlement Terms, the Settling Pharmacy’s company policy, or other applicable law. The Settling Pharmacy shall publish its Hotline contact information to its employees and Patients in the State of Florida. The Settling Pharmacy shall maintain for the duration of this Agreement a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require the Settling Pharmacy to investigate a pharmacist’s professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or

that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

## **V. INDEPENDENCE**

A. The Settling Pharmacy's Controlled Substance Compliance Department personnel, the pharmacy personnel who work at the Settling Pharmacy's retail pharmacies within the State of Florida, and field personnel who supervise such pharmacy personnel (together, "CSCP Employees") shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in any part on revenue or profitability targets or expectations specific to sales of Controlled Substances. Nothing in this Agreement shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales.

B. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets/expectations specific to sales of Controlled Substances.

C. To the extent necessary to comply with this section, the Settling Pharmacy's Controlled Substance Compliance Committee shall review, modify, and implement any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

## **VII. MANDATORY TRAINING**

A. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of the Settling Pharmacy's retail pharmacy stores in the State of Florida. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

B. Within 90 days of entering into these Settlement Terms, to the extent not already in place, the Settling Pharmacy shall implement policies and procedures requiring all CSCP Employees to complete trainings on the CSCP Policies and Procedures required under this Agreement, including with respect to the Prescription Validation Process and their corresponding responsibility.

C. On an annual basis for the duration of the Agreement, the Settling Pharmacy shall test its CSCP Employees, and any contractors serving as pharmacists or pharmacy technicians in its retail pharmacies in the State of Florida, on their knowledge regarding the CSCP Policies and Procedures required under this Agreement, including with respect to the Prescription Validation Process and their corresponding responsibility.

D. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Settlement Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

E. All trainings required under these Settlement Terms shall also make clear that pharmacists will not be penalized in any way for refusing to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility.

## **VIII. THE PRESCRIPTION VALIDATION PROCESS**

A. As part of its CSCP, to the extent not already in place, the Settling Pharmacy shall have a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by the Settling Pharmacy at a retail pharmacy in the State of Florida is directed to follow when dispensing a prescription for a Controlled Substance.

B. The Settling Pharmacy's CSCP Policies and Procedures shall provide that a Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

C. The Settling Pharmacy's CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substance prescription (described in Section IX(1) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PDMP data, and/or reviewing other data or information available to the pharmacist.

D. The Settling Pharmacy's CSCP Policies and Procedures shall provide that, except as allowed by Florida law, a pharmacist may only fill a Controlled Substance prescription electronically transmitted by a Prescriber for such drugs; that if the pharmacist identifies any other "Prescription Red Flags" (described in Section IX(2) below), the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PDMP data, and/or reviewing other data or information available to the pharmacist.

E. The Settling Pharmacy must put in place, to the extent not already in place, systems at its retail pharmacies in the State of Florida to check the licensure status of a Prescriber of Controlled Substances through a regularly updated prescriber database, to the extent such information is reasonably available for such purposes. The dispensing system shall block a Controlled Substance prescription from being filled if the prescriber database check reflects a DEA registration or state license that has been suspended. CSCP Policies and Procedures shall require that if a pharmacist identifies any Prescriber Red Flags, the pharmacist must resolve them, and that

the method of resolution falls within the judgment of the pharmacist and may include reviewing the Settling Pharmacy's records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or the Prescriber, reviewing available PDMP data, and/or reviewing other data or information available to the pharmacist .

F. The Settling Pharmacy's CSCP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist must be documented. Any such records shall be maintained for the duration of this Agreement.

G. The Settling Pharmacy's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

## **IX. RED FLAGS**

A. Notwithstanding any other potential Red Flags that the Settling Pharmacy may identify in its CSCP Policies and Procedures, the Settling Pharmacy shall identify in its CSCP Policies and Procedures the following potential "Patient Red Flags":

1. A Patient seeks to fill a Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Designated Controlled Substance;
2. A Patient seeks to fill Designated Controlled Substance prescriptions from more than four Prescribers, from separate practices, in a given 6-month period;
3. A Patient resides more than 50 miles from the Settling Pharmacy's retail pharmacy where the Designated Controlled Substance prescription is submitted;

B. Notwithstanding any other potential Red Flags that the Settling Pharmacy may identify in its CSCP Policies and Procedures, with respect to any Controlled Substance prescriptions, the Settling Pharmacy shall identify in its CSCP Policies and Procedures the following potential "Prescription Red Flags:"

1. A prescription that fails to meet the requirements of law, e.g. Fla. Stat. §§ 456.42(2), (3).
2. A prescription that appears altered;
3. A prescription written with misspellings suggesting the prescription may not have been written by a Prescriber; A prescription using atypical abbreviations suggesting the prescription may not have been written by a Prescriber; and
4. A prescription written with multiple colors of ink or in multiple different handwritings.

C. Notwithstanding any other potential Red Flags that the Settling Pharmacy may identify in its CSCP Policies and Procedures, with respect to any Prescriber of Controlled Substances, the Settling Pharmacy shall identify in their CSCP Policies and Procedures the following potential “Prescriber Red Flags:”

1. A Prescriber provides a Patient with prescriptions for a Designated Controlled Substance, a benzodiazepine, and carisoprodol; and
2. A Prescriber has no office within 50 miles of the retail pharmacy store.

## **X. PRESCRIBER REVIEW**

A. To the extent not already in place, the Settling Pharmacy shall develop a process by which it regularly reviews the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the “Prescriber Review Process”). The Prescriber Review Process shall employ algorithms, or other means, to review the Settling Pharmacy’s retail dispensing data for potential Prescribers of concern. Once the Settling Pharmacy identifies through its process a Prescriber for further investigation, the review of a Prescriber shall include review of his or her prescribing as contained in the Settling Pharmacy’s data and available licensing and disciplinary history. It may also include internet searches, interviews and other information gathered in the discretion of the employees operating the Prescriber Review Process.

B. If after the Prescriber Review Process the Settling Pharmacy has not resolved its concerns of illegitimate prescribing, then Controlled Substance prescriptions written by the Prescriber shall be blocked from being filled by the Settling Pharmacy’s retail pharmacies in the State of Florida, with an opportunity at the discretion of the Settling Pharmacy for the prescriber to seek future reinstatement by providing information to the Settling Pharmacy that may resolve its concerns. This block shall be on top of and in addition to any block based on a Prescriber’s licensure. The Settling Pharmacy shall provide the names of the doctors whose prescriptions it has blocked to the State Board of Medicine.

## **XI. PROACTIVE DUE DILIGENCE AND SITE VISITS**

A. During the term of this Agreement, the Settling Pharmacy shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the State of Florida to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the State of Florida. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy to identify particular pharmacies for review. Documentation of any resulting reviews shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of the Agreement.

B. During the term of this Agreement, the Settling Pharmacy’s field personnel shall also conduct site visits to each of its retail pharmacy stores in the State of Florida each year for the duration of the Agreement. Operating procedures shall specify that any concerns identified with the dispensing of Designated Controlled Substances shall be reported to the Controlled Substance

Compliance Department. The Controlled Substance Compliance Department shall maintain documentation of any such reported concerns.

C. During the term of this Agreement, to the extent not already in place, the Settling Pharmacy shall put in place processes to oversee inventory, recording keeping and theft and loss prevention controls at its retail pharmacy stores in the State of Florida.

D. The CSCP Policies and Procedures shall require that site visit reports, if any, related to the dispensing of Designated Controlled Substances shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of the Agreement.

## **XII. CONTROLLED SUBSTANCE DISPOSAL**

A. The Settling Pharmacy's retail pharmacies in the State of Florida shall make available or display information to all Patients receiving a Designated Controlled Substance about the need to dispose and the proper disposal of unneeded Controlled Substances and the availability of disposal boxes, pouches or containers for purchase from the Settling Pharmacy, or other products commercially manufactured to allow for the safe disposal of Controlled Substances and medications at home.

B. At each of its retail pharmacies in the State of Florida, the Settling Pharmacy shall make available to Patients at its actual cost (per generally accepted accounting principles) a pouch or other container or product commercially manufactured to allow for the safe disposal of Controlled Substances and medications at home. The Settling Pharmacy shall maintain sufficient written documentation supporting its actual cost for the duration of this Agreement.

## **XIII. NALOXONE DISPENSING**

A. To the extent not already in place, the Settling Pharmacy agrees to obtain a non-patient-specific standing order covering each of its retail pharmacies in the State of Florida allowing for the dispensing of naloxone or other overdose reversal medications to the fullest extent allowable under Florida law.

**XIV.** To the extent that the State of Florida obtains or enters into an agreement with a manufacturer of naloxone or other overdose reversal medication to provide naloxone or an overdose reversal medication to the State for free or at cost, the Settling Pharmacy agrees to dispense that naloxone or other overdose reversal medication at its actual cost for dispensing that naloxone or other overdose reversal medication (time and expense). Upon request by the State to dispense such medication, in the course of arranging logistics with the State, the Settling Pharmacy shall provide the State with its calculation of the actual cost to dispense.

## **XV. FRAUD, THEFT AND LOSS PREVENTION**

In addition to complying with all fraud, theft and loss procedures, policies and precautions required by state and federal law, the Settling Pharmacy shall maintain information regarding the receipt

and disposition of inventory of all Designated Controlled Substances for each retail pharmacy in the State of Florida.

## **XVI. REPORTING TO LAW ENFORCEMENT**

To the extent not already in place, the Settling Pharmacy shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions to state or local law enforcement authorities within 7 days of completing any review of such prescription or conduct. The State shall provide appropriate contact information for such reports. The Settling Pharmacy shall comply with all statutes and regulations requiring the reporting of thefts and losses of Controlled Substances.

## **XVII. ENFORCEMENT OF SETTLEMENT TERMS**

### **A. Notice of Potential Violations and Opportunity to Cure.**

1. A “Potential Violation” occurs when the State determines, after appropriate investigation and due diligence, that the Settling Pharmacy is not in substantial compliance with a material aspect of the Settlement Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement does not occur when a pharmacist or other pharmacy personnel employed by the Settling Pharmacy violates the Settling Pharmacy’s CSCP Policies and Procedures or the law.

#### **2. Potential Violation Discovered by State.**

a. In the event of a Potential Violation identified by the State, the State shall notify the Settling Pharmacy in writing (the “State’s Notice”).

b. Within thirty (30) days of receipt of the State’s Notice, the Settling Pharmacy shall provide a written response to the State. The response shall include the Settling Pharmacy’s position as to the act(s) of non-compliance with these Settlement Terms, including, possibly, a statement setting forth why the Settling Pharmacy believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

c. If the State wishes to meet with the Settling Pharmacy, the Settling Pharmacy shall promptly make itself available for such a meeting.

3. If, after review of a written response and any meeting, the State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to the Settling Pharmacy and work in conjunction with the Settling Pharmacy to devise, within thirty (30) days, a corrective action plan (“Corrective Action Plan”) to remedy such Potential Violation, including a reasonable period for implementation of such plan.

4. Within 60 and 120 days after implementing the Corrective Action Plan, the Settling Pharmacy will provide a written compliance update to the State and make itself available to meet with the State if requested. If after reviewing the compliance update and any meeting, the State believes a Potential Violation remains ongoing or has not been substantially addressed, the

State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the State may take whatever action it deems necessary, including but not limited to bringing an action to enforce the settlement agreement, filing a new action (administrative or civil action) for violation of the settlement agreement as allowed by Florida law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the State may not seek to reinstate claims that have been released as part of this settlement.

5. If the Settling Pharmacy fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections A(2), A(3) and/or A(4), the State may bring an action to enforce the settlement agreement, file a new action (administrative or civil action) for violation of the settlement agreement as allowed by Florida law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the State may not seek to reinstate claims that have been released as part of this settlement.

6. If, after review of a written response and any meeting, pursuant to subsection A(2) or A(3), above, the State concludes that a Potential Violation is not ongoing or has been substantially addressed, the State will provide written notice of this conclusion to the Settling Pharmacy within 30 days of reaching its conclusion.

B. Enforcement Action. The State agrees that prior to taking any court or administrative action, other than an action that the State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to the Settling Pharmacy prior to initiating any such action.

## **XVIII. COMPLIANCE CERTIFICATION**

A. The Settling Pharmacy's Chief Controlled Substance Compliance Officer shall, after diligent inquiry, complete an annual compliance certification.

B. The certification shall be filed annually for the duration of this Agreement with the Florida Department of Health, the Florida Department of Business and Professional Regulation, and the Florida Office of Attorney General.

C. The certification shall state:

"I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include promoting compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Agreement, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations

of the Agreement. I understand that this certification is being provided to and relied upon by the State of Florida.”

D. If the Chief Controlled Substance Compliance Officer is unable to provide such a certification, he or she shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

E. Upon written demand by the Florida Department of Health, the Florida Department of Business and Professional Regulation, or the Florida Office of Attorney General, the Settling Pharmacy shall provide to the requesting agency within a reasonable time after request the below materials. The State of Florida, through its agencies and departments, including without limitation the Florida Department of Health, has preexisting access to certain records maintained by Walmart retail pharmacies in the State of Florida and to certain data on their Controlled Substances dispensing. This provision is in addition to, and not in place of, that access.

1. Any specific, non-privileged documents reviewed by the Chief Controlled Substance Compliance Officer solely to make his/her certification, not including documents reviewed in the course of his/her duties throughout the year that provide him/her with relevant knowledge;

2. The current versions of the CSCP Policies and Procedures that are required by this Agreement;

3. The names of Florida prescribers of Designated Controlled Substances whose prescriptions the Settling Pharmacy has blocked as part of its Prescriber Review Process; or

4. With regard to a particular retail pharmacy store in the State of Florida identified by the State, any non-privileged reports related to that pharmacy store prepared pursuant to the processes outlined in Section XI.A.

F. Nothing in this Paragraph shall limit the State’s authority to subpoena other records.

G. Nothing in this Agreement shall be interpreted to abrogate the Settling Pharmacy’s applicable privileges or protections from disclosure, including without limitation those related to the attorney-client privilege, the attorney work product doctrine, and the patient-safety work product privilege. Nothing in this Agreement shall require the Settling Pharmacy to provide or produce any such privileged or protected materials.

H. To the extent that the above records contain personal health information of patients, the personal health information of patients shall be redacted and the presence of personal health information shall not be a reason to not produce any category of documents. To the extent that city, state, or zip code related information is contained within the above records and does not constitute personal health information of patients, the Settling Pharmacy shall provide such information upon written request.

## **XIX. RECORDKEEPING**

The Settling Pharmacy shall retain records it is required to create pursuant to its obligations hereunder in an electronic or otherwise readily accessible format. In addition to the prescription data regularly provided to the State of Florida through its prescription drug monitoring program and all of the other records to which the State of Florida has access under its pharmacy regulations, including without limitation through its on-site inspections of retail pharmacies, the State of Florida shall have the right to review the CSCP Policies and Procedures discussed herein. Nothing in these terms shall prohibit the State of Florida from issuing a lawful subpoena for records pursuant to an applicable law.

## **XX. MOST FAVORED NATION**

A. To the extent the Settling Pharmacy enters a global settlement resolving substantially all claims against it brought by states, counties, and/or municipalities nationwide that contains additional injunctive relief provisions, the State of Florida shall have the right to obtain the benefit of those provisions under the terms set forth in any such global settlement.

B. To the extent that the Settling Pharmacy agrees to take part in the Clearinghouse described in the Distributor Settlement Agreement as part of any global settlement as defined above, the Settling Pharmacy agrees to provide data and otherwise take part in the Clearinghouse with respect to Florida retail pharmacies at no reduction to any settlement amount under this Agreement.

## **XXI. CHANGES AND MODIFICATIONS**

A. This Agreement may be amended or modified with the written consent of the Parties.

B. Nothing in this Agreement shall be construed to prohibit the Settling Pharmacy from implementing improvements or enhancements or from otherwise evolving its systems and practices.

**EXHIBIT H**

IN THE CIRCUIT COURT OF THE SIXTH JUDICIAL CIRCUIT  
IN AND FOR PASCO COUNTY, WEST PASCO DIVISION  
NEW PORT RICHEY, FLORIDA

STATE OF FLORIDA, OFFICE OF THE  
ATTORNEY GENERAL, DEPARTMENT  
OF LEGAL AFFAIRS,

Plaintiff,

v.

No. \_\_\_\_\_

WALMART INC.,

Defendant.

---

**CONSENT JUDGMENT**

Plaintiff, the State of Florida, Office of the Attorney General, Department of Legal Affairs (“Plaintiff” or “Florida AG”), brought the above-captioned action against Defendant Walmart Inc. (“Walmart”) asserting claims against Walmart under the Florida Deceptive and Unfair Trade Practices Act, Fla. Stat. §§ 501.201, *et seq.* and for common law public nuisance, all based on allegations that Walmart historically, among other acts, distributed and dispensed prescription opioid pain medication improperly in a fashion that has caused harm to the health of Florida residents and to the State (the “Florida AG Action”). Plaintiff brought the Florida AG Action in its sovereign capacity as the people’s attorney in order to protect the public interest, including the interests of the State of Florida, its governmental subdivisions and its citizens.

In addition, numerous governmental entities in Florida (“Subdivisions”) have brought separate lawsuits (“Actions”) in various forums against Walmart, among others. These Actions assert claims that arise out of or relate to alleged conduct that is substantially similar to or overlaps with the conduct alleged in the Florida AG Action (the “Covered Conduct”).

Walmart denies the allegations in the Florida AG Action and other Actions and claims to have no liability to Plaintiff or to any Subdivision or other governmental entity (whether such governmental entity has brought or is a party to another Action or not).

Walmart denies that it engaged in any wrongdoing, denies that it violated any federal or state law, denies that Plaintiff, any Subdivision, any other governmental entity, or any Florida resident was harmed by its conduct, denies all liability against Walmart arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions, contends that the factual allegations made in the Subdivisions' Actions relating to Walmart are false and materially inaccurate, and maintains that it has meritorious defenses and would be able to successfully defend against Plaintiff's claims and allegations at trial and any Subdivision's claims.

Plaintiff and Walmart (the "Parties"), by their counsel, have entered into a Settlement Agreement and Release to resolve the claims and allegations against Walmart in the Florida AG Action (the "Agreement," attached to this Consent Judgment) and the entry of this Consent Judgment (including the injunctive terms incorporated herein) by the Court without trial or findings or admissions of wrongdoing or liability of any kind. Furthermore, under the Agreement, and as effectuated in this Consent Judgment, the Florida AG is exercising its authority to act in the public interest and release its own Claims as well as those of all Subdivisions, whether asserted previously or in the future, that arise out of or relate to the Covered Conduct. Unless otherwise specified, capitalized terms used herein shall have the meanings specified in the Agreement.

NOW THEREFORE, without trial or adjudication of any issue of fact or law presented in the Florida AG Action or the other Actions, without this Consent Judgment constituting evidence against or admission by anyone with respect to any issue of fact or law, and upon the Parties' consent, IT IS HEREBY ORDERED AS FOLLOWS:

## **I. PARTIES**

1. Defendant Walmart is a Delaware corporation with its principal place of business in Delaware.

2. Plaintiff has the authority to act in the public interest and on behalf of the people of Florida as the people's attorney.

## **II. JURISDICTION**

3. This Court has jurisdiction over the Parties and the subject matter of this action and all city and county Litigating Subdivisions and all other Participating Subdivisions, each of which submits to the jurisdiction of the Court for purposes limited to the Court's role as provided in, and for resolving disputes to the extent provided in, the Walmart Settlement.

## **III. AGREEMENT**

4. The Parties have agreed to resolution of the Florida AG Action under the terms of their Agreement, which is attached hereto as Exhibit A. This Consent Judgment summarizes and gives effect to those terms. In the event of a conflict between the terms of the Agreement (including its exhibits) and this summary document, the terms of the Agreement shall govern. Nothing in this summary document shall have the effect of expanding, diminishing, explaining, or otherwise modifying any term of the Agreement.

## **IV. FINANCIAL TERMS**

5. **EXHIBIT I**

**FLORIDA OPIOID ALLOCATION AND  
STATEWIDE RESPONSE  
AGREEMENT**

BETWEEN

STATE OF FLORIDA DEPARTMENT OF LEGAL AFFAIRS,  
OFFICE OF THE ATTORNEY GENERAL

And

CERTAIN LOCAL GOVERNMENTS IN THE STATE OF FLORIDA

This Florida Opioid Allocation and Statewide Response Agreement (the “Agreement”) is entered into between the State of Florida (“State”) and certain Local Governments (“Local Governments” and the State and Local Governments are jointly referred to as the “Parties” or individually as a “Party”). The Parties agree as follows:

Whereas, the people of the State and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and

Whereas, the State, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold many of the same Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance as the State; and

Whereas, certain of the Parties have separately sued Pharmaceutical Supply Chain participants for the harm caused to the citizens of both Parties and have collectively negotiated settlements with several Pharmaceutical Supply Chain Participants; and

Whereas, the Parties share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State; and

Whereas, it is the intent of the State and its Local Governments to use the proceeds from any Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment, prevention and other related programs and services, such as those identified in Exhibits “A” and “B,” and to ensure that the funds are expended in compliance with evolving evidence-based “best practices;” and

Whereas, the State and its Local Governments enter into this Agreement and agree to the allocation and use of the proceeds of any settlement described herein

Wherefore, the Parties each agree to as follows:

**A. Definitions**

As used in this Agreement:

1. “Approved Purpose(s)” shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed in Exhibits “A” and “B” which are incorporated herein by reference.

2. “Local Governments” shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. “Managing Entities” shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor (“DCF”) to manage the daily operational delivery of behavioral health services through a coordinated system of care. The singular “Managing Entity” shall refer to a singular of the Managing Entities.

4. “County” shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. “Dependent Special District” shall mean a Special District meeting the requirements of Florida Statutes § 189.012(2).

The State shall be represented by the Attorney General or her designee.

8. “Negotiation Class Metrics” shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at <https://allocationmap.iclaimsonline.com>.

9. “Opioid Funds” shall mean monetary amounts obtained through a Settlement.

These estimates can currently be found at <https://www.census.gov>. *For purposes of Population under the definition of Qualified County, a County’s population shall be the greater of its population as of the July 1, 2019, estimates or its actual population, according to the official U.S. Census Bureau count, which was released by the U.S. Census Bureau in August 2021.*

16. “Qualified County” shall mean a charter or non-chartered County that has a Population of at least 300,000 individuals and: (a) has an opioid taskforce or other similar board, commission, council, or entity (including some existing sub-unit of a County’s government responsible for substance abuse prevention, treatment, and/or recovery) of which it is a member or it operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is, as of December 31, 2021, either providing or is contracting with others to provide substance abuse prevention, recovery, and/or treatment services to its citizens; and (d) has or enters into an interlocal agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities’ total Population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred. For avoidance of doubt, the Population calculation required by subsection (d) does not include Population in unincorporated areas.

17. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

18. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

19. "State" shall mean the State of Florida.

**B. Terms**

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described or to pay obligations to the United States arising out of Medicaid or other federal programs, all Opioid Funds shall be utilized for Approved Purposes. In order to accomplish this purpose, the State will either: (a) file a new action with Local Governments as Parties; or (b) add Local Governments to its existing action, sever any settling defendants. In either type of action, the State will seek entry of a consent judgment, consent order or other order binding judgment binding both the State and Local Governments to utilize Opioid Funds for Approved Purposes ("Order") from the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida (the "Court"), except as herein provided. The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction by the Court to address non-performance by any party under the Order.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the Core Strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **No Benefit Unless Fully Participating** - Any Local Government that objects to or refuses to be included under the Order or refuses or fails to execute any of documents necessary to effectuate a Settlement shall not receive, directly or indirectly, any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the Local Governments. Funds that were a for a Municipality that does not join a Settlement will be distributed to the County where that Municipality is located. Funds that were for a County that does not join a Settlement will be distributed pro rata to Counties that join a Settlement. For avoidance of doubt, if a Local Government initially refuses to be included in or execute the documents necessary to effectuate a Settlement and subsequently effectuates such documents necessary to join a Settlement, then that Local Government will only lose those payments made under a Settlement while that Local Government was not a part of the Settlement. If a Local Government participates in a Settlement, that Local Government is thereby releasing the claims of its Dependent Special District claims, if any.

4. **Distribution Scheme** – If a Settlement has a National Settlement Administrator or similar entity, all Opioids Funds will initially go to the Administrator to be distributed. If a Settlement does not have a National Settlement Administrator or similar entity, all Opioid Funds will initially go to the State, and then be distributed by the State as they are received from the Defendants according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting any costs of the Expense Fund detailed below. Funds due the federal government, if any, pursuant to Section B-2, will be subtracted from only the State and Regional Funds below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality, which are attached to this Agreement as Exhibit “C.” In the event that a Municipality has a Population less than 10,000 people and it does not execute a release or otherwise join a Settlement that Municipalities share under the Negotiation Class Metrics shall be reallocated to the County where that Municipality is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in paragraph 5 of the Agreement, and according to the Negotiation Class Metrics.

(ii) For Qualified Counties, the Qualified County’s share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the State will appropriate the regional share for each County and pay that share through DCF to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies as directed by the Opioid Abatement Task Force or Council. The Managing Entities shall expend monies from this Regional Fund on services for the Counties within the State that are non-Qualified Counties and to ensure that there are services in every County. To the greatest extent practicable, the Managing Entities shall endeavor to expend monies in each County or for citizens of a County in the amount of the share that a County would have received if it were a Qualified County.

(c) State Fund - The remainder of Opioid Funds will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial amount.

(e) To the extent a County or Municipality wishes to pool, comingle, or otherwise transfer its share, in whole or part, of Opioid Funds to another County or Municipality, the comingling Municipalities may do so by written agreement. The comingling Municipalities shall provide a copy of that agreement to the State and any settlement administrator to ensure that monies are directed consistent with such agreement. The County or Municipality receiving any such Opioid Funds shall assume the responsibility for reporting how such Opioid Funds were utilized under this Agreement.

5. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year after deduction of Expenses and any funds due the federal government:

- A. Years 1-6: 40%
- B. Years 7-9: 35%
- C. Years 10-12: 34%
- D. Years 13-15: 33%
- E. Years 16-18: 30%

6. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter “Taskforce” or “Council”) to advise the Governor, the Legislature, DCF, and Local Governments on the priorities that should be addressed by expenditure of Opioid Funds and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Government representatives.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county of less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

- (iii) The Senate President shall appoint one Member.
- (iv) The Attorney General or her designee shall be a Member.
- (d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.
- (e) Term - Members will be appointed to serve a four-year term and shall be staggered to comply with Florida Statutes § 20.052(4)(c).
- (f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.
- (g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.
- (h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes or similar such uses for how monies should be spent the coming fiscal year to respond to the opioid epidemic. Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year.
- (i) Accountability - The State and each of the Local Governments shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of expenditures on Approved Purposes. In setting those requirements, the Taskforce or Council shall consider the Reporting Templates, Deliverables, Performance Measures, and other already utilized and existing templates and forms required by DCF from Managing Entities and suggest that similar requirements be utilized by all Parties to this Agreement.
- (j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

7. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds. Municipalities and Counties may take no more than a 5% administrative fee from any funds that they receive or control from the City/County Fund.

8. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

9. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

10. **Program Requirements**- DCF and Local Governments desire to make the most efficient and effective use of the Opioid Funds. DCF and Local Governments will work to achieve that goal by ensuring the following requirements will be minimally met by any governmental entity or provider providing services pursuant to a contract or grant of Opioid Funds:

a. In either performing services under this Agreement or contracting with a provider to provide services with the Opioid Funds under this Agreement, the State and Local Governments shall be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and similar regulations relating to the substance abuse and treatment services.

b. The State and Local Governments shall have and follow their existing policies and practices for accounting and auditing, including policies relating to whistleblowers and avoiding fraud, waste, and abuse. The State and Local Governments shall consider additional policies and practices recommended by the Opioid Abatement Taskforce or Council. c. In any award or grant to any provider, State and Local Governments shall ensure that each provider acknowledges its awareness of its obligations under law and shall audit, supervise, or review each provider's performance routinely, at least once every year.

d. In contracting with a provider, the State and Local Governments shall set performance measures in writing for a provider.

e. The State and Local Governments shall receive and report expenditures, service utilization data, demographic information, and national outcome measures in a similar fashion as required by the 42.U.S.C. s. 300x and 42 U.S.C. s. 300x-21.

f. The State and Local Governments, that implement evidenced based practice models will participate in fidelity monitoring as prescribed and completed by the originator of the model chosen..

g. The State and Local Governments shall ensure that each year, an evaluation of the procedures and activities undertaken to comply with the requirements of this Agreement are completed.

h. The State and Local Governments shall implement a monitoring process that will demonstrate oversight and corrective action in the case of non-compliance, for all providers that receive Opioid Funds. Monitoring shall include:

- (i) Oversight of the any contractual or grant requirements;
- (ii) Develop and utilize standardized monitoring tools;
- (iii) Provide DCF and the Opioid Abatement Taskforce or Council with access to the monitoring reports; and
- (iv) Develop and utilize the monitoring reports to create corrective action plans for providers, where necessary.

11. **Reporting and Records Requirements-** The State and Local Governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council. Local Governments shall respond and provide documents to any reasonable requests from the State or Opioid Abatement Taskforce or Council for data or information about programs receiving Opioid Funds. The State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:

(a) Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds. Upon demand, at no additional cost to the State or Local Government, any provider will facilitate the duplication and transfer of any records or documents during the term that it receives any Opioid Funds and the required retention period for the State or Local Government. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the State or Local Government.

(b) Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after its ceases to receives Opioid Funds or longer when required by law. In the event an audit is required by the State of Local Governments, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.

(c) At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.

(d) A financial and compliance audit shall be performed annually and provided to the State.

(e) All providers shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.

(f) No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

12. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys’ fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the full contingent fees of Local Governments is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein “Expense Fund”) shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys’ fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State in connection with the Settlement because their participation increases the amount of Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense Fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the Agreement shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten-to-eighteen-year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two payments of the Settlement. Accordingly, to offset the amounts being paid from the

City/County Fund to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	\$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	\$150
Expense Fund (paid over 2 years):	\$15
Amount Paid to Expense Fund in 1st year:	\$7.5
Amount Paid to Expense Fund in 2nd year:	\$7.5
Amount that may be borrowed from Regional Fund in 1st year:	\$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	\$7.5
Amount that must be paid back to Regional Fund in 3rd year:	\$5
Amount that must be paid back to Regional Fund in 4th year:	\$5
Amount that must be paid back to Regional Fund in 5th year:	\$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the Agreement, by order of the Court. The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

13. **Dispute resolution**- Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph,; (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund; or (d) to recover amounts advanced from the Regional Fund for the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds. In the event that there is a National Settlement Administrator or similar entity, the Local Governments sole action for non-payment of

amounts due from the City/County Fund shall be against the particular settling defendant and/or the National Settlement Administrator or similar entity.

### 1.1. Receipt of Escrow Property.

(a) Upon execution of this Escrow Agreement by each of the parties hereto, the State shall cause funds from a Settlement in the amount of **\$215,000,000** to be deposited into a United States Dollar denominated account (the “**Escrow Account**”) established by the Escrow Agent. The Escrow Account is set forth below:

[ ]

(b) The Escrow Agent will hold the deposit and any subsequent deposits in the Escrow Account, together with all investments thereof and all interest accumulated thereon and proceeds therefrom (the “**Escrow Property**”), in escrow upon the terms and conditions set forth in this Escrow Agreement and shall not disburse funds from the Escrow Account except as provided herein.

(c) The State may further request that Escrow Property in the Walmart Account be further subdivided into sub-accounts within the Walmart Account in accordance with the State’s settlement agreement with Walmart (the “Walmart Agreement”). The State shall provide directions prior to or soon after deposit on how Escrow Property shall be subdivided. The State may adjust or transfer Escrow Property between sub-accounts within the Walmart Account after receipt consistent with the terms of the Walmart Agreement. Based on the Walmart Agreement it is expected that the Walmart Account may be divided into five sub-accounts: (1) a State sub-account; (2) a city/county or subdivision sub-account; (3) an abatement sub-account; (4) a State attorney’s fees and costs sub-account; and (5) a Local Government attorney’s fee and costs sub-account.

### 1.2. Investments.

(a) The Escrow Agent shall invest the Escrow Property in accordance with the written instructions provided to the Escrow Agent and signed by the State in such investments (i) as shall from time to time be selected by the State and (ii) be investments the Escrow Agent is able to hold. In all events, the proceeds shall be managed in a manner designed to preserve principal and accrue income by investing in instruments/securities comprised of (a) United States Agency, Government Sponsored Enterprises or Treasury securities or obligations (or a mutual fund invested solely in such instruments); (b) cash equivalent securities including SEC registered money market funds and collateralized money market accounts; and/or (c) deposit and similar interest-bearing, or non-interest bearing accounts, and certificates of deposit subject to Federal Depository Insurance Corporation protections as available. For the avoidance of doubt, any investment earnings and income on the Escrow Property shall become part of the Escrow Property, and shall be disbursed in accordance with Section 1.3 below. The Escrow Agent shall make no disbursement, investment or other use of funds until and unless it has collected funds. The Escrow Agent shall not be liable for collection items until such proceeds have been received or the Federal Reserve has given the Escrow Agent credit for the funds.

(b) The Escrow Agent is hereby authorized and directed to sell or redeem any such investments as it deems necessary to make any payments or distributions required under this Escrow Agreement. The Escrow Agent shall have no responsibility or liability for any loss which may result from any investment or sale of investment made pursuant to this Escrow Agreement. The Parties acknowledge that the Escrow Agent is not providing investment supervision, recommendations, or advice.

(c) In the event that market conditions are such that negative interest applies to amounts deposited with the Escrow Agent, the State shall be responsible for the payment of such interest and the Escrow Agent shall be entitled to deduct from amounts on deposit with it an amount necessary to pay such negative interest. For the avoidance of doubt, the indemnification protections afforded to the Escrow Agent under Section 3.1 of this Agreement shall cover any interest-related expenses (including, but not limited to, negative interest) incurred by the Escrow Agent in the performance of its duties hereunder.

### 1.3. Disbursements.

It is expected that disbursements of Escrow Property will happen periodically depending on the terms of the Settlements. It is expected that at least two disbursements will be made in the first calendar year of the Escrow Agreement.

(b) In the event that Escrow Agent makes any payment to any other party pursuant to this Escrow Agreement and for any reason such payment (or any portion thereof) is required to be returned to the Escrow Account or another party or is subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a receiver, trustee or other party under any bankruptcy or insolvency law, other federal or state law, common law or equitable doctrine, then the recipient shall repay to the Escrow Agent upon written request the amount so paid to it.

(c) The Escrow Agent shall, in its sole discretion, comply with judgments or orders issued or process entered by any court with respect to the Escrow Property, including without limitation any attachment, levy or garnishment, without any obligation to determine such court's jurisdiction in the matter and in accordance with its normal business practices. If the Escrow Agent complies with any such judgment, order or process, then Escrow Agent shall not be liable to the State or any other person by reason of such compliance, regardless of the final disposition of any such judgment, order or process.

(d) The State understands and agrees that the Escrow Agent shall have no obligation or duty to act upon a Written Direction delivered to the Escrow Agent for the disbursement of Escrow Property under this Escrow Agreement if such Written Direction is not (i) in writing, (ii) signed by, in the case of the State, any individual designated by the State on Exhibit B hereto (each such individual an “**Authorized Representative**”), and (iii) delivered to, and able to be authenticated by, the Escrow Agent in accordance with Section 1.5.

(e) Upon request, the Escrow Agent will furnish monthly statements to the State setting forth the activity in the Escrow Account. Upon request by the State, the Escrow Agent will furnish monthly statements to Walmart setting forth the activity in the Walmart Account (including all constituent sub-accounts of the Walmart Account). the Escrow Agent will furnish monthly statements to that

Pharmaceutical Supply Chain Participant setting forth the activity in that Pharmaceutical Supply Chain Participant's Sub-Fund (including all constituent sub-funds of that Sub-Fund) within the Escrow Account.

(f) The State may specify in a Written Direction whether the Escrow Property shall be disbursed by way of wire transfer or check. If the written notice for the disbursement of funds does not so specify the disbursement means, the Escrow Agent may disburse the Escrow Property by any means chosen by the Escrow Agent.

#### 1.4. Written Direction and Other Instruction.

(a) With respect to any Written Direction or any other notice, direction or other instruction required to be delivered by the State to the Escrow Agent under this Escrow Agreement, the Escrow Agent is authorized to follow and rely upon any and all such instructions given to it from time to time if the Escrow Agent believes, in good faith, that such instruction is genuine and to have been signed by an Authorized Representative of the State. The Escrow Agent shall have no duty or obligation to verify that the person who sent such instruction is, in fact, a person duly authorized to give instructions on behalf of the State, other than to verify that the signature of the Authorized Representative on any such instruction appears to be the signature of such person. The State acknowledges and agrees that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Escrow Agent, and that there may be more secure methods of transmitting instructions other than the method selected by the State. The Escrow Agent shall have no responsibility or liability for any loss which may result from:

(i) any action taken or not taken by the Escrow Agent in good faith reliance on any such signatures, telephonic and email confirmations or instructions;

(ii) the State's reliance upon or use of any particular method of delivering instructions to the Escrow Agent, including the risk of interception of such instruction and misuse by third parties; or

(iii) any officer or Authorized Representative named in an incumbency certificate or Exhibit B delivered hereunder prior to actual receipt by the Escrow Agent of a more current incumbency certificate or an updated Exhibit B and a reasonable time for the Escrow Agent to act upon such updated or more current certificate or Exhibit.

(b) The State may, at any time, update Exhibit B by signing and submitting to the Escrow Agent an updated Exhibit. An updated Exhibit B shall constitute a Written Direction that is subject to the authentication and security requirements set forth in Section 1.5 below. Any updated Exhibit shall not be effective unless the Escrow Agent countersigns a copy thereof. The Escrow Agent shall be entitled to a reasonable time to act to implement any changes on an updated Exhibit.

#### 1.5. Delivery and Authentication of Written Direction.

(a) A Written Direction must be delivered to the Escrow Agent by one of the delivery methods set forth in Section 4.3.

(b) The State and the Escrow Agent hereby agree that the following security procedures will be used to verify the authenticity of a Written Direction delivered by the State to the Escrow Agent under this Escrow Agreement:

(i) The Written Direction must include the name and signature of the person delivering the disbursement request to the Escrow Agent. The Escrow Agent will check that the name and signature of the person identified on the Written Direction appears to be the same as the name and signature of an Authorized Representative;

(ii) The Escrow Agent will make a telephone call to the Authorized Representative purporting to deliver the Written Direction (which Authorized Representative shall be the same as the Authorized Representative who delivered the Written Direction) at any telephone number for such Authorized Representative as set forth on Exhibit B, as applicable, to obtain oral confirmation of delivery of the Written Direction; and

(iii) If the Written Direction is sent by email to the Escrow Agent, the Escrow Agent also shall review such email address to verify that it appears to have been sent from an email address for an Authorized Representative as set forth on Exhibit B, or from an email address for a person authorized under Exhibit B, to email a Written Direction to the Escrow Agent on behalf of the Authorized Representative).

(c) The State acknowledges and agrees that given its particular circumstances, including the nature of its business, the size, type and frequency of its instructions, transactions and files, internal procedures and systems, the alternative security procedures offered by the Escrow Agent and the security procedures in general use by other customers and banks similarly situated, the security procedures set forth in this Section 1.5 are a commercially reasonable method of verifying the authenticity of a payment order in a Written Direction.

(d) The Escrow Agent is authorized to execute and the State expressly agrees to be bound by any payment order in a Written Direction issued in its name (and associated funds transfer) (i) that is accepted by the Escrow Agent in accordance with the security procedures set forth in this Section 1.5, whether or not authorized by the State and/or (ii) that is authorized by or on behalf of the State or for which the State is otherwise bound under the law of agency, whether or not the security procedures set forth in this Section 1.5 were followed, and to debit the Escrow Account for the amount of the payment order. Notwithstanding anything else, the Escrow Agent shall be deemed to have acted in good faith and without negligence, gross negligence or misconduct if the Escrow Agent is authorized to execute the payment order under this Section 1.5. Any action taken by the Escrow Agent pursuant to this Section 1.5 prior to the Escrow Agent's actual receipt and acknowledgement of a notice of revocation, cancellation or amendment of a Written Direction shall not be affected by such notice of revocation, cancellation or amendment of a Written Direction.

(e) The security procedures set forth in this Section 1.5 are intended to verify the authenticity of payment orders provided to the Escrow Agent and are not designed to, and do not, detect errors in the transmission or content of any payment order. The Escrow Agent is not responsible for detecting an error in the payment order, regardless of whether the State believes the error was apparent, and the Escrow Agent is not liable for any losses arising from any failure to detect an error.

(f) When instructed to credit or pay a party by both name and a unique numeric or alpha-numeric identifier (e.g. ABA number or account number), the Escrow Agent, and any other banks participating in the funds transfer, may rely solely on the unique identifier, even if it identifies a party different than the party named. The State agrees to be bound by the rules of any funds transfer network used in connection with any payment order accepted by the Escrow Agent hereunder.

(g) The Escrow Agent shall not be obliged to make any payment requested under this Escrow Agreement if it is unable to validate the authenticity of the request by the security procedures set forth in

this Section 1.5. The Escrow Agent's inability to confirm a payment order may result in a delay or failure to act on that payment order. Notwithstanding anything else in this Escrow Agreement, the Escrow Agent shall not be required to treat a payment order as having been received until the Escrow Agent has authenticated it pursuant to the security procedures in this Section 1.5 and shall not be liable or responsible for any losses arising in relation to such delay or failure to act.

1.6. Income Tax Allocation and Reporting.

(a) The Escrow Account shall be treated at all times as a "Qualified Settlement Fund" within the meaning of Treas. Reg. § 1.468B-1. The State and Escrow Agent, in cooperation with settling Pharmaceutical Supply Chain Participants shall jointly and timely take such actions as necessary or advisable to qualify the Escrow Account as a "Qualified Settlement Fund" within the meaning of Treas. Reg. § 1.468B-1 and fulfill the requirements of such Treasury Regulation, including making a "relation-back election" under Treas. Reg. § 1.468B-1(j)(2), if applicable, to the earliest permitted date. If applicable, Settlement Fund Administrator (as defined below) will prepare, or cause to have prepared, the "relation-back election" pursuant to Treas. Reg. § 1.468B-1(j)(2) for execution by the relevant settling Pharmaceutical Supply Chain Participants and the State and attach to it the Escrow Account's first income tax return. For purposes of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the "administrator" of the Escrow Account shall be Wilmington Trust National Association as the settlement fund administrator (the "Settlement Fund Administrator") and Settlement Fund Administrator shall take all actions to ensure that the Settlement Fund Administrator qualifies as such. Settlement Fund Administrator shall timely and properly prepare, deliver to all necessary parties for signature, and file all necessary documentation for any elections required or advisable under Treas. Reg. § 1.468B-1. Settlement Fund Administrator will obtain an employer identification number for the Escrow Account and timely prepare, or cause to have prepared, a "Regulation Section 1.468B-3 Statement" pursuant to Treas. Reg. § 1.468B-3(e) on behalf of the settling Pharmaceutical Supply Chain Participants and provide copies to each settling Pharmaceutical Supply Chain Participant's counsel for review and approval. Settlement Fund Administrator shall timely and properly prepare and file any informational and other tax returns (including state, local or foreign) necessary or advisable with respect to the Escrow Account and the distributions and payments therefrom including without limitation the returns described in Treas. Reg. § 1.468B-2(k), and to the extent applicable Treas. Reg. § 1.468B-2(1).

(b) Prior to the execution of this Escrow Agreement, or within two days thereafter, the State shall provide the Escrow Agent with certified tax identification numbers by furnishing appropriate IRS form W-9 and such other forms and documents that the Escrow Agent may request. The State understands that if such tax reporting documentation is not provided and certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, to withhold a portion of any interest or other income earned on the investment of the Escrow Property.

(c) To the extent that the Escrow Agent becomes liable for the payment of any taxes in respect of income derived from the investment of the Escrow Property, the Escrow Agent shall satisfy such liability to the extent possible from the Escrow Property. 1.7. Termination. This Escrow Agreement shall terminate on December 31, 2039, at which time the Escrow Agent is authorized and directed to disburse the Escrow Property in accordance with Section 1.3 (Disbursements) and this Escrow Agreement shall be of no further force and effect, except that the provisions of Sections 1.6 (Tax Allocation and Reporting), and 3.2 (Limitation of Liability) hereof shall survive termination.

## **ARTICLE 2 DUTIES OF THE ESCROW AGENT**

2.1. Scope of Responsibility. Notwithstanding any provision to the contrary, the Escrow Agent is obligated only to perform the duties expressly and specifically set forth in this Escrow Agreement, which shall be deemed purely ministerial in nature. Under no circumstances will the Escrow Agent be deemed to be a fiduciary to the State or any other person under this Escrow Agreement or otherwise. The Escrow Agent will not be responsible or liable for the failure of the State to perform in accordance with this Escrow Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Escrow Agreement, whether or not an original or a copy of such agreement has been provided to the Escrow Agent; and the Escrow Agent shall have no duty to know or inquire as to the performance or nonperformance of any provision of any such agreement, instrument, or document. References in this Escrow Agreement to any other agreement, instrument, or document are for the convenience of the parties and the Escrow Agent has no duties or obligations with respect thereto. The Escrow Agent acts hereunder as escrow agent only, and is not responsible or liable in any manner whatsoever for the sufficiency, correctness, genuineness or validity of the subject matter of this Escrow Agreement or any part thereof. The Escrow Agent shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of the Escrow Property, written instructions, or any other documents in connection therewith, and will not be regarded as making nor be required to make, any representations thereto. This Escrow Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred or implied from the terms of this Escrow Agreement, any other agreement or otherwise.

All rights, protections, privileges, indemnities and benefits granted or afforded the Escrow Agent under this Agreement shall be deemed applicable to all actions taken, suffered or omitted by the Settlement Fund Administrator under this Agreement. Additionally, information provided to Wilmington Trust in its capacity as Escrow Agent will not be imputed to be known by the Settlement Fund Administrator unless Wilmington Trust in that capacity has been made aware of such information as well.

2.2. Rights of the Escrow Agent. No provision of this Escrow Agreement shall require the Escrow Agent to expend or risk its own funds or otherwise incur any financial liability or potential financial liability in the performance of its duties or the exercise of its rights under this Escrow Agreement. The Escrow Agent shall not be obligated to take any legal action or to commence any proceedings in connection with this Escrow Agreement or any property held hereunder or to appear in, prosecute or defend in any such legal action or proceedings. The Escrow Agent shall be protected in acting upon any written instruction, notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document which the Escrow Agent in good faith believes to be genuine and what it purports to be, including, but not limited to, items directing investment or non-investment of funds, items requesting or authorizing release, disbursement or retainage of the subject matter of this Escrow Agreement and items amending the

terms of this Escrow Agreement, provided that the Escrow Agent complies with the security procedures governing written instructions set forth in Section 1.5 above.

2.3. Attorneys and Agents. The Escrow Agent shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Escrow Agent in accordance with the advice of counsel or other professionals retained or consulted by the Escrow Agent. The Escrow Agent shall be reimbursed as set forth in Section 3.1 for any and all compensation (fees, expenses and other costs) paid and/or reimbursed to such counsel and/or professionals. The Escrow Agent may perform any and all of its duties through its agents, representatives, attorneys, custodians, and/or nominees and shall not be responsible for the acts or omissions of such agents, representatives, attorneys, custodians or nominees appointed with due care.

2.4. Right Not Duty Undertaken. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties.

### **ARTICLE 3 PROVISIONS CONCERNING THE ESCROW AGENT**

3.1. Indemnification. The Escrow Agent shall have a first lien against the Escrow Account to secure the obligations of the parties hereunder. The terms of this paragraph shall survive termination of this Escrow Agreement.

3.2. Limitation of Liability. THE ESCROW AGENT SHALL NOT BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES, LOSSES OR EXPENSES ARISING OUT OF OR IN CONNECTION WITH THIS ESCROW AGREEMENT, THE ESCROW ACCOUNT, THE ESCROW PROPERTY, OR THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES, LOSSES OR EXPENSES WHICH HAVE BEEN FINALLY ADJUDICATED TO HAVE DIRECTLY RESULTED FROM THE ESCROW AGENT'S NEGLIGENCE, OR WILLFUL MISCONDUCT, (II) SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR LOSSES OF ANY KIND WHATSOEVER (INCLUDING WITHOUT LIMITATION LOST PROFITS), EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES AND REGARDLESS OF THE FORM OF ACTION, OR (III) ANY AMOUNT IN EXCESS OF THE VALUE OF THE ESCROW PROPERTY.

3.3. Resignation or Removal. The Escrow Agent may, at any time, resign as escrow agent hereunder by furnishing written notice of its resignation to the State. At such time, all fees and expenses to which the Escrow Agent is entitled shall be immediately due and payable to Escrow Agent. The State may remove the Escrow Agent by furnishing to the Escrow Agent a written notice of its removal along with payment of all fees and expenses to which it is entitled through the date of termination. Such resignation or removal, as the case may be, shall be effective thirty (30) days after the delivery of such notice or upon the earlier appointment of a successor, and the Escrow Agent's sole responsibility thereafter shall be to safely keep the Escrow Property and to deliver the same to a successor escrow agent as shall be appointed by the State, as evidenced by a joint written notice filed with the Escrow Agent or in accordance with a court order. If the State has failed to appoint a successor escrow agent prior to the expiration of thirty (30) days following the delivery of such notice of resignation or removal, the Escrow Agent shall be entitled, at its sole discretion and at the expense of State, to petition any court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon the State.

3.4. Compensation. (a) The Escrow Agent shall be entitled to compensation for its services as stated in the fee schedule attached hereto as Exhibit C, which compensation shall be paid by the State. Such compensation is intended for the Escrow Agent's services as contemplated by this Escrow Agreement. In addition to such compensation, in the event that the conditions for the disbursement of funds under this Escrow Agreement are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement, or any material modification hereof, or if any material controversy arises hereunder, then the Escrow Agent shall be compensated for such extraordinary services and any services or work performed by Escrow Agent in connection with any delay, controversy, and reimbursed for all costs and expenses.

The terms of this Section 3.4 shall survive termination of this Escrow Agreement.

3.5. Disagreements. If any conflict, disagreement or dispute arises between, among, or involving any of the parties hereto concerning the meaning or validity of any provision hereunder or concerning any other matter relating to this Escrow Agreement, or the Escrow Agent is in doubt as to the action to be taken hereunder, the Escrow Agent may, at its option, refuse to act until the Escrow Agent (a) receives a final non-appealable order of a court of competent jurisdiction directing delivery of the Escrow Property or (b) receives a written instruction, executed by each of the parties involved in such disagreement or dispute, in a form reasonably acceptable to the Escrow Agent, directing delivery of the Escrow Property. The Escrow Agent will be entitled to act on any such written instruction or final, non-appealable order of a court of competent jurisdiction without further question, inquiry or consent. The Escrow Agent may file an interpleader action in a state or federal court, and upon the filing thereof, the Escrow Agent will be relieved of all liability as to the Escrow Property and will be entitled to recover reasonable and documented out-of-pocket attorneys' fees, expenses and other costs incurred in commencing and maintaining any such interpleader action. In the event the Escrow Agent receives conflicting instructions hereunder, the Escrow Agent shall be fully protected in refraining from acting until such conflict is resolved to the satisfaction of the Escrow Agent.

3.6. Merger or Consolidation. Any corporation or association into which the Escrow Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Escrow Agent is a party, shall be and become the successor escrow agent under this Escrow Agreement and shall have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

3.7. Attachment of Escrow Property; Compliance with Legal Orders. In the event that any Escrow Property shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the Escrow Property, the Escrow Agent is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Escrow Agent obeys or complies with any such writ, order or decree it shall not be liable to the State or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

3.8. Force Majeure. The Escrow Agent shall not be responsible or liable for any failure or delay in the performance of its obligation under this Escrow Agreement arising out of or caused, directly or indirectly,

by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; wars; acts of terrorism; civil or military disturbances; sabotage; epidemic; riots; interruptions; loss or malfunctions of utilities including but not limited to, computer (hardware or software), payment systems, or communications services; hacking, cyber-attacks or other unauthorized infiltration of Escrow Agent's information technology infrastructure; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Escrow Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

3.9. Compliance with Legal Orders. The Escrow Agent shall be entitled to consult with legal counsel in the event that a question or dispute arises with regard to the construction of any of the provisions hereof, and shall incur no liability to the State premised on the contention that the Escrow Agent should not have sought or relied on the advice of counsel.

3.10. No Financial Obligation. The Escrow Agent shall not be required to use its own funds in the performance of any of its obligations or duties or the exercise of any of its rights or powers, and shall not be required to take any action which, in the Escrow Agent's sole and absolute judgment, could involve it in expense or liability unless furnished with security which it deems, in its sole and absolute discretion, to be satisfactory.

#### **ARTICLE 4 MISCELLANEOUS**

4.1. Successors and Assigns. This Escrow Agreement shall be binding on and inure to the benefit of the State and the Escrow Agent and their respective successors and permitted assigns. No other persons shall have any rights under this Escrow Agreement. No assignment of the interest of any of the State and the Escrow Agent shall be binding unless and until written notice of such assignment shall be delivered to the other party and the Escrow Agent and shall require the prior written consent of the other party and the Escrow Agent (such consent not to be unreasonably withheld).

4.2. Escheat. The State is aware that under applicable state law, property which is presumed abandoned may under certain circumstances escheat to the applicable state. The Escrow Agent shall have no liability to the State or any other party, should any or all of the Escrow Property escheat by operation of law.
